Annual General Meeting

Friday 27 April 2018

26 March 2018

Dear Shareholder,

I am writing to inform you that the Annual General Meeting (the "AGM") of Rotork plc (the "Company") will be held on Friday 27 April 2018 at 12 noon at the Company's registered office at Rotork House, Brassmill Lane, Bath, BA1 3JQ.

Details of the business to be considered are set out in the Notice of Meeting which follows this letter, together with notes about your rights as a shareholder and information regarding the appointment of proxies. I should like to make some comments on each of the matters to be transacted at the meeting.

Directors

Following the recommendations of the UK Corporate Governance Code (the "Code") all continuing directors will offer themselves for re-election at every AGM. Accordingly resolutions 3 to 9 seek to elect and re-elect the directors of the Company and will all be proposed as ordinary resolutions.

A formal performance evaluation of the Board was completed in 2017. Following the evaluation, I confirm that the performance of all the directors continues to be effective and demonstrates commitment to the role.

Appointment of Kevin Hostetler as new Chief Executive Officer

On 4 January 2018 Rotork announced the appointment of Kevin Hostetler as Chief Executive. Kevin joined the Board on 12 February 2018 and assumed the role of Chief Executive from 12 March 2018. Kevin Hostetler will offer himself for re-election at the AGM.

Kevin has accomplished significant results in substantial international businesses with a strong technology foundation.

Most recently Kevin has acted as CEO of FDH Velocitel, a private equity backed telecommunications and engineering consulting business in the USA, which Kevin led through a successful turnaround and sale process. Prior to that Kevin acted as executive advisor to a number of private equity firms. Roles included CEO of a speciality valve manufacturer and Executive Chairman of an engineered high-pressure vessel company. Kevin was also a Senior executive at IDEX Corporation, a \$2.2bn global flow control business supplying pumps and valves, metering and measurement equipment, and instrumentation controls serving end markets including oil & gas, petrochemical, water and waste water, power generation, pharmaceutical processing, and food & beverage processing.

Kevin studied Materials Engineering/Polymer Science at Penn State University and completed his undergraduate studies at Kings College, Pennsylvania, graduating with a Bachelors in Corporate Finance. He also has an MBA in International Business from the Stern School of Business at New York University.

Appointment of Peter Dilnot as non-Executive Director

Peter Dilnot was appointed non-executive director of Rotork with effect from 1 September 2017. Peter Dilnot will offer himself for re-election at the AGM.

Peter is the Chief Executive Officer of the international waste-to-product company Renewi plc created in 2017 by the merger of Shanks Group plc and Van Gansewinkel Groep B.V., having held the position of CEO of Shanks Group plc since February 2012. With an engineering background, before joining Shanks, Peter was a senior executive at Danaher Corporation, a leading global industrial business listed on the NYSE. He held a number of general management roles including President Danaher Middle East, Group President Emerging Markets, and MD EMEA & Asia of its Gilbarco Veeder-Root subsidiary. Before Danaher, Peter spent seven years at the Boston Consulting Group (BCG) based in both London and Chicago, working primarily with industrial and pharmaceutical clients, and was a leader in BCG's global Sales and Marketing Practice.

Full biographical and other details relating to the directors are contained in the Annual Report and Accounts for the year ended 31 December 2017 on pages 54 to 55.

Remuneration Report and Remuneration Policy

The directors are required to prepare an annual report detailing the remuneration of the directors and a statement by the chairman of the Remuneration Committee (together, the "Directors' Remuneration Report"). The Company is required to seek shareholders' approval in respect of the contents of this report on an annual basis (excluding the part containing the Directors' Remuneration Policy (as defined below)). The vote is an advisory one.

The Company is separately required to seek shareholders' approval of its policy on remuneration of directors (the "Directors' Remuneration Policy") at least every three years. As the current Directors' Remuneration Policy was approved at the 2017 AGM, no resolution is proposed this year in connection with approving the Directors' Remuneration Policy. The current policy is set out on pages 71 to 76 of the Annual Report and Accounts. In formulating the Directors' Remuneration Policy, the directors take into account guidance issued by shareholders, their representative bodies and proxy agencies (including the Investment Association and Institutional Shareholder Services). The directors also take into consideration any views expressed by shareholders during the year and encourage an open dialogue with the Company's shareholders. Major shareholders are consulted in advance about changes to the approved Directors' Remuneration Policy or any significant proposed changes to the way in which it is implemented.

Accordingly, resolution 12, which will be proposed as an ordinary resolution, seeks approval of the Directors' Remuneration Report.

Authority to Allot Shares

Resolution 13 will be proposed as an ordinary resolution giving the directors a general authority to allot further shares of the Company, having an aggregate nominal value of £1,450,000 (representing 290,000,000 ordinary shares of 0.5 pence each). This represents approximately one third of the total ordinary share capital of the Company in issue at the date of this letter in accordance with institutional shareholder guidelines. The directors have no present intention of exercising this authority save to satisfy options exercised under the Company's United Kingdom all employee save as you earn scheme and to provide the flexibility to potentially satisfy the all employee free shares and the executive long term incentive share plans by allotment of shares. This authority will expire at the conclusion of the AGM to be held in 2019, or if earlier, the date falling 15 months after the date of the meeting.

At last year's AGM, the directors were granted authority to issue equity securities for cash otherwise than in proportion to their existing holdings. The directors are proposing to renew this authority this year. In accordance with the current guidance issued by the Pre-Emption Group, two separate resolutions will be sought – a general authority and a specific authority to allot shares in connection with an acquisition or specified capital investment, each in respect of approximately 5% of the Company's issued ordinary share capital.

Accordingly, resolution 14, which will be proposed as a special resolution, is to renew the directors' general authority to issue equity securities for cash otherwise than in proportion to existing holdings. This authority is limited to shares having a maximum aggregate nominal value of £217,500 (representing 43,500,000 ordinary shares of 0.5 pence each) which represents just under 5% of the total ordinary share capital of the Company in issue at the date of this letter. This authority, which is being sought in accordance with the Pre-Emption Group's Statement of Principles, will expire at the conclusion of the AGM to be held in 2019, or if earlier, the date falling 15 months after the date of the meeting.

Resolution 15, which will be proposed as a special resolution, authorises the directors to allot further equity securities for cash in connection with acquisitions or other specified capital investments which are announced contemporaneously with the allotment, or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment. This authority, which is being sought in accordance with the Pre-Emption Group's Statement of Principles and is in addition to the authority sought pursuant to resolution 14, is limited to shares having a maximum aggregate nominal value of £217,500 (representing 43,500,000 ordinary shares of 0.5 pence each) which represents just under 5% of the total ordinary share capital of the Company in issue at the date of this letter. This authority will expire at the conclusion of the AGM to be held in 2019, or if earlier, the date falling 15 months after the date of the meeting.

The Board also confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5% of the issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

Authority to Purchase Own Shares

Under resolution 16, which will be proposed as a special resolution, the Company will seek to renew the current limited authority to make purchases in the market of its own ordinary shares subject to specified limits including the minimum and maximum prices which may be paid.

The maximum number of ordinary shares which the Company may purchase pursuant to this authority is limited to a maximum of 87,000,000 ordinary shares of 0.5 pence each, which represents just under 10% of the total ordinary share capital of the Company in issue at the date of this letter.

There are outstanding options to subscribe for a total of 4,505,738 ordinary shares in the Company as at 1 March 2018. That number of shares represents under 1% of the Company's existing issued share capital. If the Company was to exercise in full the proposed authority to purchase its own shares, the shares for which there are outstanding options to subscribe would still represent under 1% of the Company's existing issued share capital as reduced by those purchases.

In seeking this authority the Board is not indicating any commitment to buy back ordinary shares. The Board will only exercise the authority if, in light of the market conditions prevailing at the time, it considers that the purchases of ordinary shares can be expected to result in an increase in earnings per share and be in the best interests of shareholders generally. The directors do, however, consider it desirable for this authorisation to be available to provide flexibility in the management of the Company's capital reserves. In the event of any purchase under this authority, the directors would either hold the purchased ordinary shares in treasury or cancel them. The authority will expire at the conclusion of the AGM to be held in 2019, or if earlier, the date falling 15 months after the date of the meeting.

Under resolution 17, a further special resolution will be proposed which will provide a renewed authority to purchase preference shares. The authority will cover all of the preference shares remaining in issue and will set out the minimum and maximum prices which may be paid. The Company will continue to purchase this class of shares as they become available and then cancel them. The authority will expire at the conclusion of the AGM to be held in 2019, or if earlier, the date falling 15 months after the date of the meeting.

Notice Periods for General Meetings

Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increase the notice period required for general meetings of the Company to 21 clear days unless shareholders approve a shorter notice period. Before the coming into force of the Shareholders' Rights Regulations in August 2009, the Company was able to call general meetings other than an AGM on 14 clear days' notice without obtaining such shareholder approval. In order to preserve this ability, resolution 18, which will be proposed as a special resolution, seeks such approval. AGMs will continue to be held on at least 21 clear days' notice. The approval will be effective until the Company's next AGM in 2019, when it is intended that a similar resolution will be proposed.

In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

The Board will only utilise the authority to hold meetings on less than 21 clear days' notice where it considers it to be in the best interests of shareholders.

Automatic poll voting

As at last year's AGM, Rotork will adopt automatic poll voting at the AGM. Accordingly, each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. Automatic poll voting is now adopted by the majority of FTSE 350 companies and is recommended by a number of institutional investor bodies as representing best governance practice.

Action to be taken

Whether or not you intend to come to the meeting, please complete and return the accompanying prepaid Form of Proxy to the Company's registrars so as to be received no later than 12 noon on Wednesday, 25 April 2018. By doing so, you will not preclude yourself from attending and voting in person at the meeting.

Recommendation

Your Board considers each of the proposed resolutions to be in the best interests of the Company and its shareholders as a whole. Accordingly, your directors unanimously recommend that you vote in favour of the resolutions.

Following the close of formal AGM business, lunch will be available to shareholders, as usual, at our Bath premises.

Yours sincerely,

Martin Lamb

Chairman

In order to gain admittance to the meeting, members may be required to produce their admission card, or otherwise prove their identity.
2. A member who is entitled to attend, speak and vote may appoint a proxy to attend, speak and vote instead of him.
3. A proxy need not also be a member of the Company but must attend the AGM in order to represent his appointor.

A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares (so a member must have more than one share to be able to appoint more than one proxy). A Form of Proxy is enclosed. The notes to the Form of Proxy include instructions on how to appoint the Chairman of the AGM or another person as proxy. To be effective the form must reach the Company's registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA by 12 noon on Wednesday, 25 April 2018. The time limits for proxy appointments also apply to changes to proxy instructions. Any change to proxy instructions received after that time will be disregarded. If a member submits more than one valid proxy appointment, the appointment received last before the time limit will take precedence.

4. For those shareholders appointing a proxy and who prefer to register the appointment of their proxy electronically via the internet, they can do so through Equiniti's website at www.sharevote.co.uk where full instructions on the procedure are given. The Voting ID, Task ID and Shareholder Reference Number printed on the Form of Proxy will be required in order to use this electronic proxy appointment system. Alternatively, shareholders who have already registered with Equiniti's online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and clicking on the link to vote. The on-screen instructions give details on how to complete the appointment process. A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 12 noon on Wednesday, 25 April 2018.
5. The Company, pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the register of members of the Company at 6.30pm on Wednesday, 25 April 2018 (or if the AGM is adjourned, two working days before the time fixed for the adjourned AGM) shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at that time. Any changes to the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the AGM.
6. If you are a person who has been nominated by a member to enjoy information rights in accordance with section 146 of the Companies Act 2006, note 2 above does not apply to you but you may have a right under an agreement between you and the member by whom you were nominated to be appointed or to have someone else appointed, as a proxy for the meeting. If you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

7. To appoint a proxy or to amend an instruction to a previously appointed proxy via the CREST system, the CREST message must be received by the issuer's agent (ID RA19) by 12 noon on Wednesday, 25 April 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means. CREST Personal Members or other CREST sponsor or voting service provider(s) should contact their CREST sponsor or voting service provider(s) for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings, please refer to the CREST Manual (available at www.euroclear.com). The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
8. Members attending the AGM have the right to ask and, subject to the provisions of the Companies Act 2006, the Company must cause to be answered, any questions relating to the business being dealt with at the AGM.
9. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. Members and proxies will be asked to vote their shares using the 'Votenow' electronic system for which full guidance will be given on the day. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

No shares are held in treasury. Therefore the total voting rights in the Company as at 1 March 2018 are 870,453,043 ordinary shares.
11. 12. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
