Rotork plc Share Incentive Plan

Summary

This page is for information only and does not form part of the rules.

SIPs – A Share Incentive Plan (or SIP for short) is a specific type of employee share plan which benefits from advantageous tax treatment in the UK. SIPs must comply with certain UK tax legislation which means that the rules governing a SIP are detailed and complicated. This introductory wording is designed to give an overview of how the Plan works, but should not be relied on in place of reading the rules and relevant legislation.

Award types – Under a SIP it is possible for a company to make four different kinds of awards:

- Free shares, which are upfront free shares subject to restrictions (and possibly forfeiture) (see rule 6);
- Partnership shares, which are shares employees purchase using their salary (see rule 7);
- Matching shares, which are also upfront free shares subject to restrictions (and possibly forfeiture), but are only awarded if an employee also buys partnership shares (see rule 8); and
- Dividend shares, which are shares paid for with reinvested dividends (see rule 9).

Awards held in a trust – If an employee participates in the Plan, their award shares will be held on the employee's behalf in a trust. The shares will not come out of the trust until the shares are withdrawn from the Plan.

Holding period – Awards normally have to be held in the Plan for a period of between 3 and 5 years, although the employee may withdraw partnership shares earlier if they wish.

Tax treatment – The tax treatment of awards under the SIP is not set out in these rules. As a general rule of thumb, employees will achieve advantageous tax treatment if they hold their awards for at least 3 years before withdrawing them from the Plan, and they will receive the most beneficial tax treatment if the awards are held in the Plan for at least 5 years.

Words and expressions used in the Plan will have the meanings given in the SIP Code unless the context requires otherwise. The Plan will be interpreted consistently with Schedule 2.

2. Purpose

The Plan is intended to operate as a Schedule 2 SIP. The Company has established the Plan to provide benefits to Eligible Employees and Participants in the form of Shares to give them a continuing stake in the Company, and these benefits will only be provided in accordance with Schedule 2.

3. Eligible Employees

3.1 Eligibility

A person is an eligible employee for the purposes of the Plan (an **“Eligible Employee”**) if that person:

3.1.1 is a UK resident taxpayer, within the meaning of paragraph 8(2) of Schedule 2;

- 3.1.2 has continuous employment with one or more qualifying companies, within the meaning of paragraph 17 of Schedule 2, over any period determined by the Board under rule 3.3 (Qualifying period);
- 3.1.3 is an employee of a Participating Company on the following date (being the “**Eligibility Date**”):
- (i) in the case of Free Shares, the Award Date;
 - (ii) in the case of Partnership Shares where no Accumulation Period applies, the date of the deduction of Partnership Share Money;
 - (iii) in the case of Partnership Shares where an Accumulation Period applies, the date of the first deduction of Partnership Share Money; and
 - (iv) in the case of Matching Shares, the same date as for the Partnership Shares to which they relate; and
- 3.1.4 is not excluded as result of rule 3.2 (Excluded employees).

The Board may also permit any other person who satisfies rules 3.1.2 to 3.1.4 to participate in the Plan as an Eligible Employee.

3.2 Excluded employees

A person will not be eligible to participate in an Award of Free Shares, Partnership Shares or Matching Shares in a Tax Year if that person is at the same time to participate (or is to be treated as participating under paragraph 18(2) of Schedule 2) in an award of shares under another Schedule 2 SIP established by the Company or a Connected Company (a “**Connected SIP**”).

Where a Participant is made an Award of Free Shares or Partnership Shares in a Tax Year in which the Participant has already been made an award of shares under a Connected SIP, then the limit referred to at rule 6.6 (Free Share Annual Limit) and rule 7.3 (Maximum deduction) will apply as if the Plan and the Connected SIP were a single plan.

A person's entitlement to participate in an Award will not be affected by any rights or entitlements that the person has under any Schedule 2 SIP established by a company which is not a Connected Company.

3.3 Qualifying period

Individuals will be required to work for a qualifying period of 6 months, unless the Board decides otherwise.

Qualifying periods will:

- 3.3.1 in the case of Free Shares, end on the Award Date and may not exceed 18 months;
- 3.3.2 in the case of Partnership Shares and any related Matching Shares, where no Accumulation Period applies, end with the deduction of Partnership Share Money and may not exceed 18 months; and
- 3.3.3 in the case of Partnership Shares and any related Matching Shares, where an Accumulation Period applies, end with the start of the Accumulation Period and may not exceed 6 months.

In relation to an Award, the same qualifying period must apply in relation to all Eligible Employees but different qualifying periods may apply to different Awards.

4. Plan limit

4.1 Limit

An Award may not be made that would cause the “Total Plan Shares” (being the total number of Shares that have been issued in the previous 10 years (or could still be issued by virtue of rights granted) under the Plan and under any other employee share plans operated by the Company (or any Member of the Group) to exceed 10% of the ordinary share capital of the Company in issue immediately before that Award is made.

4.2 Free Share Limit

The Board may from time to time set a limit on the total number of Shares which may be awarded under an offer to acquire Free Shares on such basis as it determines (such methodology to be in accordance with Schedule 2). This limit will apply equally to offers of Free Share Awards (or cash equivalent amounts) as defined in and made under the Rotork plc Global Employee Share Plan, unless the Board determines otherwise.

4.3 Calculation

To the extent that a right to acquire Shares lapses, the underlying Shares are ignored when calculating the limits in rule 4.1 (Limit).

Where Shares are to be taken into account for the purposes of the limit in rule 4.1 (Limit) and there has been a variation in the share capital of the Company, the number of Shares taken into account for the purposes of the limit will be adjusted as the Board considers appropriate to take account of the variation.

5. Invitations

5.1 Operation

The Board has discretion to decide whether the Plan will be operated. When the Plan is operated, the Board must invite all Eligible Employees to participate.

5.2 Invitation type

The Board may issue invitations to Eligible Employees to participate in an Award of:

5.2.1 Free Shares; and/or

5.2.2 Partnership Shares; and

5.2.3 if there is an Award of Partnership Shares, Matching Shares.

Invitations in relation to Partnership Shares may be issued and accepted at any time, unless decided otherwise by the Board.

5.3 Participation on same terms

5.3.1 be invited to participate on the same terms; and

5.3.2 for those Eligible Employees who do participate, actually participate on the same terms.

5.4 Timing of invitations

Invitations under the Plan may only be issued on any day, subject to the Board determining that there are no Dealing Restrictions, which otherwise prevent the issuing of invitations.

6. Free Shares

6.1 Number of Free Shares

Where there is an invitation to participate in an Award of Free Shares, the Board may specify that the number or value of Free Shares offered to each Eligible Employee is:

6.1.1 the same defined number or value of Free Shares; or

6.1.2 determined by reference to each Eligible Employee's:

- (i) remuneration;
- (ii) length of service; and/or
- (iii) hours worked,

in which case the same method must be used for all Awards of Free Shares on the same Award Date, and where Free Shares are awarded by reference to more than one factor set out in this rule 6.1.2, each factor will give rise to a separate entitlement to Free Shares and the total entitlement to Free Shares will be the sum of those separate entitlements; or

6.1.3 determined by reference to the performance (a "**Performance Measure**") of any designated part of the business within which an employee carries out their duties, which may be any company, section, department, unit or individual employee within the business (a "**Performance Unit**"), and either:

- (i) at least 20% of the Free Shares will be awarded without reference to a Performance Measure and in accordance with rules 5.3 (Participation on same terms) and either 6.1.1 or 6.1.2, and the remaining Free Shares will be awarded by reference to a Performance Measure, except that the highest number of Free Shares awarded to an Eligible Employee by reference to a Performance Measure will not be more than four times the highest number of Shares awarded to an Eligible Employee without reference to a Performance Measure; or
- (ii) some or all of the Free Shares will be awarded by reference to a Performance Measure, in which case the same terms must apply to all members of a Performance Unit, and Performance Measures applied to each Performance Unit must be comparable in terms of the likelihood of their being met by the Performance Units to which they apply.

6.2 Performance allowances – application

Where rule 6.1.3 applies:

- 6.2.1 rule 6.1.3(i) or 6.1.3(ii), as applicable, will be applied for all Eligible Employees who take part in the Award;
- 6.2.2 the Performance Measures, including any specific performance target, will be determined by reference to fair and objective measures, including business results or other objective criteria, over a designated period;
- 6.2.3 an Eligible Employee must not be a member of more than one Performance Unit; and

6.2.4 the Company must notify, as soon as reasonably practicable, each Eligible Employee:

- (i) to whom an offer of Free Shares is made, in general terms, of the Performance Measures to be used to determine the number or value of Free Shares to be awarded, except that the Company does not have to disclose information it reasonably considers would prejudice commercial confidentiality; and
- (ii) receiving a Free Share Award, of the Performance Measures to be used to determine the number or value of Free Shares subject to that Award, including any specific performance targets.

6.3 Free Share Agreements

6.3.1 As a condition of participating in an Award of Free Shares, the Board will decide either that:

- (i) the Eligible Employee must agree to the Award of Free Shares by completing and accepting a Free Share Agreement by a specified date (which must be prior to the Award Date but at least 14 days after the date the Free Share Agreement is issued); or
- (ii) the Eligible Employee will be deemed to have agreed to the Award of Free Shares on the terms of a Free Share Agreement unless the Eligible Employee opts out in the manner and by the date specified (which must be prior to the Award Date but at least 25 days after the date the Free Share Agreement is issued).

6.3.2 The terms of a Free Share Agreement will:

- (i) permit the Trustee to hold the Free Shares throughout the Holding Period;
- (ii) prohibit the Participant from assigning, charging or otherwise disposing of the Participant's beneficial interest in the Free Shares during the Holding Period;

The total Initial Market Value of all Free Shares awarded to an Eligible Employee in any Tax Year will not exceed the limit specified in paragraph 35(1) of Schedule 2.

6.5 Holding Period

A Holding Period of between 3 and 5 years (or such other period as may be permitted under paragraph 36(2) of Schedule 2), as decided by the Board, will apply to Free Shares commencing on the Award Date. The same Holding Period will apply to all Free Shares awarded in the same Award and cannot be increased in respect of Free Shares already awarded under the Plan.

6.6 Forfeiture Period

The Board may decide that an Award of Free Shares will be subject to a Forfeiture Period. If the Board decides that a Forfeiture Period will apply, the period will begin on the Award Date and end on such date as the Board decides. The same Forfeiture Period will apply to all Free Shares awarded in the same Award.

6.7 Forfeiture Provisions

The Board may decide that an Award of Free Shares will be subject to Forfeiture Provisions in specified circumstances or on the occurrence of specified events. In the event that Forfeiture Provisions are included in an Award, the same Forfeiture Provisions will apply to all Free Shares awarded in the same Award.

6.8 Withdrawal of Free Shares

A Participant may direct the Trustee to withdraw the Participant's Free Shares from the Plan at any time on or after the later of the expiry of the Holding Period and any Forfeiture Period, subject to the terms of the Free Share Agreement. The Trustee will then withdraw the Free Shares from the Plan as soon as practicable in accordance with the Participant's instructions.

6.9 Ceasing Relevant Employment – Free Shares

If a Participant ceases Relevant Employment, the Holding Period in respect of the Participant's Free Shares will cease to apply, the Free Shares will cease to be subject to the Plan and, as soon as practicable, they will be dealt with in accordance with the Participant's instructions.

7. Partnership Shares

7.1 Partnership Share Agreements

Where there is an invitation to participate in an Award of Partnership Shares, the Board will issue, to each Eligible Employee, a Partnership Share Agreement that must be accepted by the Eligible Employee as a condition of participating in the Award.

The Partnership Share Agreement will be given effect by deductions of Partnership Share Money from a Participant's Salary in accordance with the Partnership Share Agreement, and will:

- 7.1.1 specify if an Accumulation Period will apply and, if so:
 - (i) the date on which the first Accumulation Period begins, which must not be later than the date of the first deduction of Partnership Share Money;
 - (ii) the length of the Accumulation Period, which must not exceed 12 months;
 - (iii) the basis for calculating the number of Shares to be awarded to each Participant in accordance with rule 7.8.2;
 - (iv) if the Accumulation Period will terminate on the occurrence of a specified event, and any Accumulation Period must be the same for all Eligible Employees;
- 7.1.2 specify the amount and intervals of deductions of Partnership Share Money, in accordance with rules 7.2 (Minimum deduction) and 7.3 (Maximum deduction);

- 7.1.7 ensure that any Partnership Shares ceasing to be subject to the Plan are subject to rule 11.1 (Withholding).

7.2 Minimum deduction

The minimum amount of Partnership Share Money to be deducted on any occasion will be £10 or such other minimum amount specified in paragraph 47(2).

7.3 Maximum deduction

The maximum total deductions of Partnership Share Money for each Participant in any Tax Year will be the lesser of £1,800 and 10% of Salary or, if different, the annual limit specified in paragraphs 46(1) and 46(2) of Schedule 2.

Alternatively, the Board may specify a lower limit, which will apply to all Participants in the same Award.

7.4 Share offer limit

The Board may specify the maximum aggregate number of Shares to be included in an Award of Partnership Shares, which will apply to all Partnership Shares in the same Award.

If the Company receives applications for Partnership Shares exceeding that maximum, or it becomes clear once all deductions of Partnership Share Money have been made that the maximum will be exceeded, the number of Partnership Shares received by each Participant will be proportionately reduced.

Each affected Participant will be notified of any change in accordance with this rule:

- 7.4.1 before the first deduction of the Partnership Share Money relating to the offer, if there is no Accumulation Period; and
- 7.4.2 before the beginning of the Accumulation Period, if there is one.

Each application for Partnership Shares will be deemed to be modified or withdrawn accordingly.

7.5 Frequency of awards

The Board will decide whether Partnership Shares will be acquired at regular intervals or on a one-off basis, or both.

7.6 Deductions of Partnership Share Money

Deductions of Partnership Share Money will be transferred to the Trustee as soon as practicable, to be held by the Trustee on behalf of the Participant, until such time as it is applied by the Trustee to acquire Partnership Shares on behalf of the Participant or repaid to the Participant under any other rule of the Plan.

Any excess amounts deducted will be repaid to the Participant as soon as practicable.

7.7 Acquisition of Partnership Shares – no Accumulation Period

If no Accumulation Period applies:

- 7.7.1 within 30 days after the last date on which Partnership Share Money is deducted from a Participant's Salary, the Trustee will use it (together with any Partnership Share Money carried forward under rule 7.7.3) to acquire Partnership Shares on behalf of the Participant;

- 7.7.2 the number of Partnership Shares to be awarded to each Participant will be determined in accordance with the Initial Market Value; and
- 7.7.3 any Partnership Share Money remaining after Partnership Shares have been awarded will be paid to each Participant as soon as practicable, unless it is a term of the Partnership Share Agreement and the Participant agrees that it will be carried forward and added to the next amount of Partnership Share Money deducted from the Participant's Salary.

7.8 Acquisition of Partnership Shares – with Accumulation Period

If an Accumulation Period applies:

- 7.8.1 within 30 days after the end of the Accumulation Period, the Trustee will use the Partnership Share Money deducted in the Accumulation Period (together with any Partnership Share Money carried forward under rule 7.8.3) to acquire Partnership Shares on behalf of the Participant;
- 7.8.2 the number of Partnership Shares to be awarded to each Participant will be determined by reference to whichever of the following is specified in the Partnership Share Agreement:
 - (i) the Market Value of a Share on the first day of the Accumulation Period;
 - (ii) the Initial Market Value; or
 - (iii) the lower of the amounts determined in accordance with rules 7.8.2(i) and 7.8.2(ii); and
- 7.8.3 any Partnership Share Money remaining after Partnership Shares have been awarded will be paid to each Participant as soon as practicable, unless the Participant agrees that it will be carried forward to the next Accumulation Period.

7.9 Stopping and restarting deductions

A Participant may give notice to the Company to stop deductions of Partnership Share Money at any time. Unless a later date is specified in the notice, the Company must ensure that no further deductions are made within 30 days after it receives the notice.

A Participant who has stopped deductions of Partnership Share Money may give notice to the Company to restart deductions. Unless a later date is specified in the notice, the Company must ensure that deductions are restarted no later than the date of the first deduction due under the Partnership Share Agreement that falls more than 30 days after the Company receives the notice.

A Participant who restarts deductions in accordance with this rule may not make up any deductions that have been missed while the deductions were stopped.

Offers may be made on terms that Participants may not restart deductions more than once during any Accumulation Period.

7.10 Varying deductions

A Partnership Share Agreement may include provisions allowing the Participant to vary the amount or intervals of deductions of Partnership Share Money, subject to the limits set out in the Plan and the Partnership Share Agreement.

7.11 Withdrawal from Partnership Share Agreement

A Participant may, by notice to the Company, withdraw from a Partnership Share Agreement. Unless a later date is specified in the notice, it will take effect 30 days after the Company receives it. Any

Partnership Share Money held on behalf of a Participant at the time of withdrawal will be repaid to the Participant as soon as practicable.

A Participant may direct the Trustee to withdraw their Partnership Shares from the Plan, in which case the Trustee will withdraw them as soon as practicable in accordance with the Participant's instructions.

7.12 Ceasing Relevant Employment – Partnership Shares

If a Participant ceases Relevant Employment:

- 7.12.1 the Participant's Partnership Shares will cease to be subject to the Plan and will, as soon as practicable, be dealt with in accordance with the Participant's instructions; and
- 7.12.2 any Partnership Share Money which has not been used to acquire Partnership Shares will be transferred to the Participant as soon as practicable, including where the cessation occurs during an Accumulation Period.

7.13 Time of ceasing employment

If a Participant ceases Relevant Employment at any time during either of the following periods, the Participant will be treated as not having ceased Relevant Employment until immediately following the Partnership Shares being awarded at the end of the period:

Partnership Shares cannot be forfeited.

8. Matching Shares

8.1 Matching Shares – general

Matching Shares must be:

- 8.1.1 of the same class and carry the same rights as the Partnership Shares to which they relate;
- 8.1.2 awarded on the same day as the Partnership Shares to which they relate; and
- 8.1.3 awarded to all Eligible Employees participating in the Award of Matching Shares on exactly the same basis.

8.2 Terms in Partnership Share Agreement

If the Board decides to award Matching Shares to Eligible Employees who enter into a Partnership Share Agreement, the Partnership Share Agreement issued to each Eligible Employee will:

- 8.2.1 contain information about the number of Matching Shares that will be awarded for each Partnership Share (being not more than 2 Matching Shares for every Partnership Share or not more than such other ratio as may be permitted by paragraph 60(2) of Schedule 2);
- 8.2.2 specify the circumstances and manner in which the ratio may be changed by the Board, in accordance with rule 8.3 (Matching ratio);

The Board may alter the ratio of Matching Shares to Partnership Shares at any time. The Company must give notice of any such change to all affected Participants as soon as possible (and in any event before an Award of Partnership Shares is made under the varied terms).

8.4 Holding Period

A Holding Period of between 3 and 5 years (or such other period as may be permitted under paragraph 36(2) of Schedule 2), as decided by the Board, will apply to Matching Shares commencing on the Award Date. The same Holding Period will apply to all Matching Shares awarded in the same Award and cannot be increased in respect of Matching Shares already awarded under the Plan.

8.5 Forfeiture Period

The Board may decide that an Award of Matching Shares will be subject to a Forfeiture Period. If the Board decides that a Forfeiture Period will apply, the period will begin on the Award Date and end on such date as the Board decides. The same Forfeiture Period will apply to all Matching Shares awarded in the same Award.

8.6 Forfeiture Provisions

The Board may decide that an Award of Matching Shares will be subject to Forfeiture Provisions in specified circumstances or on the occurrence of specified events. In the event that Forfeiture Provisions are included in an Award, the same Forfeiture Provisions will apply to all Matching Shares awarded in the same Award.

8.7 Withdrawal of Matching Shares

A Participant may direct the Trustee to withdraw the Participant's Matching Shares from the Plan at any time on or after the later of the expiry of the Holding Period and any Forfeiture Period, subject to the terms of the Partnership Share Agreement. The Trustee will then withdraw the Matching Shares as soon as practicable in accordance with the Participant's instructions.

8.8 Ceasing Relevant Employment – Matching Shares

If a Participant ceases Relevant Employment, the Holding Period in respect of the Participant's Matching Shares will cease to apply, the Matching Shares will cease to be subject to the Plan and, as soon as practicable, they will be dealt with in accordance with the Participant's instructions.

9. Dividend Shares

9.1 Dividend reinvestment

The Board may at any time direct the Trustee to use some or all of the cash dividends paid in respect of Plan Shares to award Dividend Shares on behalf of:

- 9.1.1 all Participants; or
- 9.1.2 those Participants who have been invited, and elected, to reinvest their dividends.

The Board may revoke or amend this direction at any time.

Any direction given or amended under this rule 9.1 (Dividend reinvestment) must set out the amount of cash dividends to be applied in this way, or detail how the amount will be decided.

9.2 Cash dividends

Any cash dividends that are not being reinvested in Dividend Shares will be paid to Participants as soon as practicable in accordance with their holdings of Plan Shares.

9.3 Award of Dividend Shares

Where dividends are to be reinvested in Dividend Shares the Trustee will, within 30 days of receipt of the dividends, use them to acquire Dividend Shares on behalf of the Participant and, in doing so, must treat Participants fairly and equally.

Dividend Shares must be shares in the same company, of the same class and carry the same rights as the Plan Shares in respect of which the dividend is paid.

9.4 Number of Dividend Shares

The number of Dividend Shares to be awarded to each Participant will be determined in accordance with the Initial Market Value.

9.5 Terms in Free Share Agreement or Partnership Share Agreement

Where dividends are to be reinvested in Dividend Shares, the Free Share Agreement and/or Partnership Share Agreement, as appropriate, will:

- 9.5.1 permit the Trustee to hold the Dividend Shares throughout the Holding Period;
- 9.5.2 prohibit the Participant from assigning, charging or otherwise disposing of the Participant's beneficial interest in the Dividend Shares during the Holding Period; and
- 9.5.3 provide for any cash dividend amount remaining in the Trustee's hands after Dividend Shares have been awarded to be paid to the Participant as soon as practicable, unless carried forward and added to the next amount of dividends (received in respect of the Participant's Plan Shares) to be reinvested in Dividend Shares; and
- 9.5.4 ensure that any Dividend Shares ceasing to be subject to the Plan are subject to rule 11.1 (Withholding).

9.6 Holding Period

An Award of Dividend Shares will be subject to a Holding Period of 3 years (or such other period as may be permitted under paragraph 67 of Schedule 2), beginning on the Award Date.

9.7 Withdrawal of Dividend Shares

A Participant may direct the Trustee to withdraw the Participant's Dividend Shares from the Plan at any time on or after the expiry of the Holding Period, subject to the terms of the Free Share Agreement and/or Partnership Share Agreement, as appropriate. The Trustee will then withdraw the Dividend Shares from the Plan as soon as practicable in accordance with the Participant's instructions.

9.8 Ceasing Relevant Employment – Dividend Shares

If a Participant ceases Relevant Employment:

- 9.8.1 the Holding Period in respect of the Participant's Dividend Shares will cease to apply;

- 9.8.2 the Participant's Dividend Shares will cease to be subject to the Plan;
- 9.8.3 as soon as practicable, the Dividend Shares will be dealt with in accordance with the Participant's instructions; and
- 9.8.4 any dividend amounts carried forward will be transferred to the Participant as soon as practicable.

9.9 No forfeiture

Dividend Shares cannot be forfeited.

10. Corporate events

10.1 Participant directions

A Participant may, during a Holding Period, direct the Trustee to:

- 10.1.1 accept an offer for the Participant's Plan Shares which, if accepted, would result in a new holding being equated with those Plan Shares for the purposes of capital gains tax;
- 10.1.2 accept an offer of cash (with or without other assets) or a qualifying corporate bond (whether alone or with other assets or cash or both) for the Participant's Plan Shares, in each case if the offer forms part of a general offer as identified in paragraph 37(5) of Schedule 2;
- 10.1.3 agree to a transaction affecting the Participant's Plan Shares if the transaction would be entered into as a result of a compromise, arrangement or scheme which meets the requirements in paragraph 37(3) of Schedule 2; or
- 10.1.4 exercise a right to sell the Participant's Plan Shares in connection with a takeover offer in accordance with paragraph 37(8) of Schedule 2.

10.2 Transaction during an Accumulation Period

This rule applies if, during an Accumulation Period, a transaction occurs in relation to any of the Partnership Shares to be awarded under a Partnership Share Agreement. If the transaction results in a new holding of shares being equated with those Partnership Shares for the purposes of capital gains tax, the Participant may agree that the Partnership Share Agreement is to have effect after the time of the transaction as if it were an agreement for the purchase of shares in the new holding.

11. Tax

11.1 Withholding

Any Member of the Group, any employing company or the Trustee may make such withholding arrangements as it considers necessary or desirable to meet any liability for Tax (and to collect any applicable dealing and/or currency exchange costs). Withholding arrangements may include making deductions from any cash payment owed to the Participant and/or selling on behalf of the Participant some or all of the Participant's Plan Shares.

11.2 Share transfer tax

Any share transfer taxes arising on an award of Plan Shares will be payable by the Trustee (and reimbursed by the Company).

12. Terms of employment

12.1 Application

This rule 12 (Terms of employment) applies during an employee's employment and after the termination of an employee's employment, whether or not the termination is lawful.

12.2 Not part of employment contract

Nothing in the rules of the Plan or the operation of the Plan forms part of an employee's contract of employment or alters it. The rights and obligations arising from the employment or former employment relationship between the employee and the relevant Member of the Group are separate from, and are not affected by, the Plan. Participation in the Plan does not create any right to, or expectation of, employment (continued or otherwise).

12.3 No future expectation

Receiving an offer to participate in the Plan on a particular basis does not create any right to or expectation of receiving an offer on the same, or any other, basis (or at all) in the future.

12.4 Decisions and discretion

The terms of the Plan do not entitle the employee to the exercise of any discretion in the employee's favour.

12.5 No compensation

No employee has any right to compensation or damages for any loss (actual or potential) in relation to:

- 12.5.1 any loss or reduction of rights or expectations under the Plan in any circumstances (including lawful or unlawful termination of employment);
- 12.5.2 any exercise of a discretion in relation to an Award or to the Plan, or any failure to exercise a discretion; and
- 12.5.3 the operation, suspension, termination or amendment of the Plan.

- 13.1.1 any data protection policies applicable to any relevant Member of the Group; and
- 13.1.2 any applicable privacy notices.

13.2 Consents and filings

All allotments, issues and transfers of Shares will be subject to the Company's articles of association and any necessary consents or filings required in any relevant jurisdiction. The Participant will be responsible for complying with any requirements needed in order to obtain, or to avoid the necessity for, any such consents or filings.

13.3 Source of Shares

Plan Shares may be newly issued Shares, Shares transferred from treasury and/or Shares purchased in the market, except that no newly issued Shares or Shares transferred from treasury may be used for new offers of Awards made following the 10th anniversary of shareholder approval of the Plan, unless further shareholder approval is obtained.

13.4 Listing

If, and for as long as, the Shares are listed on the London Stock Exchange the Company will apply as soon as practicable for the listing and admission to trading of any Shares issued in connection with the Plan.

13.5 Notices

Any notice or other communication required under this Plan will be given in writing, which may include electronic means.

Any notice or other communication to be given to an Eligible Employee or Participant may be delivered by electronic means (including by email, through the Group's intranet or a share plan portal), personally delivered or sent by ordinary post to such address as the Board reasonably considers appropriate.

Any notice or other communication to be given to the Company or its agents may be delivered or sent to its registered office or such other place and by such means as the Board or the Company's agents may notify for this purpose.

Any notice or other communication to be given to the Trustee may be delivered by electronic means, personally delivered or sent by ordinary post to the address notified by the Trustee for this purpose.

Notices or other communications:

- 13.5.1 sent electronically will be deemed to have been received immediately (if sent during usual business hours) or at the opening of business on the next Business Day (if sent outside usual business hours);
- 13.5.2 that are personally delivered will be deemed to have been received when left at the relevant address (if left during usual business hours) or at the opening of business on the next Business Day (if left outside usual business hours); and
- 13.5.3 sent by post will be deemed to have been received 24 hours after posting to a UK address or 3 days after posting to an address outside the UK,

unless there is evidence to the contrary.

13.6 Third party rights

Except as otherwise expressly stated to the contrary, nothing in the Plan confers any benefit, right or expectation on any person other than an Eligible Employee, Participant, the Trustee or a Member of the Group. No third party has any rights under the Contracts (Rights of Third Parties) Act 1999 (or any similar legislation in an overseas jurisdiction) to enforce any rule of this Plan.

13.7 Shareholder rights

Shares issued in connection with this Plan will rank equally in all respects with the Shares in issue on that date.

Participants will only be entitled to rights attaching to Shares from the date of the allotment or transfer to them.

13.8 Bankruptcy

A Participant's Award will lapse if the Participant becomes bankrupt or enters into a compromise (or any overseas equivalent) with the Participant's creditors generally, other than where the compromise (or overseas equivalent) is entered into by the Participant voluntarily and at the Participant's complete discretion.

13.9 Not pensionable

None of the benefits that may be received under the Plan are pensionable.

14. Administration

14.1 Administration of the Plan

The Plan will be administered by the Board, which has authority to make such rules and regulations for the administration of the Plan as it considers necessary or desirable. The Board may delegate any and all of its rights and powers under the Plan.

14.2 Board decisions

All decisions of the Board in connection with the Plan and its interpretation and the terms of any Awards (including in any dispute) will be final and conclusive.

The Board will decide whether and how to exercise any discretion in the Plan. When making any decisions, the Board will act fairly and reasonably.

14.3 Dealing Restrictions

Each person will have regard to Dealing Restrictions when operating, interpreting, administering, participating in and/or taking any other action in relation to the Plan.

15. Changing the Plan and termination

15.1 General power

The Board may change the Plan in any way and at any time with the agreement of the Trustee. Any changes to the Deed must be effected by a deed.

No change to the Plan will be effective if, as a consequence, the Plan would:

15.1.1 infringe the rule against perpetuities; or

15.1.2 no longer be a Schedule 2 SIP, while it is intended to be a Schedule 2 SIP.

15.2 Shareholder approval

The Company will obtain prior approval of shareholders by ordinary resolution for any change to the Plan which is to the advantage of present or future Participants and which relates to any of the following:

15.2.1 the persons eligible to receive Shares under the Plan;

15.2.2 the total number or amount of Shares which may be issued or transferred from treasury under the Plan (and which, for the avoidance of doubt, does not include any limit in respect of existing shares acquired by market purchase shares or otherwise);

15.2.3 the maximum entitlement for any Participant (other than in connection with a change made pursuant to 15.3.2);

15.2.4 the basis for determining a Participant's entitlement to, and the terms of, Shares provided under the Plan and the rights of a Participant in the event of a capitalisation issue, rights issue or open offer, sub-division or consolidation of shares or reduction of capital or any other variation of capital of the Company; and

15.2.5 this rule 15.2 (Shareholder approval).

15.3 Shareholder approval – exceptions

The Board need not obtain shareholder approval for any changes to the Plan which are:

15.3.1 necessary to ensure the Plan complies with the SIP Code; and/or

15.3.2 minor and to:

- (i) benefit the administration of the Plan;
- (ii) comply with or take account of a change in legislation; and/or
- (iii) obtain or maintain favourable tax, exchange control or regulatory treatment of any Member of the Group or any present or future Participant.

15.4 Participant consent

If a proposed change would be to the material disadvantage of one or more Participants in respect of existing rights under the Plan, then the Board must obtain the written consent of the affected Participant(s).

15.5 Participant consent – exceptions

The Board need not obtain Participant consent for any changes which are:

15.5.1 necessary to ensure the Plan complies with the SIP Code; and/or

15.5.2 minor and to:

- (i) benefit the administration of the Plan;
- (ii) comply with or take account of a change in legislation; and/or
- (iii) obtain or maintain favourable tax, exchange control or regulatory treatment of any Member of the Group or any present or future Participant.

15.6 Notice of change

The Board will give written notice of changes to Participants whose Awards and/or Plan Shares are materially affected.

15.7 International variations

The Board may establish plans based on the Plan, but modified to take account of any local tax, exchange control or securities laws in other jurisdictions, provided that:

15.7.1 those plans are subject to the limit in rule 4 (Plan limit); and

15.7.2 no individual will be entitled to more Shares under an overseas plan than the maximum entitlement under the Plan.

15.8 Termination of the Plan

The Plan will terminate on the date the Board decides. Termination will not affect existing rights under the Plan.

If the Board resolves to terminate the Plan, the Board will ensure that a termination notice is sent without delay to:

- 15.8.1 the Trustee;
- 15.8.2 each Participant who has Plan Shares; and
- 15.8.3 each individual who has entered into a Partnership Share Agreement that was in force immediately before the termination notice was issued.

15.9 Consequences of termination

Once the Company has issued the termination notices under rule 15.8 (Termination of the Plan):

- 15.9.1 no further Shares will be awarded;
- 15.9.2 the Trustee must remove each Participant's Plan Shares from the Plan as soon as practicable after the date determined in accordance with rule 15.10 (Removal date), by either:
 - (i) transferring the Participant's Plan Shares to the Participant, or another person, in accordance with the Participant's instructions; or
 - (ii) disposing of the Participant's Plan Shares and accounting (or holding itself ready to account) for the proceeds to the Participant, or another person in accordance with the Participant's instructions; and
- 15.9.3 the Trustee must, as soon as practicable, ensure that any money held on the Participant's behalf is paid to the Participant.

15.10 Removal date

The date referred to in rule 15.9.2, is:

- 15.10.1 the later of:
 - (i) the end of a 3 month period, or such other period specified in paragraph 90(4) of Schedule 2, starting on the day the termination notices required under rule 15.8 (Termination of the Plan) are issued; or
 - (ii) the first date on which that Participant's Plan Shares may be removed from the Plan without income tax liabilities arising under sections 501 to 507 of ITEPA (*Charges connected with holding of shares / shares ceasing to be subject of plan*); or
- 15.10.2 an earlier date agreed with the Participant.

15.11 HMRC notice of termination

If HMRC issues a notice under paragraphs 81H or 81I of Schedule 2 (*Enquiries*) that the Plan is not a Schedule 2 SIP, the Trustee must, as soon as practicable after the "relevant day" (within the meaning given in paragraph 56 of Schedule 2), ensure that any money held on the Participant's behalf is paid to the Participant.

16. Governing law and jurisdiction

The laws of England and Wales govern the Plan, all Awards and all Plan Shares. The courts of England and Wales have exclusive jurisdiction in respect of any disputes arising in connection with the Plan, any Award and any Plan Shares.

- 4.2.1 by disposing of any of those Shares (or any of the Participant's other Plan Shares); or

The Trustee has the power, with the agreement of the Company:

- 4.3.1 to borrow funds to acquire Shares for the purposes of the Plan;
- 4.3.2 to deal with the Trust Fund as necessary or desirable, subject to the Trustee's obligations in relation to the Plan; and/or

- 4.6.3 act on the advice of any professional person.

If the Trustee delegates any powers or obligations in relation to the Plan, that will not relieve the Trustee of any obligation imposed on the Trustee under the Plan.

5. Plan Shares

5.1 Partnership Shares

If the Company instructs the Trustee to make an Award of Partnership Shares, the Trustee will comply with the Company's instructions.

5.2 Holding and application of Partnership Share Money

The Trustee will:

- 5.2.1 accept Partnership Share Money and hold those funds upon trust on behalf of the Participant, but will not be obliged to deposit those funds in an interest-bearing account;

Any Partnership Share Money held on a Participant's behalf will be paid over to the Participant as soon as practicable if the Participant ceases Relevant Employment, withdraws from a Partnership Share Agreement or if the Company issues a notice to terminate the Plan.

5.4 Free and Matching Shares

If the Company instructs the Trustee to make an Award of Free Shares or Matching Shares, the Trustee will comply with the Company's instructions to the extent that the Trust Fund is sufficient to do so.

5.5 Dividend Shares

If the Company or, with the agreement of the Company, a Participant instructs the Trustee to use cash dividends paid in respect of Plan Shares to award Dividend Shares, the Trustee will comply with those instructions.

5.6 Carry forward of cash dividends

To the extent that cash dividends have been retained for the purposes of awarding Dividend Shares but are not sufficient to acquire a Share, they may, with the agreement of the Participant, be carried forward by the Trustee but, in any other case, must be paid to the Participant as soon as practicable.

The Trustee:

- 5.6.1 will hold any amount of carried forward cash dividends so it is separately identifiable;

 - (ii) the Market Value of a Share used to determine the number of Partnership Shares awarded in accordance with rule 7.7 (Acquisition of Partnership Shares – no Accumulation Period) or rule 7.8 (Acquisition of Partnership Shares – with Accumulation Period); and
 - (iii) the amount of any surplus Partnership Share Money carried forward; and
- 5.7.6 in the case of any Dividend Shares:
 - (i) the Market Value of a Share used to determine the number of Dividend Shares awarded in accordance with rule 9.4 (Number of Dividend Shares); and
 - (ii) the amount of any carried forward cash dividend.

5.8 Effect of Holding Period

The Trustee will not dispose of any Free Shares, Matching Shares or Dividend Shares held on behalf of a Participant during the Holding Period, unless the Participant has at that time ceased to be in Relevant Employment or as allowed by paragraphs 37, 77, 79 and 90(5) of Schedule 2.

5.9 Participant instructions

The Trustee will only dispose of a Participant's Plan Shares and deal with any rights to be allotted other shares, securities or rights conferred in respect of a Participant's Plan Shares in accordance with directions given by or on behalf of the Participant, subject to clauses 4.2 (Power to sell Shares to pay Tax) and 5.8 (Effect of Holding Period).

6. Cash dividends – general

6.1 Foreign cash dividends

If the Trustee receives a cash dividend on Plan Shares paid by a company not resident in the UK, the Trustee will give the Participant notice of any amount of foreign tax already deducted.

6.2 Dividend waiver

Until the Company directs otherwise, the Trustee waives all rights to dividends on Unallocated Shares.

7. Entitlements

7.1 Rights issues

If the Company makes an offer conferring any rights on holders of Shares to acquire, for payment, additional shares, securities or rights, the Trustee will allocate the rights in proportion to the number of Plan Shares held on behalf of each Participant. The Trustee will not be required to exercise any rights attributable to a Participant's Plan Shares unless the Participant:

7.1.1 has paid the full amount payable (if any) for exercise of the rights; or

7.1.2 has authorised the Trustee to sell sufficient of the rights, nil paid, to pay the full amount to acquire the balance of the rights.

The Trustee will take no action in relation to the rights unless it has received instructions from the Participant at least 5 Business Days (or a later date determined by the Trustee) before the last day on which the rights may be exercised.

7.2 Other entitlements

Where new rights or securities by way of capitalisation are to be allotted in respect of Plan Shares, the Trustee will allocate the rights or securities in proportion to the number of Plan Shares held on behalf of each Participant.

The Trustee will use its best endeavours to sell any balance of rights or securities relating to Plan Shares which are not able to be allocated and will distribute the net proceeds of sale (after deducting any expenses of sale and any Tax which may be payable) among the Participants whose allocation was rounded down.

7.3 Treatment of new securities

In any circumstances in which the Trustee receives new shares, securities or rights which are deemed to be Plan Shares, the Trustee will treat them as awarded to the Participants on the Award Date(s) of the Plan Shares to which they relate.

If an allocation would give rise to a fraction of a share or security the Trustee will round that allocation down to the next whole share or security.

8. Information and accounting for tax

8.1 Requirement to maintain records

The Trustee will maintain records as may be necessary to enable it or an existing or former employing company to carry out its PAYE obligations (including under sections 510 to 514 of ITEPA (PAYE)) and will provide any information to the employing company as the Company reasonably requires.

The Trustee will also maintain records of Participants who are participating or have participated in one or more other Schedule 2 SIPs established by the Company or a Connected Company.

8.2 PAYE accounting

Unless section 511 or 514 of ITEPA (*PAYE deductions to be made by trustees*) applies, the Trustee will ensure that Participating Companies (and/or other existing or former employing companies) receive any:

- 8.2.1 amounts deducted from payments made pursuant to the Plan; and/or
- 8.2.2 any capital receipt (within the meaning in section 502 of ITEPA) that constitutes employment income in respect of PAYE withholdings,

in sufficient time for them to account for the amounts to HMRC.

8.3 Duty to notify Participants in relation to tax

The Trustee will inform each Participant of any facts relevant to determining any liability of that Participant to income tax (whether under ITEPA or Chapter 3 or Chapter 4 of Part 4 of the Income Tax (Trading and Other Income) Act 2005) or to national insurance contributions by reason of an occurrence of an event.

8.4 Trust accounts

The Trustee will prepare annual accounts of the Trust. The Company may request that annual accounts be audited by an auditor nominated or approved by the Company.

9. Appointing and removing Trustees

9.1 Number of persons

The minimum number of persons to be Trustee of the Trust will be one corporation or two individuals.

If the number of persons to be Trustee is reduced below the minimum number, the remaining persons constituting the Trustee may, with the written consent of the Company, continue to exercise all the powers of Trustee until the minimum number is appointed.

There is no limit on the number of persons that may be Trustee, but if there is more than one person, decisions will be made by a majority.

9.2 Power to appoint or remove Trustees

The Company may:

- 9.2.1 appoint new or additional persons to act as Trustee; and/or
- 9.2.2 with 90 days' written notice (or a shorter period agreed with the Trustee), remove any persons acting as Trustee.

The Company is not required to give any reason for the exercise of this power.

9.3 Retirement

If a person wishes to retire as Trustee, they may do so by giving at least 90 days' notice in writing to the Company. The Company may agree to a shorter period.

On the expiry of the notice period, the retiring Trustee will cease to be a Trustee, unless at that time there would be no person left as Trustee.

If there is no person to whom the notice could be addressed, the retiring Trustee will have the power to appoint a new person to act as Trustee upon its retirement.

9.4 Outgoing Trustee

Any outgoing Trustee may require that it is provided with reasonable security for liabilities before transferring all Trust property to the continuing or new Trustee. Security will not be provided if the liability arises in connection with the outgoing Trustee's fraud, misconduct or negligence.

An outgoing Trustee will do all things necessary to vest the Trust Fund and all other Trust property in the continuing or new Trustee.

9.5 Residence of the Trustee

The Trustee will at all times be resident in the United Kingdom for tax purposes.

10. Trustee remuneration, expenses and liability

10.1 Remuneration

A corporate Trustee will be entitled to reasonable remuneration for its services as Trustee in accordance with the terms and conditions of the service agreed with the Trustee.

A Trustee who is a solicitor or other professional will be entitled to charge and be paid for all normal professional or other charges for services provided, or time spent personally or by such Trustee's firm, in the operation of the Trust.

10.2 Indemnity

The Company will keep the Trustee and each officer or employee of any corporate Trustee fully indemnified against any actions, claims, costs, demands, expenses and liabilities to which they become liable as Trustee, unless the actions, claims, costs, demands, expenses and liabilities fall within clause 10.4 (Exclusions).

10.3 Paying expenses and liabilities

All expenses and liabilities incurred by the Trustee and each officer or employee of any corporate Trustee, in the operation of the Trust, will be met out of the Trust Fund (if the assets of the Trust Fund are sufficient) or by the Company, unless they fall within clause 10.4 (Exclusions).

10.4 Exclusions

Actions, claims, costs, demands, expenses and liabilities will not be covered if they are:

- 10.4.1 attributable to fraud, misconduct or negligence by the Trustee or an officer or employee of any corporate Trustee;
- 10.4.2 covered by insurance as described in clause 10.5 (Power to insure); or
- 10.4.3 beyond the ordinary administration and management of the Trust, unless the Company agrees.

10.5 Power to Insure

The Trustee may:

- 10.5.1 insure any of the assets of the Trust Fund against loss caused by the Trustee or any of its officers, employees, agents or delegates;
- 10.5.2 insure itself and any of its officers, employees, agents or delegates against liability for breach of trust; and
- 10.5.3 pay the premiums from the Trust Fund,

providing the insurance does not cover the fraud, misconduct or negligence of such persons.

11. Third party rights

Except as otherwise expressly stated to the contrary, nothing in this Deed confers any benefit, right or expectation on any persons other than an Eligible Employee, Participant, the Trustee or a Member of the Group. No third party has any rights under the Contracts (Rights of Third Parties) Act 1999 (or any similar local legislation in an overseas jurisdiction) to enforce any clause of this Deed.

12. Counterparts

This Deed may be executed in one or more counterparts, each of which, when executed, will be an original and together constitute one and the same instrument.

13. Irrevocability

The trusts declared in this Deed are irrevocable.

14. Termination

14.1 Termination of the Trust

The Trust will continue for a period of 80 years commencing on 29 October 2002 except where the Plan is terminated under rule 15 (Changing the Plan and termination), in which case the Trust will be wound up subject to the Trustee's compliance with that rule.

After a Plan termination notice has been issued, the Trustee will act in accordance with rule 15.9 (Consequences of termination).

14.2 Residue of Trust Fund

If any assets (including Unallocated Shares and cash) remain in the Trust Fund at a time when the Trust no longer holds any Plan Shares, those assets will, to the extent the Board directs, cease to be part of the Trust Fund. If the Board so directs, the Trustee will (after paying any expenses and liabilities of the Trustee):

14.2.1 sell any Unallocated Shares and other assets;

14.2.2 hold any cash on trust; and

14.2.3 apply the net proceeds of sale, the cash and any remaining assets not sold for the benefit of the Company and any current or former Participating Companies whose employees are Participants in such proportions, having regard to their respective contributions to the Trust Fund, as the Board directs.

15. Governing law and jurisdiction

The laws of England and Wales govern this Deed and the Trust, and the courts of England and Wales have exclusive jurisdiction in respect of any disputes arising in connection with this Deed and the Trust.

This Deed has been delivered as a deed by the parties on the above date.
