Annual General Meeting

Dear Shareholder

I am pleased to enclose the Company's Annual Report and Accounts for the year ended 31 December 2024 (Annual Report). The Board thanks all shareholders for their support over the past 12 months.

The 2025 Annual General Meeting (AGM) will be held on 1 May 2025 at 11.00am at the offices of the Company, 45 Pall Mall, London SW1Y 5JG. The Notice of Meeting for the AGM is contained in this document.

Your Board wants to ensure that all shareholders have the opportunity to vote on our resolutions and to ask questions of the Board. We recommend that all shareholders complete and return the Form of Proxy that accompanies the Notice of Meeting appointing me, as the Chair of the meeting, as their proxy. Details of how to complete and return the Form of Proxy and the address and timing for its return are contained in the notes on the Form, and at the end of this letter. We would also welcome any questions you may have to be submitted by email to IR@synthomer.com. Your Board will endeavour to provide written answers to all questions submitted and make them available ahead of the Proxy submission deadline of 29 April 2025 at 11.00 am by posting them on a dedicated 2025 Annual General Meeting page on the Investor Relations section of the Company website.

An explanation of the business to be considered at the meeting is set out on the following pages.

Ordinary business

To receive the Annual Report and Accounts (Resolution 1)

The Directors' report and the audited financial statements for the year ended 31 December 2024 will be presented.

Directors' remuneration (Resolution 2)

Resolution 2 continues the practice of an annual advisory vote to approve the Annual Report on Remuneration, which can be found on pages 98 to 100 (inclusive) of the Annual Report. The vote on the Annual Report on Remuneration is advisory and will not affect the way in which the current Policy has been implemented.

Election and re-election of Directors (Resolutions 3 to 11)

Resolutions 3 to 11 relate to the election or re-election of the Directors by shareholders. In accordance with the UK Corporate Governance Code and the Company's Articles of Association, every Director wishing to continue in office is required to stand for election or re-election at the AGM.

Biographical details of each Director can be found on pages 70 to 73 of the Annual Report.

The Board is satisfied that each of the Directors proposed for election or re-election has the appropriate balance of skills, experience, independence and knowledge of the Company to enable them to discharge the duties and responsibilities of a Director effectively. Furthermore, the Board is satisfied that each Director continues to make an effective and valuable contribution and demonstrates commitment to their role.

Re-appointment of auditors and auditors' remuneration (Resolutions 12 and 13)

Resolution 12 relates to the re-appointment of PricewaterhouseCoopers LLP (PwC) as auditors of the Company. PwC were appointed by the Board in July 2012. They were re-appointed by the Board in May 2016, and then most recently in September 2024 (in each case on the Audit Committee's recommendation, following a competitive tender process). Resolution 13 authorises the Audit Committee to set the auditors' remuneration.

Special business

In addition to the above routine business to be conducted at the AGM, shareholders' approval is being sought for the following:

Authority to allot shares (Resolution 14)

Resolution 14, which is proposed as an Ordinary Resolution, seeks shareholder approval for the Directors to be authorised to allot shares under the provisions of the Company's Articles of Association. This authority replaces all previous authorities. The Investment Association share capital management guidelines (the IA guidelines) confirm that an authority to allot up to two-thirds of the existing issued share capital continues to be regarded as routine; the Board considers it appropriate that the Directors be granted this authority.

The maximum amount of the relevant securities that the Directors will have authority to allot (the Section 551 Amount) is £1,090,450, which is approximately two-thirds of the nominal amount of the total issued share capital of the Company as at 11 March 2025 (being the latest practicable date prior to the publication of the Notice of Meeting). In accordance with the IA guidelines, one-half of that Section 551 Amount (equal to one-third of the Company's total issued share capital, as at 11 March 2025) will be applied (if at all) to fully pre-emptive rights issues only. This authority will expire at the conclusion of the next annual general meeting or, if earlier, 15 months after the passing of the resolution except insofar as commitments to allot shares have been entered into before that date.

The Directors continually assess the Company's capital management position in accordance with its strategy. This authority gives the Company greater flexibility in managing its capital resources. The Board does not currently intend to exercise this authority during the year ahead. However, the Board considers it appropriate to maintain the flexibility this authority provides. Should the Board seek to exercise this authority in the year ahead, it will only be following careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, the overall position of the Company, the effects on earnings per share and the benefits for shareholders.

Authority to disapply pre-emption rights (Resolutions 15 and 16)

Under the Companies Act 2006, the Directors may only allot shares for cash, otherwise than to existing shareholders pro-rata to their holdings, if so authorised by the shareholders in a general meeting. Resolutions 15 and 16, which are proposed as Special Resolutions, give authority to the Directors to allot and issue ordinary shares which they will be authorised to allot, pursuant to the authority conferred by Resolution 14 for cash, as though the pre-emption rights contained in Section 561 of the Companies Act 2006 did not apply to such allotment and issue. This disapplication authority, in line with institutional shareholder guidance, and, in particular, with the Pre-Emption Group's Statement of Principles (the Pre-emption Principles) revised in November 2022, is in two parts.

The Pre-emption Principles allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to be increased so that the non-pre-emptive issue of shares represents:

- (i) No more than 10% of the Company's issued share capital, whether or not in connection with an acquisition or specified capital investment (a general disapplication); and
- (ii) No more than an additional 10% of the Company's issued share capital, provided that it is intended to be used only in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding 12-month period and is disclosed in the announcement of the issue.

A further 2% of the Company's issued share capital can be issued in both cases, such authority to be used for the purposes of making a follow-on offer which the Board or the Company determines to be of a kind contemplated by Paragraph 3 of Section 2B of the Pre-emption Principles.

Resolution 15 authorises Directors to allot new shares, pursuant to the authority conferred by Resolution 14, with a nominal value in aggregate of £163,567 (that is, approximately 10% of the Company's issued share capital as at 11 March 2025) as though the pre-emption rights contained in Section 561 of the Companies Act 2006 did not apply to such allotment and issue. It also authorises the allotment of shares for cash for the purposes of a follow-on offer (as determined by the Directors to be of a kind contemplated by the Pre-emption Principles) when an allotment of shares has been made under this Resolution 15. It is limited to the allotment of shares having an aggregate nominal value of up to 20% of the nominal value of any shares allotted under this Resolution 15.

Resolution 16 provides, in accordance with the Pre-emption Principles, that to the extent the authority in Resolution 16 is used for an issue of ordinary shares with a nominal value in aggregate of £163,567 (that is, approximately 10% of the Company's issued share capital as at 11 March 2025), it will only be used in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding 12-month period and is disclosed in the announcement of the issue. It also authorises the allotment of shares for cash for the purposes of a follow-on offer (as determined by the Directors to be of a kind contemplated by the Pre-emption Principles) when an allotment of shares has been made under this Resolution 16. It is limited to the allotment of shares having an aggregate nominal value of up to 20% of the nominal value of any shares allotted under this Resolution 16.

The Directors confirm that they will follow the shareholder protections in Part 2B of the Pre-emption Principles. The Directors have no present intention of exercising the authority sought in Resolutions 15 and 16, which will expire at the conclusion of the next annual general meeting or, if earlier, 15 months after the passing of the resolutions except insofar as commitments to allot shares have been entered into before that date. Resolutions to renew the authority will be produced at each future annual general meeting.

Authority to purchase own shares (Resolution 17)

The effect of Resolution 17, which is proposed as a Special Resolution, if duly passed, will be to renew the general authority of the Company to make market purchases of its own ordinary shares. The maximum number of ordinary shares which may be purchased is 16,356,762 (representing approximately 10% of the Company's issued share capital as at 11 March 2025), at a minimum price of 1p and a maximum price of 105% of the average of the closing middle market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased (exclusive of expenses). This authority will expire at the end of the next annual general meeting or, if earlier, 15 months after the passing of Resolution 17 (except in relation to the purchase of shares, the contract for which was concluded before the expiry of such authority and which might be executed wholly or partly after such expiry).

In considering whether to use this authority, the Directors will take into account factors including the financial resources of the Company, the Company's share price and future funding opportunities. The Directors have no present intention of exercising any or all of the powers conferred by this resolution, and will only exercise this authority if they believe it would be in the best interests of the Company's shareholders generally.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares while they are held in treasury and no voting rights attach to treasury shares.

If Resolution 17 is passed, it is the Company's current intention to cancel the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

Holding of general meetings at 14 days' notice (Resolution 18)

The effect of Resolution 18, which is proposed as a Special Resolution, if duly passed, is to approve 14 days as the minimum period of notice for all general meetings other than annual general meetings. The approval will be effective until the Company's next annual general meeting, when it is intended that the approval be renewed. The Company will use this notice period when permitted to do so in accordance with the Companies Act 2006 and when the Directors consider that it is appropriate to do so.

Letter from the Chair continued

Voting arrangements

May I draw to your attention that the Company includes a 'vote withheld' option on the Proxy Form in order to reflect clearly the views of those shareholders who wish to abstain from voting on a particular resolution. You should note, however, that a 'vote withheld' is not a vote in law and will not be counted in the calculation of the votes 'For' or 'Against' a resolution.

Meeting, action to be taken and available information

The resolutions to be proposed at the AGM are set out in the Notice of Meeting contained in this document. Your Directors believe that these proposals are in your best interests and those of the Company, and recommend that you vote in favour of them. Your Directors intend to vote in favour of the resolutions in respect of their own beneficial holdings.

To be valid, any Proxy Form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, or at the electronic address provided in the Proxy Form, in each case no later than two business days before the time appointed for holding the meeting or any adjourned meeting. The return of a completed Proxy Form, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 of the notes to the Notice of Meeting) will not prevent a shareholder attending the AGM and voting in person if he/she/they wish to do so.

The terms of appointment and service contracts of the Directors will be available for inspection at the place of the AGM noted above from 15 minutes before the AGM until its end.

Yours faithfully

Notes to the Notice of Meeting

- 1 Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A Proxy Form, which may be used to make such appointment and give proxy instructions, accompanies this notice.
- 2 To be valid, any Proxy Form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY or at the electronic address provided in the Proxy Form, in each case no later than two business days before the time appointed for holding the meeting or any adjourned meeting.
- 3 The return of a completed Proxy Form, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she/they wish to do so.
- 4 Any person to whom this notice is sent, who is a person nominated under Section 146 of the Companies Act 2006 to enjoy information rights (a Nominated Person) may, under an agreement between him/her/them and the shareholder by whom he/she/they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she/they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
- 5 The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
- 6 To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), members must be registered in the Register of Members of the Company at close of business on Tuesday 29 April 2025 (or, in the event of any adjournment, on the date which is two business days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
- 7 The Company's capital consists of 163,567,621 ordinary shares with voting rights.
- 8 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 9 In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available at www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time(s) for the receipt of proxy appointments specified in Note 2. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

- 10** CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his/her/their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
- 11** The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 12** Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all its powers as a member provided that they do not do so in relation to the same shares.
- 13** Under Section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that Section have the right to require the Company to publish on a website a statement setting out any matter relating to:
- (i) The audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or
 - (ii) Any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.
- 14** Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- 15** A copy of this notice, and other information required by Section 311A of the Companies Act 2006, can be found at www.synthomer.com.
