

VersaPay Announces Stock Option Grant

Toronto, ON – November 30, 2018 – VersaPay Corporation (TSXV: VPY) ("VersaPay" or the "Company"), a leading provider of cloud-based invoicing, accounts receivable management and payment solutions, today announced the Company has granted incentive stock options to directors and officers of the Company to purchase up to 500,000 common shares in the capital stock of the Company under its share option plan. Each option entitles the holder to purchase one common share of the Company at an exercise price of \$1.19, and will expire on November 30, 2023. The options granted are subject to the approval of the TSX Venture Exchange and applicable hold and Company vesting periods.

About VersaPay

VersaPay is a Fintech company and leading provider of cloud-based invoice-to-cash solutions, enabling businesses to provide a superior customer experience, get paid faster, streamline financial operations, and dramatically reduce DSO and costs. VersaPay ARC is the new standard in accounts receivable and collections management with a customer self-service environment to view invoices online, collaborate on inquiries and disputes, and facilitate secure online payments (EFT/ACH and credit card). Businesses gain access to a suite of powerful tools that enable efficient collections, cash application and real-time insight into accounts receivable. VersaPay ARC automatically reconciles payments and account information through integrations with a wide range of ERPs and accounting software providers.

Forward Looking and Other Cautionary Statements

This news release contains "forward-looking information" which may include, but is not limited to, statements with respect to the activities, events or developments that the Company expects or anticipates will or may occur in the future. Such forward-looking information is often, but not always, identified by the use of words and phrases such as "plans," "expects," "is expected," "budget," "scheduled," "estimates," "forecasts," "intends," "anticipates," or "believes" or

variations (including negative variations) of such words and phrases, or state that certain actions, events or results “may,” “could,” “would,” “might” or “will” be taken, occur or be achieved.

These forward-looking statements, and any assumptions upon which they are based, are made in good faith and reflect our current judgment regarding the direction of our business. Management believes that these assumptions are reasonable. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include, among others, risks related to the speculative nature of the Company’s business, the Company’s formative stage of development and the Company’s financial position.

Forward-looking statements contained herein are made as of the date of this news release and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results, except as may be required by applicable securities laws. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
