WHITE CANYON URANIUM ADDS NEW UTAH BASED DIRECTOR

May 26, 2010 – Vancouver, British Columbia – Utah based uranium, White Canyon Uranium Limited (**ASX: WCU, TSX-V: WU**) ("White Canyon" or "the Company"), is pleased to welcome a Utah-resident director Mike Bynum, to the Company's board. Mike brings extensive US based legal and corporate experience, gained over 30 years.

Mike received his B.S. and J.D. degrees from the University of Colorado. He has held senior management positions, board positions and served as Managing Partner of Chrisman, Bynum & Johnson P.C., a Colorado based law firm. Mike has worked closely with emerging US corporations with a focus on developing, implementing and delivering successful growth strategies and business structures. The Board considers Mike's appointment will add considerable corporate knowledge relevant to the US market and will further facilitate the emergence of White Canyon Uranium as a significant Uranium producer in the United States of America over the coming years.

About White Canyon Uranium:

White Canyon is a US focused uranium producer holding 100% interest in the advanced Thompson, Daneros, Lark Royal, Geitus, Blue Jay and Marcy Look Projects in south-east Utah, comprising of over 12,000 acres of mining claims and mineral leases. The projects contain historically defined high grade uranium deposits, however the deposits are not JORC or 43-101 compliant.
