

Novo Completes Initial Heritage Survey at Egina Gold Project

VANCOUVER, British Columbia, Sept. 09, 2019 -- **Novo Resources Corp.** ("**Novo**" or the "**Company**") (TSX-V: NVO; OTCQX: NSRPF) is pleased to announce that the Kariyarra Aboriginal Corporation have completed a heritage survey over the entirety of tenement M47/560 and portions of tenement E47/2502. The Company's planned exploration program for all priority target areas can now continue. Novo would like to thank the Kariyarra People for progressing this heritage survey and providing the Company with the knowledge required to ensure that heritage values are protected on the ground where Novo is operating.

"It is imperative to develop productive working relationships with local native title groups," commented Mr. Rob Humphryson, the Company's CEO. "Novo's approach of being patient, open, and honest and demonstrating diligent land care practices appears to be standing us in good stead in what is developing into a very positive and sustainable working relationship with the Kariyarra People."

About Novo Resources Corp.

Novo's focus is to explore and develop gold projects in the Pilbara region of Western Australia, and Novo has built up a significant land package covering approximately 13,000 sq km with varying ownership interests.
