

**FORM 51-102F3
MATERIAL CHANGE REPORT**

Item 1: Name and Address of Reporting Issuer

Mission Ready Services Inc. (the “Company”)
Suite 804 – 750 West Pender Street
Vancouver BC V6C 2T7

Item 2: Date of Material Change

May 23, 2017.

Item 3: News Release

A news release was issued and disseminated on May 23, 2017 and filed on SEDAR (www.sedar.com).

Item 4: Summary of Material Changes

The Company announced the appointment of L.J. “Bud” Evans, Jr. (“Bud Evans”) as a member of the Company’s board of directors, effective immediately.

Item 5: Full Description of Material Change

The Company announced the appointment of Bud Evans as a member of the Company’s board of directors, effective immediately.

Mr. Evans is Founder and Chief Executive Officer of the SFI Financial Group, Inc., a boutique private equity firm that has led and participated in numerous investments in growth technology companies.

Mr. Evans is a Board Member of Pyng Medical Devices, Inc. (a trauma “saving lives in seconds” company), BioRaft (a lab safety company) and The Solution Design Group, Inc. (an airport/seaport/university capital management software company); and Virteras Materials, Inc, a “Green” recycling company. Mr. Evans was former Advisory Board Chairman of Pixel/Epsilon (homeland security and breakthrough ultrasound companies), Ex-RAD, Inc. (a radiation amelioration company), and a former Board Chairman of EOTech, Inc. (an optics sighting company) and Board Member of ART Inc. (an advanced nuclear materials company), among others.

Mr. Evans was Vice Chairman of the Board of Altarum (formerly the Environmental Research Institute of Michigan – the inventor of SAR radar and developer of numerous “black” technologies) and is Chairman of the Evans/Gilruth Foundation (a non-profit Foundation dedicated to use of aerospace technology to solve “down-to-earth” issues).

Mr. Evans was the Chairman of the White House Cabinet Council Working Committee on Technology Commercialization, a former Member of the National Research Council Applications Board, former Head of NASA Commercial Technology and former Senior Executive at the White House, NASA, the Nuclear Regulatory Commission and the ACTION Agency (Peace Corps and Vista). Mr. Evans holds a B.A. in Economics from Colby College and a J.D. from Cornell University.

Item 6: Reliance on subsection 7.1(2) or (3) of National Instrument 51-102

Not applicable.

Item 7: Omitted Information

None.

Item 8: Executive Officer
