Section 8

Item 8.01

On March 4, 2020, the U.S. Securities and Exchange Commission (the “Commission”) issued an order under Section 36 (Release No. 34-88318) of the Securities Exchange Act of 1934, as amended (“Exchange Act”), granting exemptions from specified provisions of the Exchange Act and certain rules thereunder (the “Order”). The Order provides that a registrant subject to the reporting requirements of Exchange Act Section 13(a) or 15(d), and any person required to make any filings with respect to such a registrant, is exempt from any requirement to file or furnish materials with the Commission under Exchange Act Sections 13(a), 13(f), 13(g), 14(a), 14(c), 14(f), 15(d) and Regulations 13A, Regulation 13D-G (except for those provisions mandating the filing of Schedule 13D or amendments to Schedule 13D), 14A, 14C and 15D, and Exchange Act Rules 13f-1, and 14f-1, as applicable, where

IGEN Networks Corp. (the “Company”) is furnishing this Current Report on Form 8-K to indicate its reliance on the Order in connection with the Company’s Annual Report on Form 10-K for the year ended December 31, 2019, as a result of the circumstances set forth below.

There has been a delay of information flow and confirmations for year-end audit requirements from customers, suppliers, and other stakeholders. Due to the Company’s key internal and external accounting personnel responsible for assisting the Company in the preparation of its financial statements now being required to work remotely because of COVID-19, the Company has been unable to timely provide to its auditors and accountants the financial records to provide consent. These unforeseen circumstances have resulted in the Company being unable to timely file an accurate Annual Report on Form 10-K for its year-ended December 31, 2019, by the prescribed date without undue hardship and expense to the Company. Accordingly, in reliance upon the Order, the Company expects to file its Annual Report on Form 10-K no later than 45 days after the due date of filing of March 30, 2020, unless the COVID-19 circumstances do not change and cause a further delay, in which case we will file for an extension and amendment to this Current Report on form 8-K.

Our business may suffer from the severity or longevity of the COVID-19 Global Outbreak.

The COVID-19 is currently impacting countries, communities, supply chains and markets, as well as the global financial markets. To date, COVID-19 has not had a material impact on the Company, other than as set forth above. The Company has a contract to provide its products to county governments, and it cannot predict this impact of COVID-19 on its contracts. The Company cannot predict whether COVID- 19 will have a material impact on our financial condition and results of operations due to understaffing, disruptions in government spending, among other factors. In addition, at this time we cannot predict the impact of COVID-19 on our ability to obtain financing necessary for the Company to fund its working capital requirements. In most respects, it is too early in the COVID-19 pandemic to be able to quantify or qualify the longer-term ramifications on our business, our customers and/or our potential investors.
