PRESS RELEASE

TSX-V: TUD

Tudor Gold Corp. Retains Ronald-Peter Stoeferle as Consultant

March 7, 2017 - Vancouver, British Columbia: Tudor Gold Corp. (TSX.V: TUD) (Frankfurt: TUC) (the “Company” or “Tudor Gold”) is pleased to announce it has retained the services of Mr. Ronald-Peter Stoeferle. to provide consulting advice to the Company in connection with the international gold market and the Company’s exploration and development of mineral claims in the “Golden Triangle” near Stewart BC. Mr. Stoeferle is Managing Partner and Fund Manager at Incrementum AG, based in Liechtenstein. He manages a fund that invests based on the principles of the Austrian School of Economics and is the author of the annual “In Gold We Trust” report.

Walter Storm, President and CEO of Tudor Gold, stated: "We are excited to have one of the most recognized and leading gold experts in the world join our team at Tudor Gold Corp. We are confident that Mr. Stoeferle’s expertise and market insights bring additional value to our company.”

Mr. Stoeferle stated: “I am very proud and look forward to my role as Advisor at Tudor Gold, as I know and appreciate Walter Storm and his work for more than a decade now. The management around Walter Storm and the properties in the legendary Golden Triangle next to Seabridge---the largest undeveloped gold project (based on reserves)---and Pretium Resources make Tudor Gold a most promising company in the gold space.”

About Tudor Gold

Tudor Gold is a significant explorer in British Columbia's Golden Triangle, an area which hosts multiple past-producing mines and several large deposits that are approaching potential development. The Company has a 60% interest in both the Electrum and Treaty Creek properties, and a 100% interest in the Mackie, Eskay North, Orion, Fairweather, Delta and the High North properties, all of which are located in the Golden Triangle area.

Cautionary Statements regarding Forward-Looking Information: *Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially.*

All statements including, without limitation, statements relating to the potential mineralization and geological merits of the Golden Triangle area and the Company's properties and other future plans, objectives or expectations of the Company are forward-looking statements that involve various risks and uncertain ties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's plans or expectations include risks relating to the actual results of current exploration activities, fluctuating gold prices, possibility of equipment breakdowns and delays, exploration cost overruns, availability of capital and financing, general economic, market or business conditions, regulatory changes, timeliness of government or regulatory approvals and other risks detailed herein and from time to time in the filings made by the Company with securities regulators. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise except as otherwise required by applicable securities legislation.

Note: *Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
