About The Benchmark Company Discovery Conference

The Annual Benchmark Company Discovery Conference is hosted by The Benchmark Company, a boutique investment banking firm headquartered in New York, with regional offices across the United States. Benchmark provides Research, Sales, Trading, and Investment Banking services to public and private companies, institutional and high net worth investors, and family offices. The conference is regularly attended by more than 150 institutional investors and will feature approximately 50 presenting companies.

About SNN Network

SNN Network is a multimedia financial news platform for discovery, transparency and due diligence. It is a one-stop hub to find new investment ideas and gather the most up-to-date information on the small-cap and micro-cap market.

About RESAAS Services Inc.

RESAAS is a technology platform that enables real estate brokerages, franchises and associations to bring real-time communication, new business opportunities and unique data to their agents on a global basis. Visit www.resaas.com for more information.
