TORONTO, March 31, 2016 /CNW/ - Midpoint Holdings Ltd. (the "**Company**") (TSXV: MPT) is pleased to announce that it has closed the first tranche of its previously announced private placement through the issuance of 4,807,600 units ("**Units**") at a price of \$0.10 per Unit for total gross proceeds of \$480,760 (the "**Offering**"). Each Unit is comprised of one common share (a "**Common Share**") in the capital of the Company and one-half of one Common Share purchase warrant (each whole warrant, a "**Warrant**"). Each Warrant entitles the holder thereof to purchase one Common Share for a period of twenty four (24) months from the closing of the Offering at a price of \$0.20 per Common Share, provided that if, at any time after the date that is more than four months and one day following the closing of the Offering, the Common Shares trade on a stock exchange at a volume weighted average trading price of \$0.50, or greater, per Common Share for a period of 20 consecutive trading days, the Company may accelerate the expiry date of the Warrants by giving notice to the holders thereof and in such case the Warrants will expire on the 30th day after the date on which such notice is given by the Company.

The Common Shares and the Warrants comprising the Units issued in connection with the completion of the first tranche of the Offering are subject to a hold period of four months and a day. The proceeds of the Offering will be used for general working capital purposes. The Company may complete one or more additional tranches of the Offering in the upcoming weeks.

The first tranche of the Offering constituted a related party transaction within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 ("**MI 61-101**") as insiders of the Company subscribed for an aggregate of 4,427,600 Units. The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Offering by insiders does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101. The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the first tranche of the private placement, which the Company deems reasonable in the circumstances so as to be able to avail itself of the proceeds of the private placement and complete the Offering in an expeditious manner.
