NORTHCLIFF ANNOUNCES PRESENTATION AND ATTENDANCE AT 2024 PROSPECTORS & DEVELOPERS CONFERENCE

VANCOUVER, BC, Feb. 29, 2024 /CNW/ - Northcliff Resources Ltd. ("Northcliff" or the "Company") (TSX: NCF) advises that its President & CEO Andrew Ing will be attending the Prospectors & Developers Association of Canada's 2024 Conference ("PDAC") in Toronto, Ontario from March 3-6, 2024. If you would like to meet with Andrew and hear more about the Sisson Tungsten-Molybdenum project (the "Sisson Project"), please stop by booth 2850.

The Company is also pleased to announce that Mr. Ing will be presenting at Canada's Atlantic Edge Event organized by the Atlantic Canada Mining Alliance at PDAC on March 5, 2023. To register for the event, go to https://www.eventbrite.ca/e/canadas-atlantic-edge-mining-investment-event-pdac-toronto-2024-tickets-795240344277

"Tungsten and molybdenum are listed as critical metals in Canada, and one or both are also on the list of numerous countries around the world. Northcliff's Sisson Project hosts a significant tungsten-molybdenum deposit, conveniently located in southeastern Canada, close to seaports and other infrastructure necessary to transport these critical minerals to markets," said Mr. Ing. "My presentation will focus on the potential role that the Sisson Project could take in the global supply chain for tungsten and molybdenum as well as discussing the many uses for these critical minerals, including their role in the green transition and emerging technologies such as improving the performance of lithium batteries."

About Northcliff Resources Ltd.

Northcliff is a mineral resource company focused on advancing the feasibility-stage Sisson Tungsten-Molybdenum Project located in New Brunswick, Canada, to production. Additional information on Northcliff is available on the website at www.northcliffresources.com.

On behalf of the Board of Directors
Andrew Ing
President & Chief Executive Officer

Forward-Looking Information

This news release contains forward-looking information based on current expectations. Forward-looking information is provided for the purpose of presenting information about management's current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. Forward looking information may include, without limitation, the opinions or beliefs of management, prospects, opportunities, priorities, targets, goals, ongoing objectives, milestones, strategies, and outlook of Northcliff, and includes statements about, among other things, future developments, the future operations, strengths and strategy of Northcliff. Generally, forward looking information can be identified by the use of forward looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". These statements should not be read as guarantees of future performance or results. These statements are based upon certain material factors, assumptions and analyses that were applied in drawing a conclusion or making a forecast or projection, including Northcliff's experience and perceptions of historical trends, the ability of Northcliff to maximize shareholder value, current conditions and expected future developments, as well as other factors that are believed to be reasonable in the circumstances.

Although such statements are based on management's reasonable assumptions at the date such statements are made, there can be no assurance that it will be completed on the terms described above and that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such forward-looking information. Accordingly, readers should not place undue reliance on forward-looking information. Northcliff assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by applicable law. For additional information regarding forward-looking statements and their related risks, please refer to the "Risk Factors" section in the Annual Information Form of the Company for the year ended on October 31, 2023, which is available on the Company's SEDAR+ profile at www.sedarplus.ca.
