Indigo Sky Capital Expands Business Development Team

Abbotsford, BC – April 15th, 2013 – Indigo Sky Capital Corp. ('Indigo Sky' or the 'Company') (TSX-V: IDS) is pleased to announce the addition of two senior business development professionals focused on the law enforcement sector and transit markets. Joining the team is Robert Morrison, Vice President Safety and Security Group and David Stumpo, Liaison to the Transit Market.

"With an expanded product line through our technology platform strategy, we are positioned for growth in a number of verticals. The addition of Mr. Morrison and Mr. Stumpo will add a level of expertise which will greatly assist us in executing our vertical market penetration strategy" said Doug Dymment, CEO Indigo Sky and Gatekeeper Systems Inc.

Rob Morrison, Vice President, Safety and Security Group

Recently retired RCMP Chief Superintendent, Mr. Morrison has 35 years experience in electronic surveillance, covert operations, project management as well as a deep understanding of policing, law enforcement and judicial process. Mr. Morrison will be responsible for synergizing City, County and State Law Enforcement officials with School District personnel to execute on Gatekeeper's license plate reading technology for protecting children from stop arm violators. In addition, Mr Morrison will lead the Safety and Security Group to develop new sales and business development partnerships throughout the international law enforcement community.

David Stumpo, Liaison Transit Market

Mr. Stumpo brings over 37 years experience in transit and transportation operations, maintenance, engineering, quality assurance with Bus, Rail, Cable Car, Ferry and Non-Revenue Vehicles and facility design. Mr. Stumpo is the former President /CEO of BC Coast Mountain Bus Company in Vancouver BC and has held senior management positions at Transit Authorities including San Francisco Municipal Railway, Dallas Area Rapid Transit, Southeastern Pennsylvania Transit Authority. He has also provided consultation services to New Jersey Transit Corporation, Long Beach Transit Authority and a vast number of other Transit Authorities. Mr. Stumpo will work directly with Gatekeeper's sales and business development team on strategic business development initiatives. "Gatekeeper has a proven track record developing technology for the United States Air Force and Department of Defense, Transit and Education sectors. "I look forward to assisting the Company as it expands its technology to public transportation" said David Stumpo.

The Company also announces that it has granted an aggregate of 410,000 incentive stock options to certain directors, officers, employees and consultants under the Company's 2010 Stock Options Plan.
