Gatekeeper Announces School Bus Video Upgrade and Subscriptions Contract in Florida

Abbotsford, BC – May 22, 2025 – Gatekeeper Systems Inc. ("Gatekeeper" or the "Company") (TSX-V:GSI) (OTC:GKPRF), a leader in video and data solutions for school buses, public transit and smart cities, announces that the Company has executed a contract today with Marion County Public Schools, Florida, to upgrade their entire fleet of approximately 300 school buses with new Mobile Data Collectors and video devices. The school district will also subscribe to the Company's AI-assisted video management offering for video analytics and storage. The contract is valued at approximately US\$783,000 plus approximately US\$93,000 per year in recurring subscriptions.

Doug Dymant, Gatekeeper's President and CEO commented, "Marion County Public Schools has been a valued customer for several years using Gatekeeper video on two-thirds of their fleet. This full-fleet upgrade provides new video on the remaining one-third of the fleet, as well as new wireless Mobile Data Collectors and video management software subscriptions for the entire fleet. It's an excellent testament of our Platform-as-a-Service business model, wherein our reoccurring customers can easily upgrade to our latest suite of video offerings which now include video management software subscriptions for AI-assisted school bus video analytics on a real-time, full-fleet basis."

About Gatekeeper Systems Inc.

Gatekeeper is a leading provider of intelligent video and data solutions designed to provide a safer transportation environment for children, passengers, and public safety personnel on multiple transportation modes. The Company uses AI, video analytics, and Mobile Data Collectors to interconnect public transportation assets within a Smart City ecosystem. The Company's Platform-as-a-Service (PaaS) business model is centered around wirelessly enabled Mobile Data Collectors which are the foundation of the Company's data company evolution. www.gatekeeper-systems.com
