

GATEKEEPER

Gatekeeper Adds Ontario Customer Grand River Transit

Abbotsford, BC – July 30, 2026 – Gatekeeper Systems Inc. (“Gatekeeper” or the “Company”) (TSX-V:GSI) (OTC:GKPRF), a leader in video and data solutions for protecting people in transit, is pleased to announce it is providing Grand River Transit (GRT) a video and data solution for their ION light rail trains.

Under the contract, Gatekeeper will equip fifteen ION trains with EN 50155 compliant rail recorders. ION light rail operates in Ontario, between Waterloo and Kitchener. Most of what happens in Waterloo’s tech community, the most dynamic tech ecosystem in Canada, takes place along the ION light rail line.

Doug Dymment, Gatekeeper’s President and CEO commented, “This project is a good example of how our video systems are being used to help ensure safe and efficient transit operations. Similar to our contract award with the Toronto Transit Commission for their Automated Streetcar Enforcement System pilot project, this video and data solution will be assisting Grand River Transit with safety and operational efficiency.”

About Gatekeeper Systems Inc.

Gatekeeper is a leading provider of video and data solutions for a safer transportation environment for children, passengers, and drivers on public transportation fleets. Gatekeeper has provided solutions to more than 60 transit agencies and 3,500 school districts throughout North America and has installed more than 65,000 Mobile Data Collectors for customers which record video and data daily from over 200,000 onboard devices. The Company’s hosted software applications facilitate AI-assisted video analytics for incident management and storage. The Company’s Platform-as-a-Service (PaaS) business model is centered around the Mobile Data Collectors, which are the cornerstone of its data company transformation.

Cautionary Note Regarding Forward-Looking Statements

Certain statements made in this press release that are not historical facts are forward-looking statements and are subject to important risks, uncertainties and assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from our expectations expressed in or implied by such forward-looking statements. As a result, we cannot guarantee that any forward-looking statement will materialize, and readers are cautioned not to place undue reliance on these forward-looking statements. For more exhaustive information on these risks and uncertainties, the reader should refer to the risk factors described in the management’s discussion and analysis for the period ended May 31, 2026. The forward-looking statements contained in this press release represent our expectations as of the date hereof. We disclaim any intention and assume no obligation to update or revise any forward-looking statements. Forward-looking statements are presented for the purpose of providing information about management’s current expectations and plans and allowing investors and others to obtain a better understanding of our anticipated operating environment. Readers are cautioned that such information may not be appropriate for other purposes. The Company undertakes no obligations to update or revise such statements to reflect new circumstances or unanticipated events as they occur, unless required by applicable law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
