PRUDENTIAL

11 April 2017

Dear Shareholder**Annual General Meeting of Prudential plc**

I am pleased to write to you with details of this year's Annual General Meeting (the Meeting) which is to be held in Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE at 11.00am London time (6.00pm Hong Kong/Singapore time) on Thursday 18 May 2017. The formal Notice of Meeting (the Notice) together with the explanatory notes is set out on pages 3 to 8.

This circular is being sent to shareholders, whether registered on the UK register, the Irish branch register or the Hong Kong branch register, and any person with shares of the Company standing to the credit of their securities account held with The Central Depository (Pte) Limited (CDP) in Singapore.

Whether or not you propose to attend the Meeting, please complete the enclosed Form of Proxy in accordance with the instructions printed on the form and return it to the appropriate registrar or, for holders of a CDP securities account, to CDP in the pre-paid envelope enclosed. The Form of Proxy must be received no later than 11.00am London time (6.00pm Hong Kong time) on Tuesday 16 May 2017 or, for persons holding an interest in shares through CDP on Monday 8 May 2017. Detailed instructions for completing and returning the Form of Proxy can be found in the notes on page 17.

As in previous years, we will call a poll on each resolution at the Meeting. This will ensure that we are able to engage with a greater number of shareholders by including the votes cast by shareholders who are not able to attend the Meeting in person.

Should you wish to view the 2016 Annual Report online it is available on the Company's website www.prudential.co.uk

This year, shareholders are being invited to approve the revised Directors' Remuneration Policy contained in the 2016 Annual Report on pages 135 to 150 and which sets out the Company's forward looking policy on Directors' remuneration. The current policy was approved by shareholders at the Company's Annual General Meeting on 15 May 2014. Further details are set out on page 3.

You will also note that the Company is this year seeking authority to allot mandatory convertible securities to enable the Group to issue the full range of Solvency II capital instruments. We are not, however, seeking to increase the total aggregate authority sought from shareholders to allot shares, but have decided to continue to impose an overall limit of approximately 33.3 per cent of the Company's total issued ordinary share capital across the Company's usual allotment authorities (excluding those sought in connection with employees' share schemes) and the new authorities sought in connection with the issue of mandatory convertible securities. We have decided to impose this limit in order to protect shareholders' interests and minimise any dilutive effects arising from the non-pre-emptive issue of shares.

As was the case last year, in order to ensure that the Company can continue to count its share capital in calculating its Tier 1 capital for the purposes of the Solvency II regime, Prudential will make all dividend payments as interim dividends. Interim dividends do not require shareholder approval and so no resolution is required. Prudential announced a 2016 second interim dividend of 30.57 pence per share on 14 March 2017. Details of the Company's dividends, including payment dates, can be found on our website www.prudential.co.uk and on page 19.

Recommendation

The Directors consider that all the resolutions to be put to the Meeting are in the best interests of the Company and its shareholders as a whole and unanimously recommend shareholders to vote in favour of all the proposed resolutions. The Directors intend to vote, in respect of their own beneficial holdings, in favour of all the proposed resolutions.

Yours sincerely

Paul Manduca
Chairman

Notice of Annual General Meeting 2017 and explanatory notes

Notice is hereby given that the 2017 Annual General Meeting (the Meeting) of Prudential plc (the Company), incorporated and registered in England and Wales (registered number 1397169), will be held in the Churchill Auditorium at the Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE on Thursday 18 May 2017 at 11:00am London time (6.00pm Hong Kong/Singapore time). Shareholders will be asked to consider and, if thought fit, pass the resolutions set out below.

Resolutions 1 to 23 (inclusive) and resolution 25 will be proposed as ordinary resolutions; resolution 24 and resolutions 26 to 28 (inclusive) will be proposed as special resolutions. For each ordinary resolution to be passed, more than half of the votes cast must be in favour of the resolution. For each special resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1:

TO receive and consider the Accounts for the financial year ended 31 December 2016 together with the Strategic Report, Directors' Remuneration Report, Directors' Report and the Auditor's Report on those Accounts (the Annual Report).

The formal business of the Meeting will begin with a resolution to lay before shareholders the Annual Report. Shareholders will have the opportunity to put questions about the Annual Report and other business to be conducted at the Meeting to the Directors before this resolution is voted on.

The Annual Report is available to view on the Company's website www.prudential.co.uk. Shareholders may obtain a copy from the Company's registrar, Equiniti, by calling 0371 384 2035 and quoting their shareholder reference number which can be found on each shareholder's Form of Proxy. For shareholders in Singapore, copies of the Annual Report are also available for collection from CDP.

Resolution 2:

TO approve the Directors' Remuneration Report for the year ended 31 December 2016.

As in previous years, shareholders will have the opportunity to cast an advisory vote on the Directors' remuneration report for the year ended 31 December 2016.

The Directors' remuneration report is set out in full on pages 110 to 157 of the Annual Report. The Annual Report is available to view on the Company's website www.prudential.co.uk

A summary of the current Directors' Remuneration Policy approved by shareholders in May 2014 is set out on pages 114 to 117 of the Annual Report and the full version is available on the website.

Resolution 3:

TO approve the revised Directors' Remuneration Policy.

Shareholders are invited to approve the revised Directors' Remuneration Policy contained in the 2016 Annual Report on pages 135 to 150 and which sets out the Company's forward-looking policy on Directors' remuneration. The Remuneration Committee Chairman has highlighted the key changes from the current policy adopted by shareholders in 2014 in the Chairman's statement set out in the Directors' remuneration report. The proposed changes are intended to simplify the Executive Directors' incentive arrangements, reward the delivery of the Group's longer-term strategy and strengthen the connection between Executive Directors and shareholders.

If the Directors' Remuneration Policy is approved by shareholders, it will take immediate effect and the Company will not be able to make a remuneration payment to a current or prospective Director or a payment for loss of office to a current or past Director unless that payment is consistent with the revised Directors' Remuneration Policy or has been approved by a resolution of the shareholders of the Company. If the Directors' Remuneration Policy is not approved for any reason, the Company will continue to make payments to Directors in accordance with the current Directors' Remuneration Policy which was approved at the Company's Annual General Meeting on 15 May 2014 and is available on the Company's website www.prudential.co.uk, and will seek shareholder approval for a further revised policy as soon as is practicable.

Resolutions 4 to 18:

Election and re-election of Directors

In accordance with the provisions of the UK Corporate Governance Code, all Directors appointed since the last Annual General Meeting of the Company and still on the Board will offer themselves for election and all incumbent Directors will offer themselves for re-election at the Meeting. Ann Godbehere will not stand for re-election as she will step down at the conclusion of this Meeting.

Biographical details of all Directors standing for election and re-election are included in Appendix 1 to this Notice and in the Annual Report. The Board recommends the election and re-election of all the Directors standing.

The Board, supported by the work carried out by the Nomination and Governance Committee, is actively engaged in succession planning. Board composition is regularly reviewed to ensure that the Board retains its effectiveness. In light of the work carried out over the last year and the evaluation of the effectiveness of the Board and its Committees, the Chairman considers that the performance of all of the Non-executive Directors continues to be effective and that their experience and performance meet the demands of the business in line with the strategy of the Company.

Resolution 20:

Shareholders will be asked to grant authority to the Audit Committee to determine the remuneration of KPMG LLP.

Resolution 21:

Political donations

THAT the Company, and all companies that are its subsidiaries at any time during the period for which this resolution is effective, be and are hereby generally and unconditionally authorised for the purposes of Sections 366 and 367 of the Companies Act 2006 (the 2006 Act) to make donations to political organisations other than political parties and to incur political expenditure (as such terms are defined in Sections 363 to 365 of the 2006 Act) up to a maximum aggregate sum of £50,000, as follows:

- (a) such authority shall, unless renewed, varied or revoked by the Company at a general meeting prior to such time, expire at the conclusion of the Company's 2018 Annual General Meeting; and
- (b) the Company may enter into a contract or undertaking under this authority prior to its expiry, which contract or undertaking may be performed wholly or partly after such expiry, and may make donations to political organisations other than political parties and incur political expenditure in pursuance of such contracts or undertakings as if the said authority had not expired.

The 2006 Act restricts companies from making donations to political parties, other political organisations or independent election candidates and from incurring political expenditure without shareholders' consent.

The Company has no intention of changing its current practice of not making donations to political parties or to independent election candidates and will not do so without the specific endorsement of its shareholders. However, the broad definitions used in the 2006 Act make it possible for the normal business activities of the Company, which might not be thought to be political expenditure or donations to political organisations in the usual sense, to be caught. The Company does not believe there is a material risk of it inadvertently making such donations.

In accordance with established best practice, it is the Company's intention to seek renewal of this resolution on an annual basis.

Resolution 22:

Renewal of authority to allot ordinary shares

THAT, without prejudice to any other authority conferred on the Directors by or pursuant to Article 14 of the Company's Articles of Association, the authority conferred on the Directors by Article 14 of the Company's Articles of Association to allot generally and unconditionally relevant securities be renewed in respect of equity securities (as defined in section 560(1) of the 2006 Act) for a period expiring at the earlier of 30 June 2018 and the conclusion of the Annual General Meeting of the Company to be held in 2018 and for a maximum aggregate nominal amount of:

- (A) £25,856,389 (such amount to be reduced by any allotments or grants made under paragraph (B) in an aggregate nominal amount exceeding £17,194,499 and/or any allotments or grants made under resolution 25, if passed, so that in total no more than: (i) £25,856,389 can be allotted under this paragraph (A) and, if passed, resolution 25; and (ii) £43,050,888 can be allotted under paragraphs (A) and (B) of resolution 22 and, if passed, resolution 25);

- (B) £43,050,888 (such amount to be reduced by any allotments or grants made under paragraph (A) of this resolution 22 and/or resolution 25, if passed, so that in total no more than £43,050,888 can be allotted under paragraphs (A) and (B) of resolution 22 and, if passed, resolution 25) in connection with an offer or invitation:

- (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (ii) to holders of other equity securities as required by the rights of those securities or as the Board otherwise considers necessary,

and so that the Board may impose any limits or restrictions and make any arrangements which it considers necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

- (C) the amount allotted pursuant to the terms of any share scheme of the Company or any of its subsidiary undertakings adopted prior to or on the date of this Meeting.

At last year's Annual General Meeting, shareholders renewed a resolution giving the Directors authority to allot ordinary shares or grant rights to subscribe for or convert any security into shares in the Company (referred to collectively as 'Allotments'). That authority will expire at the conclusion of this year's Meeting. Accordingly, the Notice includes a resolution to renew this authority.

This authority will give the Directors flexibility to issue shares where they believe it is for the benefit of shareholders to do so. The Directors have no immediate plans to make use of this authority. This renewed authority complies with UK institutional investment guidelines and will expire at the earlier of 30 June 2018 and the conclusion of the 2018 Annual General Meeting.

This resolution needs to comply with the requirements of the HKLR as a result of the Company's listing on the Hong Kong Stock Exchange. As a consequence, paragraphs (A) and (B) of resolution 22 relate to different tranches of the Company's issued ordinary share capital which, when taken together, cover an aggregate nominal amount equal to £43,050,888 representing approximately 861,017,771 ordinary shares. This amount is approximately 33.3 per cent of the total issued ordinary share capital of the Company as at 4 April 2017, the latest practicable date prior to publication of this Notice, which is also in line with guidance issued by the Investment Association.

The Company is separately seeking authority in resolution 25 to allot ordinary shares or grant rights to subscribe for or to convert or exchange any security into shares in the Company in connection with the issue of mandatory convertible securities ('MCS'). To protect shareholders' interests and minimise any dilutive effects arising from the non-pre-emptive issue of shares, the total amount of Allotments which may be made under paragraphs (A) and (B) of resolution 22 and, if passed, resolution 25, will, when taken together, cover an aggregate nominal amount equal to £43,050,888 representing approximately 861,017,771 ordinary shares (the 'Allotment Limit'). The Allotment Limit is equal to approximately 33.3 per cent of the total issued ordinary share capital of the Company as at 4 April 2017, the latest practicable date prior to publication of this Notice. Further information on what MCS are, and why authority is sought to enable the Company to issue them, is included in the explanatory notes to resolution 25 and in Appendix 2 to this Notice.

Paragraph (A) of resolution 22 authorises the Directors to make Allotments of an aggregate nominal amount equal to £25,856,389 (representing approximately 517,127,790 ordinary shares in the Company). This amount, which is the maximum proportion of share capital Directors may allot without pre-emption under the HKLR, represents approximately 20 per cent of the total issued ordinary share capital as at 4 April 2017. This authority will be reduced by (i) the amount of any allotments or grants made under paragraph (B) of resolution 22 in an aggregate nominal amount exceeding

£17,194,499, and/or (ii) the amount of any allotments or grants made under resolution 25, if passed, to ensure that the total amount of Allotments which may be made under paragraph (A) and, if passed, resolution 25 does not exceed 20 per cent of the total issued ordinary share capital of the Company and that the total amount of Allotments which may be made under paragraphs (A) and (B) of resolution 22 and, if passed, resolution 25, does not exceed the Allotment Limit.

Paragraph (B) of resolution 22 authorises the Directors to make Allotments of an aggregate nominal amount equal to £43,050,888 (representing approximately 861,017,771 ordinary shares in the Company) in connection with offers to ordinary shareholders or holders of other equity securities. This amount exceeds the 20 per cent authority in paragraph (A) of resolution 22 and resolution 25 by approximately 13 percentage points, which is in line with guidance issued by the Investment Association. This authority will be reduced by (i) the amount of any allotments or grants made under paragraph (A) of resolution 22 and/or (ii) the amount of any allotments or grants made under resolution 25, if passed, to ensure that the total amount of Allotments which may be made under paragraphs (A) and (B) of resolution 22 and, if passed, resolution 25, does not exceed the Allotment Limit. The restrictions detailed in paragraph (B) (i) and (ii) of resolution 22 are proposed in order to comply with the HKLR which do not permit the Directors to make Allotments on a non-pre-emptive basis in excess of the respective 20 per cent thresholds in paragraph (A) of resolution 22 and resolution 25.

The Directors would not expect to make use of the authorities in paragraph (A) or (B) of resolution 22 to make Allotments in connection with MCS.

Paragraph (C) of resolution 22 seeks authority from shareholders under the HKLR for the Directors to make Allotments pursuant to the Company's share schemes or those of its subsidiary undertakings. The Directors intend to use the authorities sought under paragraph (C) of resolution 22 following the exercise of options and awards under the Company's share schemes adopted prior to or on the date of the Meeting.

Resolution 23:

Extension of authority to allot ordinary shares to include repurchased shares

THAT the authority granted to the Directors to allot relevant securities up to a total nominal value of £25,856,389 pursuant to paragraph (A) of resolution 22 set out above be extended by the addition of such number of ordinary shares of five pence each representing the nominal amount of the Company's share capital repurchased by the Company under the authority granted pursuant to resolution 27 set out below, to the extent that such extension would not result in the authority to allot shares or grant rights to subscribe for or convert securities into shares pursuant to resolution 22 exceeding £43,050,888.

As permitted by the HKLR, resolution 23 seeks to extend the Directors' authority to allot shares and grant rights to subscribe for or convert any security into shares pursuant to paragraph (A) of resolution 22 to include the shares repurchased by the Company under the authority to be sought by resolution 27.

Resolution 24:

Renewal of authority for disapplication of pre-emption rights

THAT without prejudice to any other authority conferred on the Directors by or pursuant to Article 15 of the Company's Articles of Association, the Directors be and are hereby authorised to allot equity securities (as defined in Section 560(1) of the 2006 Act) for cash pursuant to the power conferred on the Directors by Article 15 of the Company's Articles of Association and/or to sell any ordinary shares held by the Company as treasury shares for cash as if Section 561 of that Act did not apply to such allotment or sale for a period expiring at the earlier of 30 June 2018 and the conclusion of the Annual General Meeting of the Company to be held in 2018 and provided that (without prejudice to resolution 26) the maximum aggregate nominal amount of equity securities that may be allotted or sold pursuant to the authority under Article 15(b) in respect of any allotment of equity securities under the authority conferred on the Directors by resolution 22 or a sale of ordinary shares held by the Company as treasury shares for cash is £6,464,097.

Notice of Annual General Meeting 2017 and explanatory notes

Continued

At last year's Annual General Meeting, shareholders passed a special resolution giving the Directors authority to allot equity securities for cash without first being required to offer such securities to existing shareholders in proportion to their existing holdings, by the limited disapplication of Section 561 of the 2006 Act. That power will expire at the conclusion of this year's Meeting. Accordingly, the Notice includes a resolution to renew this authority.

This authority only extends (apart from pre-emptive issues) to the issue of equity securities, including the sale of any ordinary shares held in treasury in accordance with the provisions of Chapter 6 of Part 18 of the 2006 Act. As at 4 April 2017 the Company held no treasury shares.

The authority is sought for a maximum nominal value of £6,464,097 representing approximately 129,281,947 ordinary shares in the Company, which is approximately 5 per cent of the total issued ordinary share capital of the Company as at 4 April 2017. As regards rights issues and other pre-emptive issues, the Directors believe the mechanics and delay of the procedure under Section 561 are unduly restrictive and are therefore also seeking continuation of its disapplication in these circumstances. This renewed authority complies with UK institutional investment guidelines and will expire at the earlier of 30 June 2018 and the conclusion of the 2018 Annual General Meeting.

The Directors confirm their current intention to adhere to the Principles of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities to allot equity securities for cash without offering them first to existing shareholders. These principles provide that usage in excess of 7.5 per cent of the Company's ordinary share capital within a rolling three year period should not take place, other than to existing shareholders, without prior consultation with shareholders. The Company confirms that its use of such authorities has not exceeded this 7.5 per cent limit over the last three years.

Resolution 25:

Authority to issue mandatory convertible securities ('MCS')

THAT without prejudice to any other authority conferred on the Directors by or pursuant to Article 14 of the Company's Articles of Association, the authority conferred on the Directors by Article 14 of the Company's Articles of Association to allot generally and unconditionally relevant securities be granted in relation to any issue by the Company or any subsidiary or subsidiary undertaking of the Company (together, the Group) of MCS that automatically convert into, or are exchanged for, ordinary shares in the Company in prescribed circumstances, where the Directors consider that such an issuance of MCS would be desirable in connection with, or for the purposes of, complying with or maintaining compliance with the regulatory capital requirements or targets applicable to the Company or to the Group from time to time:

- (A) for a maximum aggregate nominal amount of £25,856,389 (such amount to be reduced by any allotments or grants made under paragraph (B) of resolution 22 in an aggregate nominal amount exceeding £17,194,499 and/or any allotments made under paragraph (A) of resolution 22, so that in total no more than: (i) £25,856,389 can be allotted under paragraph (A) of resolution 22 and this resolution 25; and (ii) no more than £43,050,888 can be allotted under paragraphs (A) and (B) of resolution 22 and this resolution 25); and
- (B) subject to applicable law and regulation, at such conversion prices (or such maximum or minimum conversion price methodologies) as may be determined by the Directors from time to time.

The Company is seeking authority to allot ordinary shares or grant rights to subscribe for or to convert or exchange any security into shares in the Company in connection with the issue of MCS.

The Directors believe it is in the best interests of the Company to have the flexibility to issue MCS from time to time and the authority sought may be used if, in the opinion of the Directors at the relevant time, such an issuance of MCS would be desirable, including in connection with, or for the purposes of, complying with or maintaining compliance with, regulatory capital requirements or targets applicable to the Company or to the Group from time to time. The Directors have no immediate plans to make use of this authority.

This authority is limited to shares representing approximately 20 per cent of the issued ordinary share capital of the Company as at 4 April 2017, the latest practicable date prior to publication of this Notice.

As set out in the explanatory notes to resolution 22, the total amount of Allotments which may be made under paragraphs (A) and (B) of resolution 22 and, if passed, this resolution 25, will, when taken together, cover an aggregate nominal amount equal to the Allotment Limit. The Allotment Limit is equal to approximately 33.3 per cent of the total issued ordinary share capital of the Company as at 4 April 2017, the latest practicable date prior to publication of this Notice.

Further information on what MCS are, and why authority is sought to enable the Company to issue them, is included in Appendix 2 to this Notice, including details of the waiver obtained from the Hong Kong Stock Exchange on 24 February 2017.

The authority in this resolution will expire at the earlier of 30 June 2018 and the conclusion of the 2018 Annual General Meeting.

Resolution 26:

Authority for disapplication of pre-emption rights in connection with the issue of MCS

THAT without prejudice to any other authority conferred on the Directors by or pursuant to Article 15 of the Company's Articles of Association, the Directors be and are hereby authorised to allot equity securities (as defined in Section 560(1) of the 2006 Act) for cash pursuant to the power conferred on the Directors by Article 15 of the Company's Articles of Association as if Section 561 of that Act did not apply to such allotment or sale for a period expiring at the earlier of 30 June 2018 and the conclusion of the Annual General Meeting of the Company to be held in 2018 and provided that (without prejudice to resolution 24) the maximum aggregate nominal amount of equity securities that may be allotted pursuant to the authority under Article 15(b) in respect of any allotment of equity securities in connection with the issuance of MCS under the authority conferred on the Directors by resolution 25 for cash is £25,856,389.

Upon the occurrence of designated trigger events, any MCS issued will convert into, or be exchanged for, ordinary shares in the Company. Accordingly, this resolution seeks authority from shareholders for the Directors to make Allotments in connection with an issuance of MCS, or upon conversion or exchange of MCS, without first being required to offer such securities to existing shareholders in proportion to their existing holdings, by the limited disapplication of Section 561 of the 2006 Act. Further details on the reasons for, and the scope of, the authority sought are set out in the notes to resolution 25 above.

In the event that any MCS issued were to convert into ordinary shares in the Company, it is possible that the Directors would be required to allot in excess of 7.5 per cent of the Company's share capital within a rolling three-year period at such time, which would exceed the limit provided by the Principles of the Pre-Emption Group's Statement of Principles regarding the cumulative usage of authorities to allot (without prior consultation with shareholders) equity securities for cash without offering them first to existing shareholders.

Further information on the MCS is included in Appendix 2 to this Notice.

The authority in this resolution will expire at the earlier of 30 June 2018 and the conclusion of the 2018 Annual General Meeting.

Resolution 27:

Renewal of authority for purchase of own shares

THAT the Company be and is hereby generally and unconditionally authorised, in accordance with Section 701 of the 2006 Act, to make one or more market purchases (within the meaning of Section 693(4) of the 2006 Act) of its ordinary shares in the capital of the Company, provided that:

- (A) Such authority be limited:
- (i) to a maximum aggregate number of 258,563,895 ordinary shares;
 - (ii) by the condition that the minimum price which may be paid for each ordinary share is five pence and the maximum price which may be paid for an ordinary share is the highest of:
 - (a) an amount equal to 105 per cent of the average of the middle market quotations for an ordinary share as derived from the Daily Official List of the London Stock Exchange for the five business days immediately preceding the day on which the share is contracted to be purchased; and
 - (b) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out, in each case exclusive of expenses;
- (B) Such authority shall, unless renewed, varied or revoked prior to such time, expire at the earlier of 30 June 2018 and the conclusion of the Annual General Meeting of the Company to be held in 2018, save that the Company may before such expiry make a contract or contracts to purchase ordinary shares under the authority hereby conferred which would or may be executed wholly or partly after the expiry of such authority and may make a purchase of ordinary shares

in pursuance of any such contract or contracts as if the power conferred hereby had not expired; and

- (C) All ordinary shares purchased pursuant to said authority shall be either:
- i. cancelled immediately upon completion of the purchase; or
 - ii. held, sold, transferred or otherwise dealt with as treasury shares in accordance with the provisions of the 2006 Act.

The Directors consider that there may be circumstances in which it would be desirable for the Company to purchase its own shares in the market. Although the Directors have no immediate plans to make such purchases, they would like to be able to act if circumstances arose in which they considered such purchases to be desirable. Purchases would only be made if their effect would be to increase earnings per share and they would be for the benefit of shareholders generally. No purchases of shares would be conducted on the Hong Kong Stock Exchange.

Accordingly, this resolution is proposed to authorise the Company to make market purchases of its ordinary shares up to a maximum nominal value of £12,928,194, representing 258,563,895 ordinary shares which is approximately 10 per cent of the Company's issued share capital as at 4 April 2017, at prices not lower than five pence per ordinary share and not exceeding the highest of (i) 105 per cent of the average middle-market value of an ordinary share for the five business days preceding the date of purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out.

The Company may retain any shares it purchases as treasury shares with a view to possible reissue at a future date or may cancel the shares. If the Company were to purchase any of its own ordinary shares it would consider holding them as treasury shares pursuant to the authority conferred by this resolution. This would enable the Company to reissue such shares quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base. The Directors have no immediate plans to exercise this authority which will expire at the earlier of 30 June 2018 and the conclusion of the 2018 Annual General Meeting.

A waiver from strict compliance with Rule 10.06(5) of the HKLR was granted by the Hong Kong Stock Exchange on 4 May 2010 (and updated on 24 February 2016). Under Rule 10.06(5) of the HKLR, the listing of all shares which are purchased by the Company shall automatically be cancelled upon purchase and the Company must apply for listing of any further issues in the normal way. As a consequence of this waiver, Rule 10.06(5) of the HKLR has been amended such that shares purchased by the Company to hold as treasury shares will remain listed and the listing will not be suspended or cancelled and any subsequent sale of such treasury shares or transfer of such treasury shares pursuant to an employees' share scheme, for example, shall not, for the purposes of the HKLR, constitute a new issue of shares and shall not require a new listing application to be made.

The Company has options and awards outstanding over 28,988,846 ordinary shares, representing 1.12 per cent of the Company's ordinary issued share capital as at 4 April 2017 (the latest practicable date prior to the publication of this Notice). If the existing authority given at the 2016 Annual General Meeting and the authority sought by this resolution 27 were to be fully used these outstanding options and awards would represent 1.40 per cent of the Company's ordinary issued share capital at that date.

Resolution 28:

Notice for general meetings

THAT a general meeting other than an Annual General Meeting may be called on not less than 14 clear days' notice.

Prior to the Companies (Shareholders' Rights) Regulations 2009, the Company was able to call general meetings, other than its Annual General Meeting, on 14 clear days' notice without obtaining shareholder approval. Approval for a shorter notice period was sought and received from shareholders at the last Annual General Meeting and to preserve this ability, resolution 28 seeks renewal of the approval for a notice period of 14 days to apply to general meetings. The shorter notice period will not be used as a matter of routine but only where flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. If used, an electronic voting facility will be provided.

Annual General Meetings will continue to be held on at least 21 clear days' notice.

The approval will be effective until the Company's 2018 Annual General Meeting when it is intended that a similar resolution will be proposed.

Appendix 2: Further information on mandatory convertible securities (MCS)

Background to MCS

Together with other European insurers, the Company is subject to the Solvency II regulatory framework which entered into force on 1 January 2016. Under Solvency II, at least half of the Company's overall capital requirements may only be met with Tier 1 Capital, including share capital, retained profits and, for up to 20 per cent of Tier 1 Capital, by other items including bonds that are written-down, or, in the case of MCS, bonds that are converted into ordinary shares in the event that the Company's capital position falls below defined levels.

Why authority is being sought to issue MCS

Shareholder approval is sought (i) in resolution 25 to enable the issuance of MCS (and to authorise ordinary shares to be issued on conversion of MCS) and (ii) in resolution 26 to enable the issuance of MCS on a non-pre-emptive basis to provide flexibility to the Group to maintain an appropriate and efficient capital structure under Solvency II. The flexibility to issue MCS will enable the Group to issue the full range of Solvency II capital instruments, with a view to ensuring that the Group is strongly capitalised, with sufficient capital available to both fund new growth opportunities and absorb the effects of unexpected market shocks.

The authorities sought have been set at a level to provide sufficient flexibility to the Group to manage its capital structure efficiently in light of evolving regulatory requirements and market appetite for this form of capital instrument, as well as the maximum amount of MCS which the Group could use to satisfy its capital requirements.

Potential benefits of issuing MCS

Satisfying the Group's Tier 1 Capital requirements in part through the issue of MCS is expected to be a cost effective means of raising capital and therefore enable the Group to reduce its overall cost of capital. This is, in turn, expected to be more beneficial for existing ordinary shareholders than if the Group were to satisfy its Tier 1 Capital requirements through the issue of ordinary shares or the retention of profits alone. This is consistent with the Group's aim to ensure capital efficient profits and cash generation for the Group.

Conversion of MCS into ordinary shares

Any MCS issued by the Group will automatically convert into new ordinary shares in the Company upon the occurrence of predefined trigger events. The holders of MCS will have no right to require the conversion of the MCS into ordinary shares in any other circumstances.

Under Solvency II, the terms of any MCS must provide for automatic conversion to occur if, broadly, the amount of capital held by the Group falls below 75 per cent of its capital requirements, if the Group fails to comply with its capital requirements for a continuous period of three months or more, or if the Group fails to comply with other minimum capital requirements applicable to it. If thought appropriate, the Directors may also issue MCS that include terms providing for automatic conversion to occur in other defined circumstances.

The terms and conditions of any MCS issued will specify a conversion price or a mechanism for setting a conversion price, which is the rate at which the MCS will be exchanged into ordinary shares in the Company.

The resolutions enable the Directors to set the specific terms and conditions of the MCS (including a conversion price or mechanism for setting a conversion price) after considering market conditions at the time of issuance. This conversion price (or the conversion price set through the application of a predetermined mechanism) may be at a significant discount to the prevailing market price of the shares at the time of issue of the MCS, to reflect the fact that the MCS would only be expected to be converted into ordinary shares in the Company in stressed scenarios. The extent of the discount will be determined in consultation with the Prudential Regulation Authority (PRA) and taking into account prevailing market convention.

The Group may, if permitted by law and regulation and if considered appropriate at the relevant time, issue MCS that include in their terms and conditions a mechanism through which the Group may elect to give existing ordinary shareholders the opportunity to purchase the ordinary shares issued on conversion of the MCS in proportion to their existing shareholdings in the Company (subject to legal, regulatory or practical restrictions).

Options available to the Group prior to the occurrence of a trigger event under the MCS

If the Group's capital position were to deteriorate, a number of steps are available to the Group to improve its capital position before the occurrence of a trigger event resulting in conversion of any MCS issued into ordinary shares in the Company. The Directors can be expected to take such steps in accordance with the Group Recovery Plan, which could include reducing the Group's liabilities or raising extra share capital from investors by way of a rights issue. If the Company were, in future, to launch a rights issue, the Company's existing ordinary shareholders would be offered the opportunity to acquire new ordinary shares in proportion to their existing shareholding.

Reasons for seeking a specific mandate to issue MCS

The Company is seeking a specific mandate to enable it to issue MCS, which may only be used for the purposes of issuing MCS (for example, the Company could not rely on the mandate to issue ordinary shares or securities convertible into ordinary shares which are not intended to qualify as regulatory capital under Solvency II).

Through seeking a specific mandate, the Company intends to provide greater certainty for shareholders as to the purposes for which the Company may seek to issue MCS, whilst preserving flexibility for the Company by retaining a general mandate for other purposes (for example, to offer shares as consideration for an acquisition).

For these reasons, the Company would not seek to rely on the general mandate under resolution 22 in connection with the issue of MCS.

The Company believes it would not be practical to obtain a specific mandate from shareholders to issue MCS only when the need arises, primarily due to the time it would take to prepare the relevant circular to shareholders, obtain pre-clearance for the circular from the authorities, and then print and despatch the relevant circular to shareholders convening the general meeting to seek shareholder approval. For the reasons set out above, the Company believes that the ability to issue MCS offers a number of benefits, and having a pre-approved mandate will enable the Company to act on a timely basis to issue MCS when market conditions are conducive to launching the issue.

Basis on which the size of the specific mandate to issue MCS has been calculated

The size of specific mandate to issue MCS has been calculated based on the Group's anticipated capital requirements to provide flexibility to the Group to maintain an appropriate and efficient capital structure under Solvency II. In particular, the size of the specific mandate has been calculated based on internal modelling to provide flexibility to the Group to issue MCS up to the maximum amount eligible to meet the Company's Tier 1 Capital requirements under Solvency II (with appropriate haircuts to reflect the volatility of the Group's MCS capacity). For this purpose, the Company has assumed that the maximum conversion price discount applicable to the MCS would be 60 per cent of the Company's prevailing share price at the time of issuance.

As noted above, the resolutions enable the Directors to set the specific terms and conditions of the MCS, including the conversion price, after considering market conditions at the time of issuance. Any conversion price discount of the MCS will be determined in consultation with the PRA and taking into account prevailing market convention.

Hong Kong Stock Exchange waiver

Under Rule 13.36(1) of the HKLR, the directors of a company must obtain the consent of shareholders in a general meeting prior to allotting or issuing shares or securities convertible into shares except as set out under Rule 13.36(2)(b). Rule 13.36(2)(b) of the HKLR allows the Directors to seek a general mandate from shareholders to allot or issue shares on a non-pre-emptive basis. As explained above, the Company is seeking this specific mandate from shareholders in addition to the general mandate under Rule 13.36(2)(b) of the HKLR for the sole purpose of issuing MCS. This specific mandate would require a dispensation from Rule 13.36(1) of the HKLR. The Company has therefore applied for, and the Hong Kong Stock Exchange has granted on 24 February 2017, a waiver from compliance with Rule 13.36(1) to allow the Directors to seek the authorities under resolution 25 and resolution 26 in relation to issuing MCS subject to the limits set out in that resolution.

As noted in the Company's announcement dated 11 April 2017, the Hong Kong Stock Exchange has granted to the Company a waiver from strict compliance with Rule 13.36(1) of the Listing Rules to allow it to seek the specific mandate which, if approved by shareholders, would continue in force until:

- (i) the earlier of (a) 30 June 2018; and (b) the conclusion of the first AGM of the Company following the date on which the specific mandate is approved, at which time the specific mandate shall lapse unless it is renewed; or
- (ii) such time as it is revoked or varied by ordinary resolution of the shareholders in general meeting.

Shareholders who hold their shares on the Irish branch register should return their completed proxies to Capita Asset Services Shareholder solutions (Ireland), PO Box 7117, Dublin 2, Ireland or by hand (during normal business hours) to Capita Asset Services Shareholder solutions (Ireland), 2 Grand Canal Square, Dublin 2, Ireland so as to be received no later than 11.00am London time on Tuesday 16 May 2017. Any person holding an interest in shares through CDP must submit the completed Form of Proxy to CDP, and should note that CDP must receive voting instructions by 5.00pm Singapore time on Monday 8 May 2017 to allow it to collate voting instructions for onward transmission to Computershare Hong Kong, the Hong Kong branch registrar, by the deadline above.
5. The return of a completed Form of Proxy, other such instrument or any CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a shareholder attending the Meeting and voting in person if he/she wishes to do so.
6. Any person to whom this Notice is sent who is a person nominated under Section 146 of the 2006 Act to enjoy information rights (a nominated person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Meeting. If a nominated person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 to 4 above does not apply to nominated persons. The rights described in these paragraphs can only be exercised by registered shareholders of the Company.
8. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered on the Company's main UK share register, Hong Kong branch register or Irish branch register as at 6.30pm London time on Tuesday 16 May 2017 (1.30am Hong Kong time on Wednesday 17 May 2017) (or, in the event of any adjournment, 6.30pm London time two days prior to the adjourned meeting. Any person holding an interest in shares through CDP must be registered on CDP's register as at 5.00pm Singapore time on Monday 8 May 2017 or, in the event of an adjournment, 5.00pm Singapore time nine days prior to the adjourned meeting). The earlier CDP deadline is to allow sufficient time for a person holding an interest in shares through CDP to obtain authorisation to act as a proxy or representative of HKSCC Nominees Limited, in whose name the shares are registered, at the Meeting. Changes to the Company's share registers after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
9. As at 4 April 2017 (being the latest practicable day prior to the publication of this Notice) the Company's issued share capital consists of 2,585,638,954 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 4 April 2017 were 2,585,638,954. The Company does not hold any shares in treasury.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 11.00am London time on Tuesday 16 May 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
14. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
15. Any corporation which is a member may appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
16. Under Section 527 of the 2006 Act members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the 2006 Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under Section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.
17. Any member or their proxy attending the Meeting in person or by proxy has the right to ask questions. The Company must provide an answer to any such question relating to the business being dealt with at the Meeting but no such answer need be given if (i) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (ii) the answer has already been given on a website in the form of an answer to a question, or (iii) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
18. A copy of this Notice and other information required by Section 311A of the 2006 Act, may be found at www.prudential.co.uk/investors/shareholder-centre/agm-information/2017
19. The Company will continue its practice of calling a poll on all resolutions at the Meeting. The provisional voting results, which will include all votes cast for and against each resolution at the Meeting, and all proxies lodged prior to the Meeting, which will include votes cast for and against each resolution, will be announced at the Meeting and published on the Company's website as soon as practicable after the Meeting. The Company will also disclose the number of votes withheld at the Meeting and on its website. This practice provides shareholders present with sufficient information regarding the level of support and opposition to each resolution and ensures all votes cast either at the Meeting or through proxies are included in the result.
20. You may not use any electronic address provided either in this Notice of Meeting or any related documents (including the Chairman's letter and Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
