Notice-and-Access is a set of rules that allows issuers to post electronic versions of meeting materials, including circulars and annual financial statements, online rather than mailing paper copies of such meeting materials to Shareholders. Electronic copies of the Circular, the Annual Financial Statements and management's discussion and analysis for the year ended December 31, 2024, may be found on SEDAR+ at www.sedarplus.ca and also on the Corporation's investor relations website at <https://corp.cineplex.com/investors/reports-filings>.

Utilizing Notice-and-Access directly benefits the Corporation through a reduction in both postage and printing costs, and also promotes environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials; it also provides Shareholders with faster access to information about the Corporation.

Shareholders may contact the Corporation's General Counsel (tel: (416) 323-6691 or email: annualmeeting@cinplex.com), with questions about Notice-and-Access or to obtain paper copies, free of charge, of the Circular and the Annual Financial Statements. Requests should be received by May 5, 2025 in order to receive the Circular and Annual Financial Statements in advance of the proxy voting deadline.

Welcome to the Cineplex Inc. Annual and Special Meeting of Shareholders

Letter from the Chair of the Board

Dear fellow Shareholders,

It is my pleasure to write to you as Chair of the Board of Directors of Cineplex Inc. I am honoured to lead this dedicated group of Directors and be part of an organization that I strongly support.

Despite the ongoing impact of the now-resolved writers' and actors' strikes, which especially limited content supply in the first half of 2024, Cineplex achieved promising financial results in the latter half of the year. We took decisive financial, strategic and corporate actions to improve Cineplex's financial flexibility and ensure its continued success. The team successfully closed the sale of PLAG, completed our comprehensive refinancing plan, and implemented a normal course issuer bid, all of which demonstrate our continued commitment to our shareholders and our focus on ensuring the long-term growth and success of Cineplex.

Positioning Ourselves for Growth

During the past year, we completed several meaningful endeavours that will position us for further growth. We opened a new theatre and three new LBE locations in key markets across Canada, while continuing to expand our media businesses to strengthen our position as a leading advertising solution in the industry. Our teams continued to maintain focus on improving operational efficiencies across the businesses and ensuring a disciplined capital allocation strategy during the short-term content supply disruption. Looking ahead to the latter part of 2025, we anticipate a year of growth, driven by the return of a diverse slate of films that resonate with a wide range of audiences.

Strength of the Board

The strength of our Board is essential to delivering excellent corporate governance. Throughout the year, the Board worked closely with senior management to focus on shareholder value and ensure that Cineplex's strategy continues to foster growth and innovation. In addition, our ongoing executive succession planning initiatives ensure a robust management pipeline for navigating future challenges and opportunities.

A diverse Board with a broad range of skills and experiences is crucial to supporting Cineplex's strategic objectives. Our commitment to inclusion and diversity within Cineplex is well reflected in our Board. Currently, four female members constitute 44% of the Directors or 50% of the independent Directors, while four members of underrepresented communities make up 44% of

the Directors.

Path Forward: A Promising Future

We remain confident in the long-term success of the theatrical exhibition industry. With the impact of the Hollywood writers' and actors' strikes diminishing, we anticipate an improved volume of film product and the continued resilience of the exhibition business. Our robust outlook for the remainder of 2025 reflects our focus on operational efficiency, disciplined capital allocation and continued growth of our businesses.

Your Board remains focused on addressing our stock performance and charting a course toward shareholder returns, profitability, and sustainable growth.

On behalf of the entire Board, I would like to extend a heartfelt thank you to Joan Dea, who, after years of dedicated service, has decided not to seek re-election. Throughout her tenure, Joan has been a steadfast leader, providing invaluable strategic insight, guidance, and unwavering commitment to the company's success. As we move forward, we are pleased to nominate Rania Llewellyn, a seasoned financial executive with nearly three decades of banking experience, including as President & CEO of Laurentian Bank. Her proven leadership in driving growth, enhancing customer experience, and fostering diversity will be invaluable as we continue to advance our strategic priorities.

I would like to thank our management team and all our employees for their passion, hard work and dedication to delivering the best experience for our customers. Thank you to our shareholders for their continued support and confidence in the Cineplex team as we solidify our position of being Canada's number one entertainment destination. Your confidence in our vision and leadership is deeply appreciated, and we are fully committed to delivering results that reflect the trust you have placed in us.

Sincerely yours,

A handwritten signature in dark ink, reading "Phyllis Yaffe". The signature is fluid and cursive, with the first name "Phyllis" written in a larger, more prominent script than the last name "Yaffe".

VOTING AND PROXIES: QUESTIONS AND ANSWERS

In order to avoid printing and mailing costs, and in order to be environmentally friendly, we request that Shareholders change their delivery status at www.proxyvote.com. Shareholders may login by using the 16 digit control number located on their form of proxy.

SECTION 1: GENERAL INFORMATION

Q. Why is Cineplex having an online Meeting?

A. Cineplex is having an online Meeting in order to accommodate as many of its Shareholders, employees, communities, stakeholders and other interested parties as possible. An online Meeting enables Shareholders and duly appointed proxyholders the convenience of participating in the meeting no matter where they may be located, as well as the ability to ask questions and vote on all matters before the Meeting. Questions may be submitted in real time through the webcast for the Meeting. Questions on the same topic or otherwise related topics will be grouped, summarized, and addressed at the same time. If there are matters of individual concern to a Shareholder that are not of general concern to all Shareholders, such matters may be raised separately after the Meeting by contacting the Cineplex Investor Relations team at InvestorRelations@cineplex.com. Shareholders participating in the webcast will have all the same rights as they would otherwise have if attending an in-person shareholder meeting of the Corporation.

Q. How will Shareholders be able to participate in the Meeting?

REGISTERED SHAREHOLDERS

A. You are a registered Shareholder if your name appears on your share certificate. Your proxy form tells you whether you are a registered Shareholder.

If you are a registered Shareholder or duly appointed proxyholder, you can join the Meeting at www.virtualshareholdermeeting.com/CINEPLEX2025 where you will be able to listen to the Meeting, ask questions and vote in real time (provided you are connected to the internet and comply with all of the requirements set out in Section 2, below).

NON-REGISTERED SHAREHOLDERS

A. You are a non-registered Shareholder if your Common Shares are held in the name of an intermediary (such as a securities broker, financial institution, trustee, custodian or other nominee who holds Common Shares on behalf of the Shareholder or in the name of a clearing agency in which the intermediary is a participant). If you receive a voting instruction form, this tells you that you are a non-registered Shareholder.

If you are a non-registered Shareholder and you have not appointed yourself as proxyholder, you will not be able to vote online at the Meeting. You may, however, attend the Meeting and ask questions by logging in to the live webcast by entering the 16 digit control number located on your voting instruction form. If you are a non-registered Shareholder and you wish to vote online at the Meeting, please see Section 2, below.

Q. Am I entitled to vote?

A. You are entitled to vote if you are a holder of common shares of the Corporation (the “**Common Shares**”) as of the close of business on April 4, 2025, the Record Date for the Meeting. Each Common Share is entitled to one vote.

Q. What am I voting on?

- on an increase in the number of Common Shares which may be issued pursuant to the Corporation’s Omnibus Equity Incentive Plan; and
- on consideration and approval, in an advisory, non-binding capacity, of the Corporation’s approach to executive compensation disclosed in the Circular.

Q. What if amendments are made to these matters or if other matters are brought before the Meeting?

A. If you attend the Meeting and are eligible to vote, you may vote on such matters as you choose. If you have completed and returned a proxy, the securities represented by such proxy will be voted or withheld from voting in accordance with your instructions on any ballot that may be called for and, if you specify a

choice with respect to any matter to be acted upon, the securities will be voted accordingly. The persons named in the proxy form will have discretionary authority with respect to amendments or variations to matters identified in the Notice of Annual and Special Meeting and to other matters that may properly come before the Meeting. If any other matters properly come before the Meeting, the persons named in the proxy form will vote on them in accordance with their best judgment.

Q. Who is soliciting my proxy?

A. The Corporation will use Notice-and-Access to conduct the solicitation of proxies. Proxies may also be solicited on behalf of the Corporation's management by telephone, over the internet, in writing or in-person. The Corporation has retained Shorecrest Group Ltd. ("**Shorecrest**") to solicit proxies from Shareholders. The cost of solicitation will be borne by the Corporation.

Q. Can I appoint someone other than the individuals named in the form of proxy to vote my Common Shares?

A. The persons named in the form of proxy are representatives of the Corporation. A Shareholder may authorize these representatives to vote their Common Shares or may appoint another person (who need not be a Shareholder) to represent them at the Meeting.

Q. What if my Common Shares are registered in more than one name or in the name of my company?

Cineplex Entertainment Limited Partnership (“Cineplex Entertainment LP”) is a limited partnership formed under the laws of the Province of Manitoba; the general partner of Cineplex Entertainment LP is Cineplex Entertainment Corporation.

The Corporation is governed by the *Business Corporations Act* (Ontario). The Corporation is a reporting issuer in each of the provinces and territories of Canada and its Common Shares are traded on the Toronto Stock Exchange (“TSX”) under the symbol “CGX” and its convertible debentures are traded under the symbol “CGX.DB.B”. PROXY SOLICITATION AND VOTING

In order to avoid printing and mailing costs and, in order to be environmentally friendly, we request that Shareholders change their delivery status at www.proxyvote.com. Shareholders may login by using the 16 digit control number located on their form of proxy.

SOLICITATION OF PROXIES

The Corporation will use Notice-and-Access to conduct the solicitation of proxies. Proxies may also be solicited on behalf of the Corporation's management by telephone, over the internet, in writing or in-person. The Corporation has retained Shorecrest Group Ltd. ("**Shorecrest**") to solicit proxies from Shareholders. The cost of solicitation will be borne by the Corporation.

NOTICE-AND-ACCESS

The Corporation will use Notice-and-Access for distribution of this Circular and other Meeting materials to both registered Shareholders and non-registered Shareholders.

Notice-and-Access is a set of rules that allows issuers to post electronic versions of meeting materials, including circulars and annual financial statements online, via the System for Electronic Document Analysis and Retrieval ("**SEDAR+**") at www.sedarplus.ca and an alternate website, rather than mailing paper copies of such meeting materials to Shareholders. Electronic copies of this Circular, the Corporation's consolidated financial statements for the year ended December 31, 2024, together with the auditor's report thereon (the "**Annual Financial Statements**") and the Annual MD&A may be found on SEDAR+ at www.sedarplus.ca and also on the Corporation's investor relations website at <https://corp.cineplex.com/investors/reports-filings>.

Utilizing the Notice-and-Access process directly benefits the Corporation through a reduction in both postage and printing costs and promotes environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. It also provides Shareholders with faster access to information about the Corporation.

Shareholders with questions about Notice-and-Access or who wish to obtain paper copies of this Circular and the Annual Financial Statements free of charge may contact the Corporation's General Counsel at (416) 323-6691 or by email at annualmeeting@cinplex.com.

A request for paper copies before the Meeting should be sent well in advance, so that the Corporation receives it by May 5, 2025, in order to allow sufficient time for Shareholders to receive the paper copies and to return the proxy form or voting instruction form by its due date. The Corporation will mail the paper copies within three business days of receipt of any request.

The Corporation has sent the Notice of Annual and Special Meeting of Shareholders and a form of proxy or voting instruction form (the "**Notice Package**") to all Shareholders informing them that this Circular is available online and explaining how this Circular may be accessed. The Corporation will not directly send the Notice Package to non-registered Shareholders. Instead, the Corporation will pay intermediaries to forward the Notice Package to all non-registered Shareholders.

Shareholders should follow the instructions for completion and delivery contained in the form of proxy or voting instruction form. **Shareholders are reminded to review this Circular before voting.**

WHO CAN YOU CALL FOR ASSISTANCE WITH VOTING?

If you have any questions regarding the procedures for voting or completing your form of proxy or voting instruction form, please contact Shorecrest toll free in North America at 1-888-637-5789 or collect call from outside North America at 1-647-931-7454, or by email at contact@shorecrestgroup.com.

APPOINTMENT OF PROXIES

The persons named in the form of proxy sent to you in the Notice Package are representatives of the Corporation. **A registered Shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so by writing the name of such other person in the blank space provided in the form of proxy or by completing another form of proxy. Such other person need not be a Shareholder.**

To be valid, proxies must be deposited at the offices of Broadridge Investor Communications Corporation, Attention: Data Processing Centre, P.O. Box 3700, STN Industrial Park, Markham, ON, L3R 9Z9, so as not to arrive later than 5:00 p.m. (EDT) on May 15, 2025. If the Meeting is adjourned, proxies must be deposited 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

The document appointing a proxy must be in writing and completed and signed by a Shareholder or their attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney thereof. Persons signing as officers, attorneys, executors, administrators, directors, etc., should so indicate and may be asked to provide satisfactory evidence of such authority.

REVOCATION OF PROXIES

A Shareholder who has given a proxy may revoke the proxy: (a) by completing and signing a proxy bearing a later date and depositing it as set forth above; (b) by depositing an instrument in writing executed by the Shareholder or by their attorney authorized in writing at the registered office of the Corporation at any time up to and including the last business day preceding the date of the Meeting, or any reconvened meeting after an adjournment or postponement thereof, at which the proxy is to be used; or (c) in any other manner permitted by law.

VOTING OF PROXIES

The persons named in the form of proxy will vote, or withhold from voting, Common Shares in respect of which they are appointed, on any ballot that may be called, in accordance with the instructions of the Shareholder as indicated on the proxy. In the absence of such specification, such Common Shares will be voted:

- **FOR** the election of each of the nominees as Directors listed under the heading *Matters to be Considered at the Meeting – Election of Directors*;
- **FOR** the appointment of PricewaterhouseCoopers LLP as auditor of the Corporation;
- **FOR** an increase in the number of Common Shares which may be issued pursuant to the Corporation's Omnibus Equity Incentive Plan; and
- **FOR** the approach to executive compensation disclosed in this Circular.

The persons appointed under the form of proxy are conferred with discretionary authority with respect to amendments or variations of matters identified in the form of proxy and Notice of Annual and Special Meeting of Shareholders and with respect to other matters that may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Annual and Special Meeting of Shareholders are properly brought before the Meeting, it is the intention of the persons designated in the form of proxy to vote in accordance with their best judgment on such matter or business. As at the date of this Circular, the Directors know of no such amendments, variations or other matters.

NON-REGISTERED SHAREHOLDERS

Information set forth in this section is very important to persons who hold Common Shares otherwise than in their own names. A non-registered Shareholder (a “Beneficial Holder”) who beneficially owns Common Shares, but such Common Shares are registered in the name of an intermediary (such as a securities broker, financial institution, trustee, custodian or other nominee who holds Common Shares on behalf of the Shareholder or in the name of a clearing agency in which the intermediary is a participant) should note that only proxies deposited by Shareholders whose names are on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

Common Shares that are listed in an account statement provided to a Shareholder by a broker are likely not registered in the Shareholder's own name on the records of the Corporation; such Common Shares are more likely registered in the name of the Shareholder's broker or an agent of the broker.

Applicable regulatory policy in Canada requires brokers and other intermediaries to seek voting instructions from Beneficial Holders in advance of Shareholders' meetings. Every broker or other intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Holder by its broker is identical to that provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Holder. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge, which typically prepares a voting instruction form (a "**Voting Form**") that it mails to the Beneficial Holders and asks Beneficial Holders to return the Voting Form directly to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of Common Shares to be represented at the Meeting. A Beneficial Holder receiving a Voting Form cannot use that Voting Form to vote Common Shares directly at the Meeting. The Voting Form must be returned to Broadridge well in advance of the Meeting to have the Common Shares voted.

Although Beneficial Holders may not be recognized directly at the Meeting for purposes of voting Common Shares registered in the name of their broker or other intermediary, a Beneficial Holder may attend at the Meeting as proxyholder for the registered holder and vote their Common Shares in that capacity. Beneficial Holders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the registered holder must instruct the Corporation to do so by either: (i) filing and submitting the Form 54-101F6 – *Request for Voting Instructions Made by Reporting Issuer* previously sent to such Beneficial Holder by the Corporation; or (ii) submitting any other document in writing to the Corporation that requests that the Beneficial Holder or a nominee thereof be appointed as proxyholder. **In either case, Beneficial Holders should carefully follow the instructions of their intermediaries and their service companies.**

QUORUM

A quorum is required for the Meeting. For the Meeting, at least two persons present or represented by proxy and representing in total at least 25% of the votes attached to all outstanding Common Shares will constitute a quorum.

COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares. Pursuant to the articles and by-laws of the Corporation, Shareholders of record at the close of business on the record date, which the board of directors of the Corporation (the "**Board**") has established as April 4, 2025 (the "**Record Date**"), are entitled to notice of and to attend the online Meeting themselves or by proxy and to one vote per Common Share on all matters proposed to come before the Meeting. As at the Record Date, there were 63,427,073 Common Shares outstanding.

As at the date hereof, to the knowledge of the Directors, there are no Shareholders that directly or beneficially own or exercise control or direction over more than 10% of the outstanding Common Shares of the Corporation.

MATTERS TO BE CONSIDERED AT THE MEETING

FINANCIAL STATEMENTS

The Annual Financial Statements will be placed before the Shareholders at the Meeting. No formal action will be taken at the Meeting to approve the Annual Financial Statements. If any Shareholder has questions regarding the Annual Financial Statements, such questions may be asked at the Meeting.

ELECTION OF DIRECTORS

The Corporation is required to have a minimum of one Director and a maximum of twenty Directors. The number of Directors was previously fixed by the Board at nine. Directors are elected at each annual meeting of Shareholders to hold office for a term expiring at the close of the next annual meeting. The nine nominees for election as Directors at the Meeting are listed under *Director Nominees*, commencing on page 16.

At the annual meeting of the Corporation's Shareholders held on May 22, 2024 (the "**2024 Annual Meeting**"), the following individuals, all of whom plan to stand for re-election to the Board at the Meeting (except Ms. Joan Dea), received the following votes, regarding their election, from voting Shareholders.

The persons named in the form of proxy, if not expressly directed to the contrary in such form, will vote in favour of the appointment of each of the nominees disclosed in this Circular as a Director of the Corporation.

MAJORITY VOTING POLICY

The Board has adopted a policy requiring majority voting in Director elections for any meeting of Shareholders where an uncontested election of Directors is held; for the purposes of this policy, an "uncontested election" of Directors of the Corporation means an election where the number of nominees for Directors is equal to the number of Directors to be elected ("**Majority Voting Policy**"). Pursuant to this policy, if an existing Director is running for re-election, and if the number of proxy votes withheld for such Director is greater than the votes in favour of such Director, the Director will be required to submit a letter of resignation to the Chair promptly following the Corporation's annual meeting. The Majority Voting Policy applies regardless of whether any appointment is being contested. Following receipt of the letter of resignation, the Compensation, Nominating and Corporate Governance Committee (the "**CNCG Committee**") will consider whether to accept such resignation. With the exception of special circumstances, the CNCG Committee will be expected to recommend that the Board accept the resignation. Within 90 days following the Corporation's annual meeting, the Board will make its decision whether to accept the resignation, and disclose such decision by a press release; such press release to include the reasons for rejecting the resignation, if applicable. A Director who tenders a resignation pursuant to the Majority Voting Policy will not be permitted to participate in any meeting of the Board or the CNCG Committee at which the resignation is considered. A copy of the Majority Voting Policy of the Corporation may be found on the Corporation's investor relations website at <https://corp.cineplex.com/investors/governance>.

APPOINTMENT OF AUDITOR

It is proposed that the firm of PricewaterhouseCoopers LLP, Chartered Accountants, be re-appointed as the independent auditor of the Corporation, to hold office until the next annual meeting of Shareholders or until its successor is appointed, and that the Directors be authorized to fix the remuneration of the independent auditor. PricewaterhouseCoopers LLP has been the independent auditor of the Corporation (as successor to the Cineplex Galaxy Income Fund) since 2003. At the 2024 Annual Meeting, PricewaterhouseCoopers LLP received the vast majority of votes in favour of its re-appointment from voting Shareholders, calculated as set forth in the following table.

Auditor Election Results: 2024 Annual Meeting	
For:	18,733,711
Withheld:	5,149,821
Total:	23,883,532
% For:	78.44%

The Board recommends that Shareholders vote in favour of the following resolution:

“RESOLVED THAT, PricewaterhouseCoopers LLP be appointed as auditor of the Corporation for the coming year and that the Directors be hereby authorized to fix the remuneration paid to the auditor.”

The persons named in the form of proxy, if not expressly directed to the contrary in such form, will vote in favour of a resolution to re-appoint PricewaterhouseCoopers LLP as auditor of the Corporation and authorize the Directors to fix its remuneration.

INCREASE IN THE NUMBER OF COMMON SHARES ISSUABLE UNDER THE OMNIBUS EQUITY INCENTIVE PLAN

Background and Proposal

On August 9, 2020, the Corporation’s Board of Directors approved the Omnibus Equity Incentive Plan (the “**Omnibus Plan**”). The Omnibus Plan was subsequently approved by Shareholders on October 13, 2020. The Omnibus Plan is intended to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified employees. The Omnibus Plan is also intended to reward qualified employees for their contributions toward the long-term goals and success of the Corporation and to enable and encourage such employees to acquire Common Shares as long term investments and proprietary interests in the Corporation.

Attracting, retaining and motivating talent is critical to achieving the Corporation’s strategic goals, including its focus on increasing shareholder value. Long-term incentives are a key element of the Corporation’s total compensation package. The ability to grant various types of awards allows the Corporation to remain competitive in the marketplace and enables the link between pay outcomes and share price performance.

In order to continue to provide benefits to employees, as contemplated in the Omnibus Plan, the number of Common Shares available for issuance, and the corresponding number of Common Shares which may be issued pursuant to the settlement of PSUs and RSUs, under the Omnibus Plan must be increased.

Shareholder Approval of Amendments to Omnibus Plan

The Omnibus Plan is a “fixed” plan in that it provides that the aggregate maximum number of Common Shares that may be issued upon the exercise of Options and settlement of Awards granted under the Omnibus Plan shall not exceed a specified number of Common Shares (the “**Shares Issuance Limit**”). When the Omnibus Plan was created in 2020, the Share Issuance Limit was 1,761,345 Common Shares. Pursuant to the terms of the Omnibus Plan, to the extent any Awards (or portion(s) thereof) under the Omnibus Plan or any prior equity incentive plan terminate or are cancelled for any reason prior to exercise in full, or are surrendered to the Corporation by the participant, except surrenders relating to the payment of the purchase price of any such award or the satisfaction of the tax withholding obligations related to any such award, any Common Shares subject to such awards (or portion(s) thereof) shall be added back to the number of Common Shares reserved for issuance under the Omnibus Plan and will again become available for issuance pursuant to the exercise of awards granted under the Omnibus Plan. Based on the number of Common Shares issued under the Omnibus Plan and Common Shares added back to the Share Issuance Limit as described above, as of the date hereof, the Share Issuance Limit is 3,864,975 Common Shares. The increase to the Share Issuance Limit since 2020 is solely a result of the transfer of cancelled options from the Corporation’s legacy Option Plan.

The Board requests Shareholder approval to increase the Share Issuance Limit by 3,400,000 Common Shares to 7,264,975 being the amount anticipated by Corporation’s management as being necessary to meet the purposes of the Omnibus Plan for the next three calendar years. The increased Share Issuance Limit of 7,264,975 represents approximately 11.45% of the total issued and outstanding Common Shares as of the date of this Circular.

The Board requests Shareholder approval to increase the number of Common Shares available for issuance under the Omnibus Plan by 3.4 million Common Shares, being the amount, anticipated by the Corporation’s management, necessary to meet the purposes of the Omnibus Plan for the next three calendar years.

Within the Share Issuance Limit, the Omnibus Plan further limits the number of Common Shares which may be issued pursuant to the settlement of PSUs and RSUs (the “**Share Issuance Sub Limit**”). When the Omnibus Plan was

created in 2020, the Share Issuance Sub Limit was 1,200,000 Common Shares. If the increase to the Share Issuance Sub Limit is approved, the Corporation intends to increase the Share Issuance Sub Limit by 2,300,000 Common Shares, to 3,500,000 Common Shares to ensure that the Omnibus Plan continues to function as desired.

The Board recommends that Shareholders vote in favour of the following resolution:

“RESOLVED THAT:

- (1) the Corporation is hereby authorized and approved to increase the aggregate number of Common Shares reserved and available for issuance under the Omnibus Plan by 3,400,000 Common Shares, such that the total number of Common Shares reserved under the Omnibus Plan will increase from 3,864,975 to 7,264,975;**
- (2) the Corporation is hereby authorized to amend the Omnibus Plan should such amendment be required by applicable regulatory authorities including, but not limited to, the TSX;**
- (3) the Board is hereby authorized to revoke, at its sole discretion, this ordinary resolution any time before it is acted upon without the requirement to obtain any further approval from the Shareholders; and**
- (4) any director or officer of the Corporation is hereby authorized and directed for and on behalf of the Corporation to execute or cause to be executed and to deliver or cause to be delivered, all such other documents and instruments and to perform or cause to be performed all such other acts and things as, in such person’s opinion, may be necessary or desirable to give full force and effect to these resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such other document or instrument of any other such act or thing.”**

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY ON PAY”)

The Board believes that Shareholders should have the opportunity to fully understand the philosophy, objectives and principles that the Board has used to make executive compensation decisions. The Board has adopted a policy to hold, at each annual meeting of Shareholders, a non-binding advisory vote on the Corporation’s approach to executive compensation as disclosed in this Circular. This Shareholder advisory vote forms an important part of the ongoing process of engagement between Shareholders and the Board on executive compensation. At the 2024 Annual Meeting, the following votes were cast regarding the Corporation’s executive compensation practices:

Say on Pay Results: 2024 Annual Meeting	
For:	19,713,463
Against:	3,696,254
Total:	23,409,717
% For:	84.21%

The Board values feedback received from Shareholders through the vote and through the Corporation’s Shareholder engagement activities, and continues to ensure that the Corporation’s compensation programs are responsive to market and economic factors and aligned with Shareholder interests.

The Board encourages Shareholders to carefully review the “*Compensation Discussion & Analysis*” section of this Circular before voting on this matter. The “*Compensation Discussion & Analysis*” section describes the Corporation’s compensation philosophy, the objectives of the different elements of the compensation programs and the way in which the Board assesses performance and makes decisions. It explains that the Corporation’s compensation programs are based upon on a pay-for-performance culture, aligned with strong risk management principles and the long-term interests of Shareholders, and benchmarked to market-aligned reference groups and peer groups. Please see page 35 for a discussion of the competitive benchmarking employed by the CNCG Committee when assessing whether the Corporation’s compensation programs are aligned with the market. The executive compensation program supports the Corporation’s goal of delivering strong, consistent and predictable results to Shareholders over the longer term.

The Board recommends that Shareholders vote in favour of the following non-binding advisory resolution:

“RESOLVED THAT, on an advisory basis and not to diminish the role and responsibilities of the Board of Directors, the Shareholders accept the approach to executive compensation disclosed in the Circular delivered in advance of the 2025 Annual and Special Meeting of Shareholders.”

The persons named in the form of proxy, if not expressly directed to the contrary in such form, will vote in favour of the resolution to accept the Corporation’s approach to executive compensation.

As this is an advisory vote, the results will not be binding upon the Board. However, in considering its approach to executive compensation in the future, the Board will take into account the results of the vote, together with feedback received from Shareholders during the course of other engagement activities. If a significant number of Common Shares are voted against the advisory resolution, the CNCG Committee will review its approach to executive compensation in the context of any specific Shareholder concerns that have been identified and may make recommendations to the Board, accordingly.

The Corporation’s practices meet the model policy on “Say on Pay” for boards of directors developed by the Canadian Coalition for Good Governance.

DIRECTOR COMPENSATION PHILOSOPHY

The Board is responsible for overseeing Cineplex's management to ensure that decisions are made in the best interests of the Corporation and Shareholders. Director compensation is reviewed every two years to assess the competitive positioning relative to a sample of North American organizations of similar size and industry. The companies used to assess the competitiveness of Directors' pay are consistent with the Primary Reference used to assess executive compensation. (See the "Competitive Benchmarking" section herein for additional detail on the Reference Group constituents and development rationale.) Cineplex periodically engages an independent consulting firm, Willis Towers Watson ("WTW") to provide competitive compensation data, and a compensation review was completed in 2023. Cineplex considers this data in making compensation decisions.

In 2023, Board Member compensation was positioned below the 25th percentile of the Reference Group, while the Chair of the Board was positioned between the 25th and 50th percentile. Considering the findings of the competitive review of the market and that changes have not been made to Board compensation since 2017, the Board approved an increase to compensation in 2024 as outlined below. Compensation continues to be positioned below the market range.

DIRECTORS' COMPENSATION

Directors receive an annual retainer in the form of cash with an election to defer all or a portion of compensation in Deferred Share Units ("DSU" or "DSUs"), described below. The Directors are also reimbursed for out-of-pocket expenses for attending meetings. Mr. Jacob, as a member of management, does not receive any compensation for his service as a Director.

Compensation Component		2024	2025
Annual Retainer	Board Chair	\$200,000	\$200,000
	Non-Executive Board Member	\$115,000	\$115,000
Chair Retainer (additional)	Audit Committee	\$25,000	\$25,000
	CNCG Committee	\$20,000	\$20,000

DIRECTOR COMMON SHARE OWNERSHIP GUIDELINES

Directors are subject to the Common Share ownership guidelines set forth in the table below, which are expected to be met within three years of appointment. Directors may use their earned retainers to meet such obligation. The calculation of the Directors' Common Share ownership includes DSUs as Common Share equivalents. The Common Shares held by each Director are noted in their biographies.

	Multiple of Annual Retainer	Value of Ownership Requirement
2025	3x (\$115,000)	\$345,000
2024	3x (\$115,000)	\$345,000

DIRECTORS' DEFERRED SHARE UNIT PLAN

The Corporation has adopted the Board of Directors' Deferred Share Unit Plan (the "Directors' DSU Plan").

DSU ELECTION

Under the Directors' DSU Plan, independent Directors are entitled to elect to receive all or a portion of their annual retainer in the form of DSUs. Such election may be delivered no later than the last day of the Corporation's fiscal year. For a newly elected Director, the election shall be made as soon as practicable following election as a Director, and in any event no later than the date that such Director becomes eligible to participate in the Directors' DSU Plan. Elections made under the Directors' DSU Plan in 2024 are reported in the Director Compensation Table.

DISCRETIONARY GRANTS

The CNCG Committee, with the approval of the Board, may make additional grants (“**Discretionary Grants**”) of DSUs to Directors at such times and in such amounts as the CNCG Committee may determine. To date, no Discretionary Grants have been made to Directors under the Directors’ DSU Plan.

DIRECTORS’ DSU PLAN TERMS

The Director participant will be credited with a number of DSUs equal to the amount of the elected portion of the annual retainer divided by the “fair market value” of the Common Shares on the date the annual retainer would have been paid. The “fair market value” is defined as the value of a Common Share determined by reference to the five-day average closing price of a Common Share, five days prior to the grant date of the DSUs.

Additional DSUs will be credited to each DSU participant equal to cash dividends paid on the same number of Common Shares, based on the “fair market value” of a Common Share at the time cash dividends are paid on the Common Shares.

The terms and conditions of DSUs granted under the Directors’ DSU Plan are subject to adjustments, under certain circumstances, at the discretion of the Board. The Board may discontinue or amend the Directors’ DSU Plan at any time (including amendments to change the terms and conditions of any DSU). If the Directors’ DSU Plan is terminated, prior awards remain outstanding and in effect in accordance with their applicable terms and conditions.

DIRECTOR COMPENSATION TABLE

The table below sets out all compensation provided to all current Directors for the year ended December 31, 2024. As Mr. Jacob does not receive compensation for his services as a Director of the Corporation, his total compensation is discussed under *Compensation Discussion & Analysis*. COMPENSATION DISCUSSION & ANALYSIS

LETTER FROM THE COMPENSATION, NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

Dear fellow Shareholders,

The CNCG Committee is pleased to provide this report on Cineplex's overall executive compensation approach and the compensation results for the CEO and the Corporation's other named executive officers (NEOs) for 2024.

CINEPLEX'S APPROACH TO COMPENSATION

The CNCG Committee believes compensation decisions should be highly correlated to short-term and long-term performance, should align with the interests of Shareholders, and attract, motivate and retain top talent. To support this, Cineplex's NEO compensation has a meaningful portion at risk and aligned with the annual and longer-term performance of the Corporation.

CINEPLEX'S 2024 PERFORMANCE

Cineplex's 2024 performance was negatively impacted by the now resolved Hollywood writers' and actors' strike. Both revenue and adjusted EBITDAaL for the year were below initial expectations primarily as a result of the continuing impact of the strike into 2024. The executive team continued to maintain its focus on operational efficiency and disciplined capital allocation and achieved other key strategic objectives to provide value for Shareholders and customers. This included the sale of P1AG for gross proceeds of \$155 million in cash that provided additional liquidity to strengthen the balance sheet, and the completion of a comprehensive refinancing plan. The Corporation also expanded its leading position in international programming, which delivered 10.2% of Cineplex's annual box office revenue. In addition, with the box office recovering in the back half of 2024, a Normal Course Issuer Bid ("NCIB") was announced in August 2024.

CEO AND OTHER NEO 2024 COMPENSATION

Based on these and other factors, the CNCG Committee made the following key compensation decisions:

- Annual incentives: The CNCG Committee approved a corporate business performance score of 63% of target, driven by EBITDAaL results that were below target. As a result, NEO annual incentive awards were between 60% and 72% of target, taking the individual performance component into consideration;
- Vesting of PSUs: As a result of Cineplex's low total shareholder return (TSR) relative to its comparators over the last three years, 56% of PSUs granted in 2022 vested in 2024. The share price also decreased by 24% from the grant price. As a result, the payout of CEO's PSUs was \$339,000 which was 42% of the grant value of \$800,000;
- PSU performance measures: For the 2025 grant of PSUs, the CNCG Committee approved a change in the performance measures to include earnings per share growth and return on invested capital, in addition to the existing measure of relative TSR. These measures focus NEOs on the key measures that impact share price and drive value for shareholders;

- CEO total compensation: In summary, the CNCG Committee ensured there was overall alignment of pay with 2024 performance. This resulted in total 2024 compensation of \$3.5 million which was below 2023, and included a lower annual incentive award (60% of target), below target long-term incentive award, and no increase in base salary.

SHAREHOLDER ENGAGEMENT

Shareholder engagement continues to play an important role in ensuring that the Corporation's compensation policies remain aligned with the interests of Shareholders. In 2024, the CNCG Committee engaged with Shareholders on key topics including share price performance, balance sheet initiatives and compensation.

IN CONCLUSION

We are committed to continuing to assess and refine our approach to executive compensation to ensure it is aligned with Shareholders' interests and the attraction and retention of talent. The following Compensation Discussion & Analysis section provides more details on the approach to compensation and the alignment between the Corporation's performance and compensation outcomes.

Sincerely,

Sarabjit Marwah

Chair,
Compensation, Nomination and Corporate Governance Committee

NAMED EXECUTIVE OFFICERS (“NEO”)

OBJECTIVES

OBJECTIVES: *“To attract, motivate and retain executives critical to the success of the Corporation and the enhancement of Shareholder value.”*

The CNCG Committee achieves these objectives through:

- Aligning executive compensation to the Corporation’s performance and Shareholder return;
- Providing incentives to meet and exceed performance-based goals; and
- Differentiating the level of compensation based on market benchmarks, individual performance, contribution to overall business performance, leadership qualities and scope of responsibilities.

The CNCG Committee believes compensation decisions should be highly correlated to long-term performance and should align the interests of Shareholders and executives, while attracting, motivating and retaining top talent.

PHILOSOPHY

At-Risk Compensation	A meaningful portion of an executive’s pay should be at-risk and be subject to business results. Incentive compensation should fluctuate with the Corporation’s success.
Pay-for-Performance	Encourage management to make decisions and take actions that are aligned with the Corporation’s business objectives and Shareholder interests.
Competitive	Compensation opportunities shall be competitive with similarly-sized Canadian and U.S. organizations in the film exhibition industry. U.S. companies are included because Cineplex is the only publicly-traded Canadian film exhibition company.
Shareholder Value	There is a strong link between incentive compensation and long-term Shareholder value creation.
Long-term Growth	Management’s compensation opportunity must be tied to the achievement of objectives that create sustainable growth and long-term value.

In structuring executive compensation packages, the CNCG Committee considers how each component of compensation promotes retention and motivates performance by executives. Other compensation elements (base salaries, perquisites and personal benefits, severance and other termination benefits) are primarily intended to provide predictable compensation levels that reward continued service, which the Corporation believes is necessary to attract and retain highly qualified executives.

COMPENSATION GOVERNANCE

ROLE OF THE CNCG COMMITTEE

The CNCG Committee is responsible for reviewing and making recommendations to the Board about the compensation of Cineplex's executive officers, including the NEOs, within the constraints of the agreements described below under *Employment Agreements*.

As at the date of this Circular, the CNCG Committee consists of five independent Directors: Mr. Sarabjit Marwah (Chair), Mr. Jordan Banks, Ms. Joan Dea, Mr. Nadir Mohamed and Ms. Phyllis Yaffe. No member of the CNCG Committee is a current or former officer or employee of the Corporation or any of its subsidiaries. Although the members of the CNCG Committee serve on boards and committees of other issuers, other than as specified herein, no executive officer of the Corporation also serves as a director or member of the compensation committee of any of those issuers where members of the CNCG Committee also serve¹. For information about specific expertise of each Committee member that enables the committee to make decisions on the suitability of Cineplex's compensation policies and practices, refer to the Director profiles in the "Director Nominees" section of this Circular.

The CNCG Committee annually reviews and approves the compensation strategy, policies and principles for executive officers, including the apportionment of pay between fixed compensation and performance-based compensation.

The following chart illustrates Cineplex's compensation decision-making process and the roles of various stakeholders in the process:

INDEPENDENT COMPENSATION CONSULTANTS

From time to time and as necessary, the CNCG Committee retains independent compensation consultants to assist with identifying appropriate reference companies and to obtain and evaluate current executive compensation data for those companies. While the consultants' information and advice inform the decision-making process, the CNCG Committee relies on its own judgment to make final decisions. The CNCG Committee has retained Willis Towers Watson ("WTW"), an independent consulting firm, to consult on executive compensation matters since 2010. In 2024, WTW provided information and advice to the CNCG Committee, including:

- Short-term incentive program and metrics;
- Long-term incentive design;
- Shareholder engagement support; and
- Disclosure review.

¹ Mr. Jacob and Ms. Yaffe are expected to serve on the Board of Directors of "Blue Ant Media Corporation" when Blue Ant Media Inc. completes a reverse takeover of Boat Rocker Media Inc. The transaction is subject to regulatory approval and is expected to close in June, 2025.

Total fees paid by the Corporation to WTW in 2023 and 2024 were:

	2023 Fees	2024 Fees
Executive compensation related fees	\$324,380	\$251,475
All other fees ⁽¹⁾	\$5,000	\$—

(1) All other fees were incurred in connection with non-executive compensation benchmarking.

The CNCG Committee considers WTW to be independent based on an assessment of a variety of factors, including:

- WTW recognizes that its clients count on it to provide thoughtful and objective advice;
- WTW has defined and disclosed consulting protocols and processes to support the CNCG Committee to ensure advice remains independent;
- No single client accounted for a significant concentration of WTW's revenues for any of the most recent three fiscal years; revenue for the fiscal year ended December 31, 2024, was approximately \$9.9 billion U.S.;
- No regular members of the executive compensation consulting team own any Common Shares, other than perhaps (but not known) through mutual funds; and
- There are no other business or personal relationships between the compensation consulting team and any members of the CNCG Committee or Cineplex's management team.

COMPENSATION RISK ASSESSMENT

As part of its oversight of compensation practices, the CNCG Committee annually considers the implications of the risks associated with the Corporation's compensation policies and practices by completing a thorough assessment. The Corporation's compensation programs and practices are evaluated to determine pay-for-performance alignment with the time horizons of risk and to ensure the mitigation of unintended outcomes or the creation of inappropriate incentives.

WHAT WE DO	WHAT WE DON'T DO
✓ Executive & Director share ownership expectations	X Single measure plans
✓ Clawback Policy in long-term incentive plans	X Provide guaranteed, multi-year bonuses
✓ Anti-Hedging Policy	X Reprice or replace underwater stock options
✓ Code of Business Conduct and Ethics	X Payout incentives if unwarranted by performance
✓ Significant percentage of at-risk compensation	X Grant, renew or extend loans to employees
✓ CEO post-employment hold provision	X Overweight options (limited to 25%)
✓ Post-employment hold provisions in the PSU Plan	X Implement single trigger voluntary change of control termination provisions for new executive contracts
✓ Link to time horizon/risk profile (1 – 10 year plans)	X Include the value of unexercised option awards in determining ownership compliance
✓ Capped incentive opportunities	X Allow stock option grants with an exercise price below 100% of fair market value
✓ Balance of absolute and relative performance	
✓ External independent advice	
✓ Competitive target positioning against reference groups	

Based on the review of compensation plans in 2024, the CNCG Committee believes that there are strong practices in place to minimize the likelihood of material risk-taking and has not identified any risks that are reasonably likely to have a material adverse effect on the Corporation.

CLAWBACK POLICY

To ensure that risk and pay-for-performance are strongly aligned, clawback provisions in the long-term incentive plan can be applied when financial restatements occur that are due to misconduct or otherwise based on the CNCG Committee's assessment and judgment of the circumstances at that time.

ANTI-HEDGING POLICY

The Corporation has established a policy that neither Directors nor executives (including but not limited to NEOs) are permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by any NEO or Director. To the knowledge of the Corporation, no Director, NEO or other executive has previously purchased any such financial instrument for hedging.

SAY ON PAY

The Corporation has determined that a "Say on Pay" vote is in the best interests of Shareholders. A non-binding advisory resolution was tabled at the 2024 Annual Meeting and results were at 84.21% support. The Board values feedback from Shareholders through the vote and management's Shareholder engagement activities, and the Board continues to ensure that the Corporation's compensation programs are responsive to economic conditions and aligned with Shareholder interests.

Transparency and Shareholder engagement is critically important to the Board and management. The Corporation proactively engaged with Shareholders prior to the 2024 Annual Meeting to outline executive compensation decisions. Following the vote and throughout the year, management continued active dialogue with Shareholders through a combination of one-on-one meetings and investor conferences.

DISCRETION

The CNCG Committee and the Board retain the ability to exercise discretion to increase or decrease performance-based compensation to accommodate unusual circumstances that would improperly reward or penalize NEOs separate and apart from general market, industry or corporate performance.

MANAGEMENT COMMON SHARE OWNERSHIP GUIDELINES

All NEOs and other key members of senior management are subject to Common Share ownership expectations. Such members of management have up to five years to achieve their ownership expectation from the time they become subject to the guidelines. The ownership expectations for NEOs are set forth below, together with the breakdown of each NEO's holdings.

- ✓ Beneficially owned Common Shares will count towards ownership
- ✓ DSUs (from voluntary annual incentive deferrals) and RSUs held by or on behalf of a NEO will count towards ownership
- x Unexercised options do not count towards ownership
- x PSUs do not count towards ownership

	Ownership Expectation (% of base)	Total Value of Actual Ownership ⁽¹⁾	Current Ownership (% of target) ⁽²⁾	Achieved Guideline ⁽³⁾
Ellis Jacob	3.0x	\$5,821,151	194%	✓
Gord Nelson	2.0x	\$1,632,262	151%	✓

Fabrizio Stanghieri	1.0x	\$330,364	95%	x ⁽³⁾
Kevin Watts	1.0x	\$302,987	91%	x ⁽³⁾

Notes:

- (1) Based on the TSX closing price per Common Share of \$12.20 as at December 31, 2024.
- (2) Meeting the ownership expectation would be indicated by obtaining a value of 100% or greater.
- (3) Under the ownership guideline, Mr. Stanghieri and Mr. Watts have until July, 2025, and February, 2027, respectively, to meet the share ownership expectations.

The following table sets forth the types of shares and units held by each NEO and the total value thereof as at December 31, 2024, based on the closing price.

- (3) Rounding variances due to fractional share units.

POST-EMPLOYMENT HOLD REQUIREMENT

The CEO is subject to a one-year post-retirement Common Share ownership expectation at the same thresholds as noted above except following a change of control and unless waived at the discretion of the CNCG Committee. The ownership expectation does not apply in the case of termination by the Corporation or by the executive for good reason, death or disability.

COMPETITIVE BENCHMARKING

REFERENCE GROUPS

The CNCG Committee has established two reference samples to benchmark compensation levels, including: (i) North American industry-related proxy sample ("**Primary Reference**"); and (ii) general industry survey sample ("**Secondary Reference**"), collectively, the "**Reference Groups**". The Secondary Reference provides additional validation given that Cineplex is the only publicly-traded cinema exhibition company in Canada. The CNCG Committee regularly reviews the Reference Groups.

Primary Reference

The CNCG Committee regularly reviews the appropriateness of the Primary Reference, giving consideration to the criteria set forth below. During 2024, Indigo Books & Music went private and has been removed from the Primary Reference. Lions Gate Entertainment Corp. merged with Screaming Eagle Acquisition Corp. to form Lionsgate Studio Corp., which has been included in the Primary Reference.

Secondary Reference

The CNCG Committee reviews compensation compared to a broad sample of Canadian general industry companies participating in WTW's executive compensation database, with revenue between \$500 million and \$2.5 billion. This broader reference sample is used to validate the select proxy sample data and to provide competitive data for executive roles beyond the NEOs.

2024 TARGET TOTAL DIRECT COMPENSATION MIX

To attract and retain the talent the Corporation needs to in order to succeed, the executive compensation program must be market competitive. In accordance with the compensation philosophy, a significant portion of compensation is provided “at-risk” in the form of variable compensation where the values of the incentives are dependent on the performance of the Corporation. As set out in the following, approximately 50% or more of 2024 total compensation is “at-risk”.

	Approximate Percentage of 2024 Target Total Direct Compensation			
	FIXED	VARIABLE		
	Base Salary	Annual Incentive	Long-term Incentives	Total Variable Compensation
Ellis Jacob	23%	23%	56%	78%
Gord Nelson	31%	23%	46%	69%
Dan McGrath	31%	23%	46%	69%
Fabrizio Stanghieri	44%	22%	34%	56%
Kevin Watts	44%	22%	34%	56%

BASE SALARY

Base salaries are paid for carrying out day-to-day responsibilities based on each executive’s level of responsibility, skills, and experience, as a fixed component of compensation; they are reviewed annually to reflect performance, market competitiveness and scope of responsibility. The CNCG Committee reviews and approves, as appropriate, the base salary recommendations for the CEO and the other NEOs. Mr. Watts is the only NEO who received a salary adjustment for 2025. The CEO’s base salary has not been adjusted for over 10 years.

Name	2023 Base Salary	2024 Base Salary	2025 Base Salary
Ellis Jacob	\$1,000,000	\$1,000,000	\$1,000,000
Gord Nelson	\$451,440	\$500,000	\$500,000
Dan McGrath	\$533,520	\$554,861	\$554,861

ANNUAL INCENTIVE

The annual incentive is designed to motivate executives to achieve financial and strategic goals over the short-term. The CNCG Committee annually establishes a scorecard of performance measures (“**Annual Incentive Measures**”) as part of the annual budgeting and business planning process. Target annual incentive opportunities for 2025 are the same as they were in 2024.

Target Annual Incentive Opportunities

Name	2024 % of Base Salary		2025 % of Base Salary

Fabrizio Stanghieri	50%	100%	50%	100%
Kevin Watts ²	50%	100%	50%	100%

Annual Incentive Measures

Aligning with Cineplex’s business priorities, the Annual Incentive Measures include individual goals and business financial, operational, performance and customer feedback metrics. For 2024, the corporate performance measures included EBITDAaL and performance-adjusted EBITDAaL, Guest Net Promoter Score (“NPS”), and strategic objectives. For business unit executives, business unit EBITDAaL and strategic objectives are measured along with Corporate EBITDAaL. The CNCG Committee may also apply discretion on overall funding for annual incentives.

Notes:

- (1) Table outlines the weight and measures for Mr. Jacob, Mr. Nelson, Mr. McGrath, and Mr. Watts.
(2) Table outlines the weight and measures for Mr. Stanghieri.

Measures	Key incentive area	Rationale	Metric
75%	Financial Results 40% weight	Measure of Cineplex’s profitability at an operational level and provides analysts and investors with comparability in evaluating and valuing Cineplex’s performance period over period	EBITDAaL: earnings before interest income and expense, income taxes, depreciation and amortization expense and after cash rent paid or payable on lease obligations. Performance Adjusted EBITDAaL: EBITDAaL adjusted for industry attendance performance and stock-based compensation
	Guest Sentiment 15% weight	Measure customer loyalty with possible correlation with revenue	Guest Net Promoter Score (NPS): Guests rate their likelihood to recommend Cineplex on an 11-point scale
	Strategic Objectives 20% weight	Reward for achievements tied to Cineplex’s strategic objectives	Measures vary
25%	Individual Performance 25% weight	Reward for achieving goals that support Cineplex’s business objectives and individual performance	Measures vary

Cineplex did not achieve threshold results against annual EBITDAaL targets and achieved threshold results for performance-adjusted EBITDAaL. Guest NPS scores were at target for Exhibition and above target for LBE. Revenue and attendance (per patron) results were below target while cost management and employee engagement scores were above target. Based on these results, for 2024, the CNCG Committee approved an overall short-term incentive funding level of 76% to 79% across business lines.

The following table specifies the annual incentive payout as a percentage of target for the last three years.

Name	Actual Annual Incentive Paid (as a % of Target)		
	2022	2023	2024
Ellis Jacob ¹	0%	85%	60%
Gord Nelson	25%	85%	72%
Dan McGrath	25%	85%	72%
Fabrizio Stanghieri	25%	75%	63%
Kevin Watts	25%	88%	72%

(1) For 2023, Mr. Jacob was awarded 85% of target under the annual incentive plan which was delivered as 60% cash and 40% deferred as stock options.

EXECUTIVE DEFERRED SHARE UNIT PLANS

The Corporation has adopted two executive deferred share unit plans (the “**Executive DSU Plans**”) designed to facilitate equity ownership. The plans allow for either a three year deferral of Annual Incentive payment (the “**Three Year DSU Plan**”) or a longer deferral period (the “**Payment on Termination DSU Plan**”). NEOs and certain other senior officers are entitled to elect to receive all or a portion of the annual cash incentive annual incentive in the form of DSUs. The Executive DSU Plans do not provide any additional compensation.

Vesting

The DSUs in the Three Year DSU Plan vest on December 15th of the third calendar year following the year the annual incentive plan payment is payable (the “**Vesting Date**”). DSUs in the Payment on Termination DSU Plan vest upon the cessation of employment. On or after the Vesting Date (but in no event later than December 31st of the calendar year in which the Vesting Date falls) the vested DSUs will be settled for cash consideration determined by multiplying the number of vested DSUs by the “fair market value” of a Common Share on such date. The “fair market value” is defined as (if the Common Shares are listed on the TSX) the value of a Common Share determined by reference to the five-day average closing price of a Common Share on the immediately preceding five trading days, or, if the Common Shares are not so listed, the “fair market value” will be the value established by the Board in its sole discretion.

Terms

Participants are credited on the date that the annual incentive plan payment would otherwise be payable with a number of DSUs equal to the amount of the annual incentive plan payment elected in DSUs divided by the “fair market value” of the Common Shares on such date. Additional partial DSUs will be credited to participants equal to cash dividends paid on the same number of Common Shares, based on the “fair market value” of a Common Share at the time cash dividends are paid on the Common Shares.

LONG-TERM INCENTIVE COMPENSATION

The CNCG Committee annually reviews the amount of long-term incentive compensation (“**LTI**”) to be awarded to NEOs and other participants. The CNCG Committee meets with the CEO to solicit feedback regarding each individual’s present and potential contribution, total compensation package, number of Common Shares available for issuance under the Corporation’s Omnibus Plan, and limitations on grants to insiders.

PSUs represent 50% of the LTI grant and are subject to a performance multiplier range of 0% to 200% of target based on select performance criteria. The remainder of the LTI grant is split between RSUs (25% weight), to support retention of key talent, and stock options (25% weight) which reward on the basis of share price growth.

The CNCG Committee approved a below target LTI award for the CEO after consideration of overall alignment of pay with the Corporation’s 2024 performance. Given that LTI is a forward-looking compensation element, the LTI further aligns the CEO’s compensation with Shareholder return. All LTI awards for other NEOs were approved at target.

Name	Target of Base Salary (%)	Award Granted (% of Base Salary)	Long-term Incentive Mix		
			PSUs	RSUs	Stock Options
Ellis Jacob	250%	240%	50%	25%	25%
Gord Nelson	150%	150%	50%	25%	25%
Dan McGrath	150%	150%	50%	25%	25%
Fabrizio Stanghieri	75%	75%	50%	25%	25%
Kevin Watts	75%	75%	50%	25%	25%

OMNIBUS EQUITY INCENTIVE PLAN

At the Corporation's 2020 Annual and Special Meeting of Shareholders, the Omnibus Plan for future awards to replace the then existing PSU Plan, RSU Plan and Option Plan was approved by Shareholders. The Omnibus Plan provides the Corporation with flexibility in settling RSUs/PSUs in equity or cash at the discretion of the Corporation, and the flexibility in reporting LTI from a financial perspective. All stock options, RSUs and PSU grants beginning with the August 2020 grant (in respect of the 2019 performance year) are under the Omnibus Plan. All outstanding Common Shares available for future grants under the legacy Option Plan were transferred to the Omnibus Plan for future grants. Furthermore, all cancelled and forfeited options granted under the legacy Option Plan will be returned to the Omnibus Plan pool and be accounted in the reserve for future grants.

As of the date hereof, a maximum of 3,864,975 Common Shares have been reserved under the Omnibus Plan. The Board is seeking Shareholders' approval to increase the Share Issuance Limit by 3,400,000 Common Shares, such that the total number of Common Shares reserved under the Omnibus Plan will increase from 3,864,975 to 7,264,975.

As of the date hereof, a maximum of 1,200,000 Common Shares may be issued pursuant to the settlement of PSUs and RSUs. If the increase to the Share Issuance Limit is approved, the Corporation intends to increase the Share Issuance Sub Limit by 2,300,000 Common Shares to 3,500,000 Common Shares to ensure that the Omnibus Plan continues to function as desired.

The rights of a participant to the Omnibus Plan may not be transferred except as required by law or as otherwise approved by the CNCG Committee.

PERFORMANCE SHARE UNITS

The Corporation grants PSUs to certain executives, as selected by the CEO and approved by the CNCG Committee. Each PSU granted notionally represents the value of one Common Share on the date of grant. If Cineplex pays a dividend, additional partial PSUs are awarded equal in value at that time to the dividends that would be paid on the same number of Common Shares.

The CNCG Committee annually determines the terms of the PSU grants including the performance period, performance measures and multiplier, based on the recommendation of the CEO and input from management. The PSU grant has a performance multiplier range of 0% to 200% of target based on the actual performance at the end of three years of select performance measures.

The CNCG Committee approved new performance measures for PSUs effective 2025, as follows:

Performance Measures	3-year average Return on Invested Capital (ROIC)	3-year average Earnings Per Share (EPS) Growth	3-year Relative Total Shareholder Return (TSR) vs. performance peers
Weighting	25%	25%	50%

ROIC and EPS were added to align management's performance with longer-term financial objectives that drive shareholder value. TSR is measured on a rank basis against a group of organizations that operate in the same industry as Cineplex's core business of theatrical exhibition and entertainment centres, including AMC Entertainment Holdings, Inc., Cinemark Holdings, Inc., Dave & Buster's Entertainment Inc., IMAX Corporation, National CineMedia Inc., and The Marcus Corporation, as these organizations are most like Cineplex and most

regularly evaluated against by public market analysts. The TSR comparison against the broader S&P / TSX Composite has been removed given that the companies in the index significantly differ from Cineplex.

Vesting

Under the terms of the Omnibus Plan, for PSUs, a participant's award will vest at the end of the applicable performance period. On a date selected by the CNCG Committee, and subject to any withholding obligations, a participant will receive their vested PSUs based on actual performance against the objectives, and the Corporation will either provide the Common Shares or make a lump sum cash payment in an amount equal to the number of vested PSUs held by such participant multiplied by the volume-weighted average price of the Common Shares for the 5 trading days immediately prior to the settlement date.

Terms

PSUs granted under the Omnibus Plan can be settled in either cash or equity at the discretion of the Corporation. The terms and conditions of PSUs granted under the Omnibus Plan are subject to adjustment under certain circumstances, as set forth in the Omnibus Plan, at the discretion of the CNCG Committee. The CNCG Committee may discontinue grants of PSUs in the Omnibus Plan at any time or, except as set forth below, may amend the terms of PSUs under the Omnibus Plan at any time (including amendments to change the vesting provisions of any PSU), provided, however, that no such amendment or termination may diminish any rights accrued in respect of grants of PSUs made prior to the effective date of such amendment or termination.

PSUs Vesting at the End of 2024

The PSUs granted in 2022 vested on September 30, 2024, based on Cineplex's relative TSR performance over three years against the PSU Select Peer Group (67% weight) and the S&P/TSX Composite (33% weight) with a performance factor of 56%. Furthermore, the vesting price decreased by 24% compared to grant price, resulting in the payout value at 42% of the grant value.

RESTRICTED SHARE UNITS

RSUs granted under the Omnibus Plan operate in the same manner and have the same terms as the PSUs and may be settled in either equity or cash at the discretion of the Corporation, however, they do not have any performance conditions. Each RSU notionally represents the value of one Common Share on the date of the grant. Additional partial RSUs will be credited to each RSU participant equal to cash dividends paid on the same number of Common Shares, based on the "fair market value" of a Common Share at the time cash dividends are paid on the Common Shares.

Vesting

A participant's RSU award will vest at the end of the applicable period, consistent with the Omnibus Plan. On a date selected by the CNCG Committee, a participant will redeem the vested RSUs and the Corporation will either provide the Common Shares or make a lump sum cash payment in an amount equal to the number of vested RSUs held by such participant multiplied by the volume-weighted average price of the Common Shares for the 5 trading days immediately prior to the settlement date.

STOCK OPTIONS

Stock options may be granted under the terms of the Omnibus Plan to participants in respect of unissued Common Shares.

Grant Determination	The CEO considers each participant's present and potential contribution to the success of the Corporation and provides a recommendation to the CNCG Committee which annually recommends the number and allocation of options per participant to be granted by the Board.
Exercise Price	All options will have a fixed exercise price, which shall not be less than the closing price of the Common Shares on the TSX on the trading day immediately preceding the date of grant (except that if no Common Shares traded in the five preceding trading days, the exercise price will not be less than the average of the closing bid and ask prices over the preceding five trading days).
Vesting	One-fourth of the total options granted vest on each of the first four anniversaries of the grant.

Defined Benefit Plan

Cineplex Entertainment LP established a supplemental executive retirement plan (“**SERP**”) for Mr. Jacob, pursuant to the terms of his employment agreement, effective January 1, 2006, and amended and restated on October 1, 2010, March 1, 2014, and March 1, 2017. Mr. Jacob’s contract was renewed for an additional year until December 31, 2025. Cineplex Entertainment LP is required to secure its obligations under the SERP by posting a letter of credit with a face amount equal to the accrued pension benefit obligation in respect of the SERP as recorded in the Annual Financial Statements. The SERP provides for annual maximum payments of \$650,000.

Mr. Jacob is entitled (at his option) to elect to receive an annual payment or a lump sum payment equal to the value of the applicable benefit described above upon retirement. If Mr. Jacob’s employment is terminated in any of the three circumstances described below, then Mr. Jacob will be entitled (at his option) to either: (a) receive a lump sum payment of the present value of an annuity that would provide for annual payments determined as if he had retired as at the date of termination of his employment; or (b) to receive such annual payments commencing as at the date of termination of his employment. The three circumstances under which this option exists are, if Mr. Jacob’s employment is terminated: (i) by Cineplex Entertainment LP without cause; (ii) by Mr. Jacob based on constructive dismissal or similar circumstances or within 12 months following a change of control; or (iii) by Mr. Jacob or Cineplex Entertainment LP as a result of Mr. Jacob becoming disabled. For details, please refer to the Defined Benefit Plan table following the Summary Compensation Table.

EXECUTIVE SUCCESSION PLANNING

Objective

A key responsibility of the Board, acting on the recommendations of the CNCG Committee, is to ensure that there is an emergency plan and a long-term plan in place to replace the CEO when appropriate.

Action

In addition to reviewing the CEO’s performance annually on a formal basis, regular discussions are held with the CEO about retirement plans and term of contract to facilitate long-term succession planning. Based on the talent review process, input of the CEO and other considerations for any qualified external candidates, the CNCG Committee and the Board ensure that there is a short-term and long-term plan to manage CEO succession in an orderly manner and to ensure that the best talent is selected.

Talent Review

The CNCG Committee conducts annual talent reviews with the CEO to assess the potential bench strength of key executives, including the following:

- Actual performance against objectives;
- Key strengths;
- Development opportunities;
- Promotion potential of key executives; and
- In-depth review of the contingency and long-term succession plans for the CEO and executive team.

Throughout the year, key executives present business information at Board or committee meetings to demonstrate their business knowledge and potential for taking on more responsibility. Social and other events beyond meetings are held to allow Directors to interact more informally with key executives and other employees.

PERFORMANCE GRAPH

The graph below compares the return for \$100 invested in Common Shares on December 31, 2019, with the total return of the S&P/TSX Composite Index (the “Index”), assuming the reinvestment of dividends in additional Common Shares. The graph also illustrates the relationship between Shareholder return and NEO compensation.

NEO compensation is based on the amounts disclosed in the Summary Compensation Table relating to fiscal periods from 2019 to 2024 for the five most highly compensated executive officers in each year.

From 2019 to 2024, the Corporation’s total shareholder return was negative (-64%), particularly due to the sharp decline of the share price in 2020 as a result of the impact of COVID-19 on the Corporation’s operations. Compensation in 2020 was below target levels as the NEOs accepted reduced salaries and did not receive annual incentive awards. The pandemic continued to impact the Corporation’s financial performance and the NEOs compensation in 2021 and 2022 with annual incentive awards paid below target levels. As financial performance has improved in more recent years, annual incentive awards have paid closer to target, LTI grants have been adjusted to market levels, and total compensation has increased.

While compensation reported in the Summary Compensation Table includes actual cash (base salary and bonus), Cineplex notes that it also includes the LTI at grant and not the amounts that have been realized by the NEOs through these programs. The PSUs granted in 2020, 2021 and 2022 paid out well below target grant values reflected in the summary compensation table, aligning pay with shareholder experience (43%, 61%, and 56% of grant value, respectively).

2024 CEO COMPENSATION AND PAY FOR PERFORMANCE

2024 Compensation

The CNCG Committee ensured there was overall alignment of pay with the Corporation's 2024 performance, and approved the following:

- No base salary increase;
- Lower annual incentive award at 60% of target;
- Below target LTI award at 240% of base salary, granted in February 2025;
- Approval of final performance factor for 2022 PSUs of 0.56x and settlement price of \$10.14 for RSUs and PSUs, resulting in an overall realized value of 42% of the grant value.

In addition to the above, in November 2024, the Board renewed Mr. Jacob's contract, which resulted in a negative compensatory impact on his pension (-\$632,900).

5-year Equity Value Look Back

Based on the December 31, 2024, Common Share price, the long-term incentives granted over the past five years were valued between 32% and 149% of the grant value. The CEO currently holds stock options granted between 2018 and 2023. Except for 2023 stock options grants, all other stock options are out-of-the-money as at December 31, 2024.

CEO Long-Term Incentive Value (year of grant)		2020	2021	2022	2023	2024

- (3) Paid value for 2020, 2021, and 2022 represents actual payout based on share price at settlement. RSU Current value for 2023 and 2024 grants, respectively, represent the number of RSUs awarded multiplied by the TSX closing share price per Common Share of \$12.20 as at December 31, 2024.

Zone of Alignment

The following graph provides another perspective of Cineplex's CEO pay-for-performance alignment relative to Cineplex's Primary Reference group, which includes direct Canadian consumer-facing and U.S. exhibitor peers. Each dot on the table represents a reference organization. Cineplex's positioning within the alignment zone illustrates that Cineplex's relative three-year total CEO compensation is aligned with Cineplex's relative total shareholder return (share price increase plus dividends, "TSR").

Notes:

- (1) TSR reflects the three-year period ending December 31, 2024.
- (2) Total compensation is the actual compensation disclosed in the Summary Compensation Table for the previous three years.

SUMMARY OF LONG-TERM INCENTIVE PLANS

OPTION PLAN

The aggregate number of Common Shares reserved for issuance upon the exercise of all options granted under the Option Plan may not exceed 5,250,000 Common Shares. No more options may be granted under the Option Plan. If options granted under the Option Plan are cancelled or reach maturity without being exercised, the underlying Common Shares will be transferred to the Omnibus Plan.

Except with the approval of the Shareholders given by the affirmative vote of a majority of the votes cast at a meeting of the Shareholders (excluding the votes attaching to Common Shares beneficially owned by insiders, to whom Common Shares may be issued pursuant to any unit compensation arrangement, and their associates²), no options shall be granted to any participant if such grant could result in the aggregate number of Common Shares issued to insiders within any 12-month period, or issuable to insiders at any time, under the Option Plan and any other security compensation arrangement, exceeding 10% of the total number of issued and outstanding Common Shares and securities exchangeable for Common Shares at such time.

Pursuant to the Option Plan, a participant, rather than exercising an option, may elect at any time to surrender their vested options for cancellation and receive an amount (the "**Growth Amount**") equal to the difference between the market price of the Common Share underlying the option and the exercise price of the option, which Growth Amount, less any amounts required to be withheld, will be payable through the issuance by the Corporation to the participant of a number of Common Shares calculated by dividing the Growth Amount by the market price of the underlying Common Shares.

The Option Plan provides that a participant will be required to repay funds from the disposition of Common Shares acquired on exercise of an option or proceeds derived from an option in certain circumstances, including where the participant has been determined to have engaged in acts of fraud or breach of fiduciary duty.

The terms and conditions of options granted under the Option Plan are subject to adjustment under certain

² The term "associates" as defined in the *Securities Act* (Ontario).

circumstances, as set forth in the Option Plan, at the discretion of the Board. The Board may discontinue the Option Plan at any time or, except as set forth below, amend the Option Plan at any time (including amendments to change the vesting provisions of any option, change the termination provisions of any option that does not entail an extension beyond the original expiration date or change eligible participants of the Option Plan), provided, however, that no such amendment may adversely alter or impair any option previously granted to a participant without the consent of the participant. Any such amendment shall, if required, be subject to the prior approval of, or acceptance by, the TSX.

An amendment to: (i) increase the aggregate number of Common Shares issuable under the Option Plan; (ii) extend the term of an option other than as provided for in the Option Plan; (iii) reduce the exercise price of options previously granted, (iv) cancel and reissue options to the same participant at a lower price; (v) effect a change in the eligibility to participate in the Plan which would permit non-employee Director participation in the Plan; or (vi) effect a change which would permit options to be transferable or assignable, other than in the event of death or legal incapacity, requires approval by vote of a majority of the votes cast at a meeting of the Shareholders (excluding the votes attaching to Common Shares beneficially owned by insiders, to whom Common Shares may be issued pursuant to any unit compensation arrangement, and their associates).

OMNIBUS EQUITY INCENTIVE PLAN

The aggregate number of Common Shares reserved for issuance upon the exercise of all options granted and PSUs and RSUs settled in Common Shares under the Omnibus Plan may not exceed 3,864,975. The Corporation is seeking approval from its shareholders to increase the aggregate number of Common Shares reserved and available for issuance under the Omnibus Plan by 3,400,000 Common Shares, such that the total number of Common Shares reserved under the Omnibus Plan will increase from 3,864,975 to 7,264,975. Options currently outstanding under the Option Plan that are cancelled or expire may be transferred to the Omnibus Plan and become available to be settled in Common Shares under the Omnibus Plan.

Except with the approval of the Shareholders given by the affirmative vote of a majority of the votes cast at a meeting of the Shareholders (excluding the votes attaching to Common Shares beneficially owned by insiders, to whom Common Shares may be issued pursuant to any unit compensation arrangement, and their associates), no equity shall be granted to any participant if such grant could result in the aggregate number of Common Shares issued to insiders within any 12-month period, or issuable to insiders at any time, under the Omnibus Plan and any other security compensation arrangement, exceeding 10% of the total number of issued and outstanding Common Shares and securities exchangeable for Common Shares at such time.

Awards of options, RSUs and PSUs may be made under the Omnibus Plan. All of the awards are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Plan Administrator, in its sole discretion, subject to such limitations provided in the Omnibus Plan, and will generally be evidenced by an award agreement. In addition, subject to the limitations provided in the Omnibus Plan and in accordance with applicable law, the Plan Administrator may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, and waive any condition imposed with respect to awards or Common Shares issued pursuant to awards.

Pursuant to the Omnibus Plan, a participant, rather than exercising an option, may elect at any time to surrender their vested options for cancellation (a “**Cashless Exercise**”) and receive an amount (the “**In-the-Money Amount**”) equal to the difference between the market price of the Common Share underlying the option and the exercise price of the option. Subject to the provisions of the Omnibus Plan, the Corporation will satisfy payment of the In-the-Money Amount by delivering to the participant such number of Common Shares having a fair market value equal to the In-the-Money Amount. Only the number of Common Shares actually issued to the participant in connection with a Cashless Exercise will reduce the number of Common Shares reserved for issuance under the Omnibus Plan.

The number of RSUs or PSUs granted at any particular time under the Omnibus Plan will be calculated by dividing (a) the amount of any annual incentive or similar payment that is to be paid in RSUs or PSUs, as determined by the Plan Administrator, by (b) the greater of (i) the Market Price of a Common Share on the date of grant and (ii) such amount as determined by the Plan Administrator in its sole discretion. The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of RSUs or PSUs. Upon settlement, holders will

receive (a) one fully paid and non-assessable treasury Common Share in respect of each vested RSU or PSU, (b) a cash payment or (c) a combination of Common Shares and cash, in each case as determined by the Plan Administrator. Any such cash payments made by the Corporation shall be calculated by multiplying the number of RSUs to be redeemed for cash by the market price per Common Share as at the settlement date.

RSUs and PSUs shall be credited with dividend equivalents in the form of additional RSUs and PSUs, as applicable. Dividend equivalents shall vest in proportion to, and settle in the same manner as, the awards to which they relate. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Common Share by the number of RSUs and PSUs, as applicable, held by the participant on the record date for the payment of such dividend, by (b) the market value of a Common Share at the close of the first business day immediately following the dividend record date, with fractions being rounded up to the nearest whole number.

The terms and conditions of options, RSUs and PSUs granted under the Omnibus Plan are subject to adjustment under certain circumstances, as set forth in the Omnibus Plan, at the discretion of the Board. The Board may discontinue the Omnibus Plan at any time or, except as set forth below, amend the Omnibus Plan at any time (including amendments to change the vesting provisions of any option, RSU or PSU, change the termination provisions of any option, RSU or PSU that does not entail an extension beyond the original expiration date, provided, however, that no such amendment may adversely alter or impair any option, RSU, or PSU previously granted to a participant without the consent of the participant. Any such amendment shall, if required, be subject to the prior approval of, or acceptance by, the TSX.

An amendment to: (i) increase the aggregate number of Common Shares issuable under the Omnibus Plan; (ii) extend the term of an option other than as provided for in the Omnibus Plan; (iii) reduce the exercise price of options previously granted; (iv) cancel and reissue options to the same participant at a lower price; (v) effect a change in the eligibility to participate in the Omnibus Plan; (vi) effect a change which would permit options to be transferable or assignable, (vii) increase or remove the 10% limits on Common Shares issuable or issued to insiders, or (viii) delete or reduce the range of amendments which require approval of Shareholders, requires approval by vote of a majority of the votes cast at a meeting of the Shareholders (excluding the votes attaching to Common Shares beneficially owned by insiders to whom Common Shares may be issued pursuant to any unit compensation arrangement and their associates).

Securities Authorized for Issuance Under Equity Compensation Plans

The following dilution calculation includes the total equity available to grant and equity granted but not yet exercised (collectively, the “**Equity Pool**”). As at December 31, 2024, there were 766,241 options available and outstanding under the Option Plan representing a dilution level of 1.2% on the then 63,423,010 outstanding Common Shares. Under the Omnibus Plan, there were 3,864,975 options, RSUs, and PSUs available and outstanding representing a dilution level of 6.1% on 63,423,010 outstanding Common Shares.

Exercised options that do not result in the issuance of Common Shares are returned to the pool and are included in the calculations of the equity pool and dilution level contained herein. In 2024, a total of 641,553 options and 922,612 PSUs and RSUs were granted, representing 2.5% of all Common Shares outstanding as at December 31, 2024. Cineplex’s burn rate for the prior three years has been 1.5% (2021), 1.1% (2022), and 2.0% (2023).

PENSION ARRANGEMENTS

Cineplex's pension and group retirement savings plans are described above under the "Compensation Discussion & Analysis" section and the following table outlines the details for 2024 relating to the CEO.

Defined Benefit Plan Table SERP – Ellis Jacob

Number of Years Credited Service (#)	Annual Benefits Payable (\$)		Accrued Obligation at Start of Year (\$)	Compensatory Change (\$)	Non- Compensatory Change (\$)	Accrued Obligation at Year End (\$)
	At Year End	After age 69				
25.5	650,000	650,000	7,965,100	(632,900)	416,200	7,748,400

The actuarial valuation amount for 2024 in the "Compensatory Change" column reflects a negative amount arising from the retirement date being deferred. At the end of 2020, Mr. Jacob had reached the maximum benefit payable under the terms of the SERP. In November 2024, Mr. Jacob's employment contract was renewed by the Board for an additional year to December 31, 2025.

TERMINATION AND CHANGE OF CONTROL BENEFITS

Under the terms of the employment agreements for each NEO, in the event of termination other than for cause or disability, and including upon a "change of control" (as defined below), the NEO will be paid a lump sum amount of base salary and annual incentive as set out below. The NEO will also continue to receive benefits during the period of notice set out below following termination (other than Mr. Jacob, who will continue to receive such benefits for the remainder of his life).

For purposes of the employment agreements, a "change of control" means any sale, disposition, assignment, reorganization, amalgamation, merger or other transaction, or series of related transactions, as a result of which an Entity or group of Entities acting jointly or in concert, or Entities associated or affiliated with any such Entity or group within the meaning of the *Securities Act* (Ontario), becomes the owner, legal or beneficial, directly or indirectly, of fifty percent (50%) or more of the Common Shares (on a fully-diluted basis) or exercises control or direction over fifty percent (50%) or more of such shares (on a fully-diluted basis). For greater certainty, a transaction that constitutes an internal reorganization of the Corporation (including, but not limited to: (i) the sale, disposition or restructuring of the Corporation or any Affiliate thereof; or (ii) any change in duties or reporting structure as a result of such reorganization) shall not constitute a Change of Control so long as the Corporation's shareholders prior to such reorganization continue to hold fifty percent (50%) or more of the equity securities of the successor entity following completion of the reorganization.

DSU Plans

Termination	Under the Payment on Termination DSU Plan, a participant will be entitled to receive, after the effective date the participant ceases to be an employee of the Corporation (the “Termination Date”): (i) on the day, designated by the participant in writing to the Board, during the period commencing on the business day immediately following the Termination Date and ending on the 90th day following such date, which date shall be no later than the end of the calendar year following the year in which the Termination Date occurs; and (ii) if no notice is given, then on the 90th day following the Termination Date, a lump sum cash payment equal to the number of vested DSUs credited to such participant’s DSU account multiplied by the value of a Common Share on the Termination Date net of any applicable withholdings. If the services of a participant in the Three Year DSU Plan are terminated prior to the Vesting Date, the participant is entitled, by giving written notice to the Corporation, to redeem such participant’s DSUs on a date which shall not be prior to the sixth trading day following the release of the Corporation’s quarterly or annual results and shall be no later than: (i) the end of the calendar year following the year in which the participant’s employment was terminated; and (ii) the Vesting Date for an amount equal to the “fair market value” of all DSUs held by such participant under the DSU Plan. If the participant fails to provide notice to the Corporation, the participant will be deemed to have elected to redeem all DSUs as of the earliest to occur of: (i) the end of the calendar year following the year in which the participant’s employment was terminated; and (ii) the Vesting Date.
Change of Control	Upon a “change of control,” at the discretion of the CNCG Committee, all DSUs will vest and be redeemable at their “fair market value” for executives and all DSUs granted under the Directors’ DSU Plan will immediately vest at the discretion of the CNCG Committee. Alternatively, to the extent that the change of control would also result in a capital reorganization, arrangement, amalgamation or reclassification of the capital of the Corporation and the CNCG Committee does not accelerate the vesting of DSUs, the CNCG Committee may make adequate provisions to ensure that, upon completion of the proposed change of control, the number of DSUs outstanding under each Executive DSU Plan or on determination of the “fair market value” shall be appropriately adjusted in such manner as it considers equitable, in its discretion, to prevent substantial dilution or enlargement of the rights granted to holders of the DSUs.

Option Plan - For Stock Options Awarded Prior to 2020

Termination	Subject to the overriding discretion of the CNCG Committee, an option and all rights to purchase Common Shares pursuant thereto shall expire and terminate immediately upon the participant who holds such option ceasing to be an officer or employee, except that: (i) other than in the case of termination for cause, all vested and exercisable options held at the time a participant ceases to be an eligible person may be exercised by the participant for a period of 30 days following the time that such participant ceases to be an eligible person and after such 30 day period shall expire and terminate; (ii) in the case of retirement, all options held at the time a participant ceases to be an eligible person will continue to vest and may be exercised by the participant for a period of three years following the time that such participant ceases to be an eligible person and after such three year period shall expire and terminate; (iii) in the case of death or disability, all vested and exercisable options held at the time a participant ceases to be an eligible person may be exercised by the participant for a period of one year following the time that such participant ceases to be an eligible person and after such one year period shall expire and terminate; and (iv) where an employment agreement provides otherwise.
Change of Control	Upon a “change of control”, all options will become exercisable. A “change of control” is defined in the Option Plan as any sale, disposition, assignment, reorganization, amalgamation, merger or other transaction, or series of related transactions, as a result of which an entity or group of entities acting jointly or in concert, or entities associated or affiliated with any such entity or group within the meaning of the <i>Securities Act</i> (Ontario), becomes the owner, legal or beneficial, directly or indirectly, of more than 50% of the Common Shares or exercises control or direction over more than 50% of the Common Shares.

Omnibus Equity Incentive Plan

Termination	If a participant is terminated for cause, such participant will, unless otherwise determined by the CNCG Committee in writing, forfeit all rights to any vested and unvested awards held by such participant. If a participant resigns or a participant's employment is terminated without cause, any unvested awards shall be immediately forfeited and cancelled; any vested awards may be exercised or settled by the participant during the period that terminates on the earlier of: (a) the expiry date of such award; and (b) the date that is 30 days after the termination date, provided that with respect to any PSUs held by a participant terminated without cause, the attainment of performance goals shall be assessed based on the lesser of (i) the actual achievement of the performance goals up to the termination date, and (ii) Target Performance (as defined in the Omnibus Plan). Any award that has not been exercised, settled or surrendered at the end of such period shall be immediately forfeited and cancelled. If the employment of a participant is terminated due to death, any award held by the participant that has not vested as of the date of death shall vest on such date and may be exercised, settled or surrendered to the Corporation by the participant at any time during the period that terminates on the earlier of: (a) the expiry date of such award; and (b) the first anniversary of the date of death, with any award that has not been exercised, settled or surrendered at the end of such period being immediately forfeited and cancelled. If the employment of a participant is terminated due to disability, then each award held by the participant that has not vested as of the date of the disability of such participant shall vest on such date and may be exercised or surrendered to the Corporation by a participant at any time until the expiry date of such award, provided that with respect to any PSUs held by such disabled participant, the attainment of performance goals shall be assessed on the basis of the lesser of: (i) the actual achievement of the performance goals up to the termination date; and (ii) Target Performance (as defined in the Omnibus Plan). If a participant's employment is terminated due to Retirement (defined as age 60 or earlier at the discretion of the Plan Administrator), options will continue to vest in accordance with their terms and may be exercised at any time during the period that terminates on the earlier of: (i) the expiry date of the option; and (ii) the fourth anniversary of the termination date; RSUs shall continue to vest in accordance with their terms, and PSUs shall continue to vest in accordance with their terms and actual attainment of performance goals with respect to such PSUs.
Change of Control	If a participant's employment is terminated without cause within 12 months following a "change in control", any unvested awards shall immediately vest and any vested awards may be exercised, settled or surrendered by the participant at any time during the period that terminates on the earlier of: (i) the expiry date of such award; and (ii) the date that is 90 days after the termination date, provided that with respect to any PSUs held by a participant, the attainment of performance goals shall be assessed on the basis of the lesser of: (i) the actual achievement of performance goals up to the Termination Date; and (ii) Target Performance (as defined in the Omnibus Plan). The Plan Administrator may, without the consent of any participant, take such steps as it deems necessary or desirable, including to cause: (i) the conversion or exchange of any outstanding awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a change in control; (ii) outstanding awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an award to lapse, in whole or in part prior to or upon consummation of such merger or change in control and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such merger or change in control; (iii) the termination of an award in exchange for an amount of cash or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such award or realization of the participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such award or realization of the participant's rights, then such award may be terminated by the Corporation without payment); (iv) the replacement of such award with other rights or property selected by the Board in its sole discretion; or (v) any combination of the foregoing. In taking any of these actions, the Plan Administrator will not be required to treat all awards similarly in the transaction. Unless otherwise determined by the Plan Administrator, if, as a result of a change in control, the Common Shares will cease trading on the TSX, the Corporation may terminate all of the awards, other than an option held by a participant that is a resident of Canada for the purposes of the <i>Income Tax Act</i> (Canada), granted under the Omnibus Plan at the time of and subject to the completion of, the change in control transaction by paying to each holder an amount equal to the fair market value of his or her respective award (as determined by the Plan Administrator, acting reasonably) at or within a reasonable period of time following completion of such change in control transaction. A "change in control" is defined in the Option Plan as any sale, disposition, assignment, reorganization, amalgamation, merger or other transaction, or series of related transactions, as a result of which an entity or group of entities acting jointly or in concert, or entities associated or affiliated with any such entity or group within the meaning of the <i>Securities Act</i> (Ontario), becomes the owner, legal or beneficial, directly or indirectly, of more than 50% of the Common Shares or exercises control or direction over more than 50% of the Common Shares.

The following table is a summary of payments that would be made under various termination scenarios for each NEO, all with an effective departure date of December 31, 2024. In all cases any outstanding base salary, annual incentive and unused vacation relating to the period of employment up to the date of departure would be due and payable but are not included in the table. The amounts reflected in the below tables are not reflected in the Summary Compensation Table.

TABLE 1: Termination in the Event of: (a) Without Cause; or (b) Mr. Jacob, Mr. McGrath and Mr. Nelson, Resignation for Good Reason (other than under a Change of Control) as such terms are defined in their respective employment agreements.

Name	Period of Notice	Base Salary & Bonus Notice (\$) ⁽¹⁾	Unit-Based Awards (\$) ⁽²⁾	Option-Based Awards (\$) ⁽³⁾	Pension Value (\$) ⁽⁴⁾	All Other Compensation (\$) ⁽⁵⁾
Ellis Jacob	36 months	6,000,000	4,664,865	1,268,778	94,680	236,032
Gord Nelson	24 months	1,750,000	800,695	-	50,000	-
Dan McGrath	24 months	1,942,014	920,606	-	55,486	-
Fabrizio Stanghieri	18 months	780,300	308,581	-	26,010	-
Kevin Watts	18 months	745,200	294,419	-	24,840	-

Notes:

- (1) Base salary and bonus notice payments to Mr. Jacob will be made within 10 business days. For all other NEOs payment by lump sum or base salary continuance will be determined in accordance to their respective employment agreements.
- (2) Value of Unvested Unit Based Awards (RSUs/PSUs) is calculated at TSX closing price on December 31, 2024 of \$12.20 per Common Share. Table 1 includes unvested PSUs with performance periods ending after December 31, 2024. 2023 and 2024 PSUs are valued at a 1.0x performance factor. In the case of the CEO, PSUs are paid at the end of the three-year Performance Period, thus creating a performance tail. For all other NEOs, PSUs are prorated for the period of active employment. PSUs in their second or third year of their three-year Performance Period are paid at the end of the Period, thus creating a performance tail.
- (3) In the case of Mr. Jacob, this includes all vested and unvested options (the above-noted amount reflects unvested options only). In the case of the remaining NEOs, any vested options can be exercised but do not represent additional value upon departure. Unvested options expire upon departure under this scenario.
- (4) In the case of Mr. Jacob, the pension value represents three years of GRRSP employer contributions during the notice period. In the event of resignation with six months' notice, there are no further GRRSP contributions. For the remaining NEOs, the Pension Value is equivalent to GRRSP employer contributions during the notice period.
- (5) All Other Compensation does not include the value of group benefits that continue during the notice period. In the case of Mr. Jacob, All Other Compensation includes insurance costs relating to the notice period. For the remaining NEOs, All Other Compensation is less than \$50,000.

TABLE 2: Termination Following a Change of Control (all NEOs), either by Employer Without Cause or by Employee for Good Reason as such term is defined in their respective employment agreements (CEO does not Require Good Reason for First 12 Months)

Name	Period of Notice	Base Salary & Bonus Notice (\$) ⁽¹⁾	Unit-Based Awards (\$) ⁽²⁾	Option-Based Awards (\$) ⁽³⁾	Pension Value (\$) ⁽⁴⁾	All Other Compensation (\$) ⁽⁵⁾
Ellis Jacob	36 months	5,700,000	4,664,865	1,268,778	94,680	236,032
Gord Nelson	24 months	1,600,000	1,447,420	285,975	50,000	-
Dan McGrath	24 months	1,942,014	1,648,976	323,475	55,486	-
Fabrizio Stanghieri	18 months	724,200	540,582	104,172	26,010	-
Kevin Watts	18 months	695,520	518,354	100,296	24,840	-

Notes:

- (1) All payments are made on a lump sum basis within 10 business days subject to the provisions of each NEO's employment agreement. If the change of control does not result in termination of employment, the base salary and bonus notice payments do not apply. Under the CEO's employment agreement updated effective March 1, 2014, notice payments under a change of control are now capped at \$5,700,000 regardless of the then current base salary and target bonus amounts.

- (2) Includes unvested PSUs and RSUs with performance periods ending after December 31, 2024. All RSUs and PSUs vest immediately unless they can reasonably continue by the successor entity and no termination occurs, in which case the incremental value of Unit-Based Awards would be \$0 under this scenario. 2023 and 2024 PSUs are valued at a 1.0x performance factor. In the case of the CEO, PSUs are paid at the end of the three-year Performance Period, thus creating a performance tail. For all other NEOs, PSUs are prorated for the period of active employment. PSUs in their second or third year of their three-year Performance Period are paid at the end of the Period, thus creating a performance tail.
- (3) Includes all unvested options, which vest immediately.
- (4) In the case of Mr. Jacob, the amount represents three years of GRRSP employer contributions during the notice period. In the event of resignation with six months' notice, there is no further GRRSP contributions. For the remaining NEOs, the Pension Value is equivalent to GRRSP employer contributions during the notice period.
- (5) All Other Compensation does not include the value of group benefits that continue during the notice period. In the case of Mr. Jacob, All Other Compensation includes insurance costs relating to the notice period. For the remaining NEOs, All Other Compensation is less than \$50,000.

Termination with Cause (all NEOs), CEO Resignation with less than 6 Months' Notice, all other NEO Resignations

No compensation will be paid upon termination under these conditions. Any options that vested prior to the date of resignation would remain vested in the relevant NEO and could be exercised.

TABLE 3: Termination as a Result of Disability (all NEOs)

Name	Period of Notice	Base Salary & Bonus Notice (\$)	Unit-Based Awards (\$) ⁽¹⁾	Option-Based Awards (\$) ⁽²⁾	Pension Value (\$)	All Other Compensation (\$) ⁽³⁾
Ellis Jacob	-	-	4,664,865	1,268,778	-	236,032
Gord Nelson	-	-	800,695	285,975	-	-
Dan McGrath	-	-	920,606	323,475	-	-
Fabrizio Stanghieri	-	-	308,581	104,172	-	-
Kevin Watts	-	-	294,419	100,296	-	-

Notes:

- (1) Includes unvested PSUs with performance periods ending after December 31, 2024. The 2023 and 2024 PSUs are valued at a 1.0x performance factor. In the case of the CEO, PSUs are paid at the end of the three-year Performance Period, thus creating a performance tail. For all other NEOs, PSUs are prorated for the period of active employment. PSUs in their second or third year of their three-year Performance Period are paid at the end of the Period, thus creating a performance tail.
- (2) The Option Plan provides that options be exercised within one year from date of departure due to death or disability (accelerated vesting in these limited circumstances) and within four years from date of departure due to retirement. Option value represents the unvested awards remaining at a value of \$12.20 (December 31, 2024, TSX Common Share closing price).
- (3) All Other Compensation is the same as set out in item (5) to the first termination table. Continued benefits coverage during the notice period for disability is dependent upon the carrier's plan policies.

EMPLOYMENT AGREEMENTS

Each of the NEOs is subject to an employment agreement, which contains provisions setting out: (i) the base salary; (ii) the manner for increasing the base salary; (iii) scope of responsibilities; (iv) entitlements to benefits; (v) entitlement to participation in compensation plans; and (vi) severance benefits that may be provided on termination of services. Each employment agreement provides that the NEO will be provided with a compensation package (base salary, incentives and benefits).

Base Salaries

The base salaries paid to each of the NEOs in 2024 are set out in the Summary Compensation Table.

Annual Incentives

All of the NEOs are entitled to receive an annual incentive based upon the achievement of targets set by the CNCG Committee. The annual incentive design and targets are approved by the CNCG Committee and are set out in the “Annual Incentives” section above. All performance targets on financial measures are the same for any NEOs who have the measure within their bonus plan.

Long-term Incentive Compensation

All NEOs are eligible to participate in any LTI plans that may exist from time to time. The Board determines the amount of any annual awards under these plans and the amount of each individual award based on the relative contribution of the individual as assessed by the CEO and the CNCG Committee.

With respect to PSUs, RSUs and options under the Omnibus Plan, any grants made to the CEO before retirement will vest fully on a post-retirement basis. Under this scenario, PSUs and RSUs are fully valued and are paid at the end of the three-year Performance Period, thus creating a performance tail. For all other NEOs, PSUs and RSUs are prorated for the period of active employment within the Performance Period. PSUs and RSUs in their second or third year of their three-year Performance Period are paid at the end of the period, thus creating a performance tail.

Perquisites and Benefits

Under the terms of the employment agreements, the CEO receives an annual car allowance in the amount of \$24,000; all other NEOs are entitled to an annual car allowance of \$14,000.

All NEOs are subject to a non-competition clause for 12 months following departure and a non-solicitation clause for the same 12-month period. Mr. Jacob will also receive post-retirement health and dental benefits for the remainder of his life and administrative services with an annual cost to the Corporation of up to \$50,000 for the first five years of his retirement.

Mr. Jacob’s employment agreement was renewed for an additional year (to December 31, 2025) by the Board at the November, 2024, Board meeting. Mr. Jacob’s employment agreement stipulates that he shall be a Director, subject to election by the Shareholders. No compensation is paid to Mr. Jacob for his role as a Director.

OTHER INFORMATION

For the insurance term November 1, 2024 to October 31, 2025, the Corporation paid a total premium of \$419,551 or a rate per million dollars of coverage of \$7,628 (a 14.3% decrease year-over-year). The by-laws of the Corporation provide for indemnification of its Directors and officers from and against liability and costs in respect of any action or suit against them in connection with the execution of their duties of office, subject to certain usual limitations.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

To the knowledge of the Directors, other than as disclosed in this Circular, no "Informed Person" has had any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any material transaction (or any proposed transaction) with the Corporation, in the past five years. "Informed Person" means: (a) a Director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an Informed Person or subsidiary of the Corporation; (c) any person or company who beneficially owns or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights attached to all Common Shares; (d) the Corporation, if it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities; and (e) any associate or affiliate of any Informed Person.

CORPORATE GOVERNANCE

The Board and management of the Corporation recognize that effective corporate governance practices are fundamental to the long-term success of the Corporation. Sound corporate governance contributes to Shareholder value through increased investor confidence. The Board and management are therefore committed to maintaining a high standard of corporate governance and compliance with the corporate governance guidelines of the Canadian Securities Administrators.

The Directors are experienced executives. They are independent. They are not elected as a slate. They are responsible for focusing on management's skill set and experience to ensure that the Corporation has the talent it needs to fulfill its goals and objectives.

i

Within that context, the Board oversees significant corporate actions and makes decisions relating to, among other things, strategic planning, strategic objectives, capital allocation, succession planning, talent management and development, planning for growth, both organic and by acquisition, financial reporting, the development of fundamental policies and systems, including ESG, the control environment, the management of enterprise risk and the safeguarding and enhancement of the Corporation's brand.

The Mandate of the Board is attached as Schedule "A" to this Circular and is available on the Corporation's investor relations website at <https://corp.cineplex.com/investors/governance>, and on SEDAR+ at www.sedarplus.ca. The Board regularly refers to the Mandate to ensure that it is fulfilling its governance obligations. The Board also regularly reviews and revises, as necessary or appropriate, the Corporation's governance practices in response to the Corporation's strategic direction, as well as the evolving governance landscape.

BOARD COMPOSITION AND INDEPENDENCE

All of the Directors currently on the Board are nominated for re-election at the Meeting except Ms. Joan Dea who has decided not to run for re-election to the Board. Ms. Rania Llewellyn, former President and Chief Executive Officer of Laurentian Bank is standing for election to the Board.

The Board views an individual as independent if he or she has no direct or indirect relationship with Cineplex that could, in the view of the Board, be reasonably expected to interfere with the exercise of that individual's independent judgment. The Board is currently comprised of nine individuals, all of whom are independent (other than Mr. Jacob) within the meaning of applicable securities laws. The Chair of the Board is independent, as are the Chairs of the Audit Committee and the CNGC Committee. If a matter relevant to the business of any Director is brought before the Board, that Director is expected to exercise judgment to determine if a conflict exists and if a conflict does exist, he or she will not participate in any relevant discussions. Each Director has no relationship with Cineplex that could be perceived to affect their independence.

DIRECTOR TERM LIMITS AND RENEWAL

The Board has considered the issue of term limits for Directors and will continue to do so. At this time, the Board does not believe that it is in the best interests of the Corporation to establish a limit on the number of times a Director may stand for election. While such a limit could help in creating an environment where fresh ideas and viewpoints are available to the Board, term limits can also disadvantage the Corporation through losing the beneficial contribution of Directors who have developed, over a period of time, increasing knowledge of, and insight into, the Corporation and its operations and who could therefore provide increasingly useful contributions to the Board as a whole. Additionally, the Board feels that its current rigorous self-evaluation process is effective in ensuring that Directors continue to add value and remain strong contributors, and the current constitution of the Board reflects these objectives. While the Board has not adopted Director term limits, the Corporation's Charter of Expectations for Directors sets forth certain guidelines regarding the performance and participation of Directors, including potential grounds for resignation from the Board as well as expectations around retirement.

As at the date hereof (excluding Mr. Jacob), the average years of service on the Board is approx. 11 years. As at present time, four independent Directors, Mr. Banks, Mr. Bruce, Ms. Dea and Mr. Marwah have each been serving for more than 10 consecutive years. Ms. Dea has decided not to stand for re-election to the Board in 2025.

POSITION DESCRIPTIONS

The Mandate of the Board includes a description of the Board Chair's responsibilities and each committee has Terms of Reference by which the committee Chair can be assessed. A copy of the Mandate of the Board is attached as Schedule "A" to this Circular and is available on the Corporation's investor relations website at <https://corp.cineplex.com/investors/governance>. The Terms of Reference of the Audit Committee and the CNCG Committee are also available on the Corporation's investor relations website at <https://corp.cineplex.com/investors/governance>. The Board has not developed further written position descriptions for the Chair of the Board or the chairs of the committees of the Board. The CEO's responsibilities are set out in his employment agreement.

SELECTION, ORIENTATION AND CONTINUING EDUCATION

New Board members will be selected against set criteria that ensure broad and appropriate levels of expertise will be available to management. The CNCG Committee acknowledges that the Board's membership should represent a diversity of backgrounds, experience and skills. Additionally, the CNCG Committee explicitly considers the level of representation of women and underrepresented communities on the Board in identifying and nominating candidates for election or re-election to the Board. Further, the CNCG Committee also reviews interlocking board memberships to determine whether any common board memberships may impair the ability of any Directors to exercise independent judgment. No more than two Directors may sit on the same public company board without the consent of the CNCG Committee.

Directors are selected for their integrity and character, sound and independent judgment, breadth of experience, insight and knowledge and business acumen. Directors are expected to bring these personal qualities to their role and apply their business judgment to help the Board make wise decisions and provide thoughtful and informed counsel to senior management. Working with the CEO and, when necessary, outside resources, the CNCG Committee will, when appropriate, identify qualified individuals and conduct interviews and reference checks before formally nominating new Board members.

The CNCG Committee has determined that all of the existing Directors, who wish to run for re-election to the Board, shall be nominated to stand for re-election. Ms. Joan Dea has decided not to run for re-election to the Board. Being mindful of its mandate, the CNCG Committee has nominated Ms. Rania Llewellyn, former President and Chief Executive Officer of Laurentian Bank to stand for election to the Board.

The following table outlines an inventory of the skills and experience of the current independent Board members standing for election at the Meeting, as well as of Ms. Llewellyn, who is standing for election to the Board.

- (1) Has held a senior officer position or that of chair of the board of a major organization.
- (2) Director of a major organization (public, private, non-profit).

The CNCG Committee is responsible for ensuring that all Directors fully understand the role of the Board and its committees and keeping themselves up-to-date on the the nature and operation of the Corporation's business. The CNCG Committee advises all Directors of major developments in corporate governance and important trends and new legal and regulatory requirements. In addition, presentations are made regularly to the Board on different aspects of the Corporation's business as well as updates on best practices in governance matters. During 2024, all Directors were in attendance during these presentations and updates. New Directors will be provided with an orientation session upon joining the Board, including meetings with senior management and incumbent Directors.

To fulfill its responsibilities, the CNCG Committee is regularly provided with governance updates from external sources to ensure that it is fully briefed on governance requirements and best practices. WTW regularly attends scheduled CNCG Committee meeting and provides direct education to the members on items relating to corporate governance. In 2024, WTW participated in five of five meetings of the CNCG Committee, thus participating in all meetings where executive compensation was discussed. Further, on a regular basis, the Corporation's General Counsel provides legal updates to ensure that members are aware of changing laws and regulations. In particular, at an annual governance meeting, Directors are provided with detailed information about regulatory matters and corporate policies. Further, all Directors are members of the Institute of Corporate Directors and have access to resources made available by the Institute. Additionally, from time to time, members of the Board participate in various events designed to keep them up to date on current issues facing the Corporation.

NOMINATION OF DIRECTORS

The CNCG Committee is responsible for recruiting, assessing and proposing individuals qualified to become new independent Directors and for submitting recommendations to the Board for its consideration and decision, as well as for considering nominees, if any, recommended by either management or the Shareholders for election as Directors. The current Directors support the individuals named in this Circular as nominees to be elected as members of the Board and Directors of the Corporation.

As part of its governance process in recommending potential independent Directors, the CNCG Committee will consider potential appointees to the Board. Once approved by a majority of the CNCG Committee's members, potential independent Directors will be presented to the Board for its consideration.

COMPENSATION

The Board, acting on the recommendations of the CNCG Committee, reviews the adequacy and form of compensation of the Corporation's senior executives and Directors, based on reviews of the competitive marketplace, to ensure that they are respectively current and reflective of the roles and responsibilities of each group. Director compensation is reviewed every two years to compare Canadian board compensation based on size of organization, type of entity, meeting and attendance requirements, committee representation, and additional Board Chair and committee Chair responsibilities. Executive compensation is reviewed as set out in the "*Compensation Discussion & Analysis*" section of this Circular.

IN-CAMERA SESSIONS

During 2024, the Board held seven in-camera sessions at meetings of the Board, one at each meeting of the Board, during which the non-management Directors met without members of management for the purpose of facilitating open and candid discussion among the Directors. In-camera sessions exclusive of members of management are also held at every meeting of the CNCG Committee and the Audit Committee.

ELECTION OF CHAIR

The Board elects, from its ranks, a Chair to preside at all meetings of the Board. Ms. Yaffe was appointed Chair on June 29, 2020. Ms. Yaffe previously served as Chair of the Corporation from January 1, 2011 until September, 2016.

COMMUNICATION WITH THE BOARD

Shareholders may attend the annual meeting of Shareholders of the Corporation as both members of management and the Board will be present. In the event that such meeting is not convenient for any Shareholder, they may communicate directly with the Chair at any time via email to boardchair@cinplex.com.

ASSESSMENTS

The CNCG Committee is responsible for developing processes to assess Board and committee effectiveness and to consider the development needs of the Board, individual Directors, committees and their members. The CNCG Committee seeks input from both internal and external counsel to develop a formal assessment process for the Board as well as each committee. The CNCG Committee reviews such process annually and revises it as may be required.

Formal assessments are performed annually through the use of confidential surveys (compiled on a blind basis by external legal counsel) which contain questions regarding the performance of the Board and each committee, as well as peer reviews of each individual Director in their Board and committee roles. The extensive surveys review the performance of each committee based on the detailed Terms of Reference for each committee as well as the Mandate of the Board of Directors and the Charter of Expectations of Directors. Each committee and the Board discuss the compiled results at in-camera sessions. In addition to the formal written review followed by in-camera discussion at each committee and Board meeting, the chair of each committee and the Chair conduct individual conversations with each member to review the formal written results so as to ensure that all concerns have a thorough opportunity to be heard. The Chair is then tasked with ensuring that any necessary follow-up discussions or actions are undertaken to address any concerns raised.

RETIREMENT

In addition to the mandate of the Board, the Corporation has adopted a Charter of Expectations for Directors. While no mandatory retirement age is provided, the Charter of Expectations sets guidelines regarding the performance and participation of Directors, including potential grounds for dismissal from the Board as well as expectations around retirement.

CEO OBJECTIVES

Each year, with active participation by the CEO, the CNCG Committee sets detailed performance objectives for the CEO that outline the strategic, business and leadership development initiatives that will be undertaken in the coming year. The CNCG Committee also sets the deliverables and metrics for the CEO that must be met in the coming year to directly measure compensation under the various incentive plans. On an annual basis, the CEO reports to the CNCG Committee on his performance against his previously set objectives. In addition, the Board and members of the executive management participate in an annual formal assessment regarding the performance of the CEO. The findings of the CNCG Committee are reported to the Board for discussion, which can be held either with or without management present. A formal review of the findings and the Board's overall assessment of CEO performance are reviewed with the CEO.

DIVERSITY

Board

Cineplex encourages diversity in the composition of the Board. The Corporation signed the Catalyst Accord as a commitment to use its best efforts to increase the representation of women on the Board and has joined the international Catalyst-affiliated "30% Club". The CNCG Committee actively seeks women candidates as a normal practice during the director identification and selection process. It consults with internal and external resources, reviews information sources that profile women who are currently on or have an interest in serving on public Canadian boards and seeks to identify qualified women in relevant industries.

Although diversity was already a factor considered in the nomination of Directors, the Board also adopted in 2019 a formal Board Diversity Policy (the "**Diversity Policy**"), a copy of which is available at <https://corp.cineplex.com/investors/governance>. While the Diversity Policy does not have set targets regarding the representation of women on the Board, the Board recognizes that diversity enriches discussions among directors and better reflects the Corporation's relationships with its various stakeholders. As at the date hereof, the Board includes four women, who together represent 44% of the Directors or 50% of the independent Directors. The Board also currently includes four people from underrepresented communities, who together represent 44% of the Directors.

Management

Although the Corporation has no formal targets regarding women in executive officer positions, as specified in the *Diversity Policy*, available at <https://corp.cineplex.com/investors/governance>, the level of representation of women and diversity in management will be considered by the Corporation, the Board and the CNCG Committee in making management appointments. As an employer with a longstanding record of promoting diversity and supporting a culture of inclusion, the Corporation fully appreciates the benefits of leveraging a range of talents and perspectives. As a result, the Corporation actively considers the representation of women and individuals from underrepresented communities in executive officer appointments as a normal practice. As at December 31, 2024, four members of the Corporation's executive management, including its principal subsidiaries, were women, which represents 33% of executive management, and 37.5% of all of senior management were women, including its principal subsidiaries.

The Corporation has been recognized for its diversity and inclusion initiatives and is proud to focus on inclusion at all levels of the business.

ETHICAL BUSINESS CONDUCT

The Board has approved a *Code of Business Conduct and Ethics* for the Corporation (the “Code”). All Directors, officers and full-time employees of the Corporation are subject to the Code. To ensure compliance, management requires formal review and acknowledgement of the Code by each full-time employee at the beginning of their employment and annually thereafter. Management monitors compliance with the Code and any Director or employee may report any violations of the Code directly to the Chair of the Audit Committee (currently Ms. Fukakusa). No waivers of the Code have been granted to date. A copy of the Code is available on the Corporation’s website at <https://corp.cineplex.com/investors/governance>.

Part-time employees are subject to a separate hourly employee Code of Conduct.

The Code reflects the Board’s commitment to high standards of ethical and business practices. The Code sets out basic principles to guide all Directors, officers, employees, agents, representatives and advisors of Cineplex and its subsidiaries and affiliates. The Code addresses, among other things, compliance with laws, rules and regulations, conflicts of interest, confidentiality, privacy, corporate opportunities, competition and fair dealing, gifts and entertainment, dealing with public officials, discrimination and harassment, health and safety, use of technology, ownership and use of intellectual property, reporting procedures and whistle-blowing.

Cineplex is committed to providing equal opportunity in all aspects of employment, and the Code provides that Cineplex will not tolerate any discrimination or harassment of any kind. Reporting and investigation procedures are set out in the Code and Cineplex’s *Harassment, Discrimination and Workplace Violence Policy*, a copy of which is available on the Corporation’s website.

A high standard of integrity is of utmost importance to Cineplex. Under the Code, gifts, gratuities or entertainment may only be offered if it is consistent with customary business practices, is not excessive in value, cannot be construed as a bribe or payoff, and does not violate any applicable laws. Strict rules also apply when Cineplex does business with governmental agencies and officials. Officers or employees of companies that are partially or wholly owned by a government entity are considered foreign officials.

Cineplex encourages the reporting of violations and potential violations of the Code and has established a whistle-blowing procedure within the Code.

Cineplex values its relationships with suppliers because they help it achieve its business objectives and contribute to its overall success as a Corporation. To that end, the Corporation has adopted a *Supplier Code of Conduct*. The *Supplier Code of Conduct* sets forth the principles and ethical standards that the Corporation expects of its suppliers throughout the course of the business relationship with Cineplex. A copy of the *Supplier Code of Conduct* is available on the Corporation’s website, at <https://corp.cineplex.com/investors/governance>, and more details of the program are noted in the AIF. We stand against modern slavery, human trafficking, child labour and forced labour in all forms.

ESG: ENVIRONMENTAL, SOCIAL AND GOVERNANCE

Cineplex’s corporate governance extends to environmental and social responsibility issues. The Board oversees the Corporation’s ESG practices with assistance from the CNCG and Audit Committees. The CNCG Committee reviews the design, implementation and effectiveness of the Corporation’s ESG strategy and policies, as well as the metrics for, and the integration of, the Corporation’s ESG strategy within the Corporation’s long-term strategic plan and Enterprise risk management. The Audit Committee reviews ESG metric disclosures and the processes, systems and controls that support these disclosures. Cineplex affects positive social, cultural and environmental change at the national and local levels. The Corporation recognizes the importance of having a strong ESG framework integrated across its operations, benefiting not only Cineplex’s employees, guests and partners across Canada, but also driving and creating value for its Shareholders. Further details regarding ESG initiatives as well as the Corporation’s activities and policies are set out in the AIF.
