

Keyera Announces Annual Meeting and First Quarter 2017 Results Conference Call and Webcast

CALGARY, April 18, 2017 /CNW/ - Keyera Corp. (TSX:KEY) will be holding its Annual Meeting of Shareholders on Tuesday, May 9, 2017, at 2:00 pm Mountain Time (4:00 pm Eastern Time) in the Sun Life Plaza Conference Centre, located on the second floor at 144 - 4th Avenue SW, in Calgary, Alberta. The meeting will be broadcast live via webcast. The webcast link is available on Keyera's website at www.keyera.com/news/events. Shortly after the meeting, an audio archive of the webcast will be posted on Keyera's website for 90 days.

Keyera also expects to release its financial results for the first quarter of 2017 on Tuesday, May 9, 2017, after markets close. A conference call and webcast have been scheduled for Wednesday, May 10, 2017, at 8:00 am Mountain Time (10:00 am Eastern Time) for interested investors, analysts, brokers and media representatives.

The conference call dial-in number is 888-231-8191 or 647-427-7450. A recording of the conference call will be available for replay until 11:59 pm Mountain Time on May 24, 2017, by dialing 1-855-859-2056 or 416-849-0833 and entering passcode 94455717.

A live webcast of the conference call can be accessed on Keyera's website at <http://www.keyera.com/news/events>. Shortly after the call, an audio archive will be posted on Keyera's website for 90 days.

About Keyera Corp.

Keyera Corp. (TSX:KEY) operates one of the largest midstream energy companies in Canada, providing essential services to oil and gas producers in the Western Canada Sedimentary Basin. Its predominantly fee-for-service based business consists of natural gas gathering and processing, natural gas liquids fractionation, transportation, storage and marketing, iso-octane production and sales, and an industry-leading condensate system in the Edmonton/Fort Saskatchewan area of Alberta. Keyera strives to provide high quality, value-added services to its customers across North America and is committed to conducting its business ethically, safely and in an environmentally and financially responsible manner.
