SCHEDULE "A"

The Corporation is authorized to issue an unlimited number of Common Shares without nominal or par value and 50,000,000 Preferred Shares without nominal or par value.

The rights, privileges, restrictions and conditions attached to each class of shares are set forth below.

Common Shares

The unlimited number of Common Shares shall have attached thereto the following rights, privileges, restrictions and conditions:

(a) The holders of Common Shares shall be entitled to notice of, to attend and to one vote per share held at any meeting of the shareholders of the Corporation (other than meetings of a class or series of shares of the Corporation other than the Common Shares as such).

(b) The holders of Common Shares shall be entitled to receive dividends as and when declared by the Board of Directors of the Corporation on the Common Shares as a class, subject to prior satisfaction of all preferential rights to dividends attached to shares of other classes of shares of the Corporation ranking in priority to the Common Shares in respect of dividends.

(c) The holders of Common Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights to return of capital on dissolution attached to all shares of other classes of shares of the Corporation ranking in priority to the Common Shares in respect of return of capital on dissolution, to share ratably, together with the holders of shares of any other class of shares of the Corporation ranking equally with the Common Shares in respect of return of capital on dissolution, in such assets of the Corporation as are available for distribution.

If the Directors of the Corporation declare a dividend on the Common Shares payable in whole or in part in fully paid and non-assessable Common Shares (the portion of the dividend payable in Common Shares being herein referred to as a "stock dividend"), the following provisions shall apply:

(a) unless otherwise determined by the Directors of the Corporation in respect of a particular stock dividend: (i) the number of Common Shares (which shall include any fractional Common Shares) to be issued in satisfaction of the stock dividend shall be determined by dividing (A) the dollar amount of the particular stock dividend, by (B) 95% of the "Average Market Price" of a Common Share on the Toronto Stock Exchange or, if the Common Shares are not then listed and posted for trading on the Toronto Stock Exchange, on such stock exchange on which such shares are listed as may be selected for such purpose by the Directors of the Corporation (the "Exchange"), with the "Average Market Price" calculated by dividing the total value of Common Shares traded on the Exchange by the total volume of Common

Shares traded on the Exchange over the five trading day period immediately prior to the payment date of the applicable stock dividend on the Common Shares; and (ii) the value of a Common Share to be issued for the purposes of each stock dividend declared by the Directors of the Corporation shall be deemed to be the Average Market Price of a Common Share;

(b) to the extent that any stock dividend paid on the Common Shares represents one or more whole Common Shares payable to a registered holder of Common Shares, such whole Common Shares shall be registered in the name of such holder. Common Shares representing in the aggregate all of the fractions amounting to less than one whole Common Share which might otherwise have been payable to registered holders of Common Shares by reason of such stock dividend shall be issued to the transfer agent for the Common Shares as the agent of such registered holders of Common Shares. The transfer agent shall credit to an account for each such registered holder all fractions of a Common Share amounting to less than one whole share issued by the Corporation by way of stock dividends in respect of the Common Shares registered in the name of such holder. From time-to-time, when the fractional interests in a Common Share held by the transfer agent for the account of any registered holder of Common Shares are equal to or exceed in the aggregate one additional whole Common Share, the transfer agent shall cause such additional whole Common Share to be registered in the name of such registered holder and thereupon only the excess fractional interest, if any, will continue to be held by the transfer agent for the account of such registered holder. The Common Shares held by the transfer agent representing fractional interests shall not be voted;

(c) if at any time the Corporation shall have reason to believe that tax should be withheld and remitted to a taxation authority in respect of any stock dividend paid or payable to a shareholder in Common Shares, the Corporation shall have the right to sell, or to require its transfer agent in each case as agent of such shareholder, to sell all or any part of the Common Shares or any fraction thereof so issued to such holder in payment of that stock dividend or one or more subsequent stock dividends through the facilities of the Exchange, and to cause the transfer agent to remit the cash proceeds from such sale to such taxation authority (rather than such holder) in payment of such tax to be withheld. This right of sale may be exercised by notice given by the Corporation to such holder and to the Corporation or the transfer agent stating the name of the holder, the number of Common Shares to be sold and the amount of the tax which the Corporation has reason to believe should be withheld. Upon receipt of such notice the transfer agent shall, unless a certificate or other evidence of registered ownership for the Common Shares has at the relevant time been issued in the name of the holder, sell the Common Shares as aforementioned and the Corporation or the transfer agent as applicable, shall be deemed for all purposes to be the duly authorized agent of the holder with full authority on behalf of such holder to effect the sale of such Common Shares and deliver the proceeds therefrom to the applicable taxation authority on behalf of the Corporation. Any balance of the cash sale proceeds not remitted by the Corporation in payment of the tax to be withheld shall be payable to the holder whose Common Shares were so sold by the transfer agent;

(d) if at any time the Corporation shall have reason to believe that the payment of a stock dividend to any holder thereof who is resident in or otherwise subject to the laws of a jurisdiction outside Canada might contravene the laws or regulations of such jurisdiction, or could subject the Corporation to any penalty thereunder or any legal or regulatory requirements not otherwise applicable to the Corporation, the Corporation shall have the right to sell, or to require its transfer agent in each case, as agent of such shareholder, to sell through the facilities of the Exchange, the Common Shares or any fraction thereof so issued and to cause the transfer agent to pay the cash proceeds from such sale to such holder. The right of sale shall be exercised in the manner provided in subparagraph (c) above except that in the notice there shall be stated, instead of the amount of the tax to be withheld, the nature of the law or regulation which might be contravened or which might subject the Corporation to any penalty or legal or regulatory requirement. Upon receipt of the notice, the Corporation or the transfer agent shall, unless a certificate or other evidence of registered ownership for the Common Shares has at the relevant time been issued in the name of the holder, sell the Common Shares as aforementioned and the Corporation or the transfer agent, as applicable shall be deemed for all purposes to be the duly authorized agent of the holder with full authority on behalf of such holder to effect the sale of such Common Shares and to deliver the proceeds therefrom to such holder;

(e) upon any registered holder of Common Shares ceasing to be a registered holder of one or more Common Shares, such holder shall be entitled to receive from the transfer agent, and the transfer agent shall pay as soon as practicable to such holder, an amount in cash equal to the proportion of the value of one Common Share that is represented by the fraction less than one whole Common Share at that time held by the transfer agent for the account of such holder, and, for the purpose of determining such value, each Common Share shall be deemed to have the value equal to the Average Market Price in respect of the last stock dividend paid by the Corporation prior to the date of such payment; and

(f) for the purposes of the foregoing: (i) the calculation of a fraction of a Common Share payable to a shareholder by way of a stock dividend and the calculation of the Average Market Price shall be computed to four decimal places, and shall be rounded to the nearest fourth decimal place; and (ii) neither the Corporation nor its transfer agent shall have any obligation to register any Common Share in the name of a person, to deliver a certificate or other document representing Common Shares registered in the name of a shareholder or to make a cash payment for fractions of a Common Share, unless all applicable laws and regulations to which the Corporation and/or the transfer agent are, or as a result of such action may become, subject, shall have been complied with to their reasonable satisfaction.

Preferred Shares

The 50,000,000 Preferred Shares shall have attached thereto the following rights, privileges, restrictions and conditions:

(a) The Preferred Shares may at any time or from time to time be issued in one or more series. Before any shares of a particular

series are issued, the Directors of the Corporation shall, by resolution, fix the number of shares that will form such series and shall, subject to the limitations set out herein, by resolution fix the designation, rights, privileges, restrictions and conditions to be attached to the Preferred Shares of such series, including, but without in any way limiting or restricting the generality of the foregoing, the rate, amount or method of calculation of dividends thereon, the time and place of payment of dividends, the consideration for and the terms and conditions of any purchase for cancellation, retraction or redemption thereof, conversion or exchange rights (if any), and whether into or for securities of the Corporation or otherwise, voting rights attached thereto (if any), the terms and conditions of any share purchase or retirement plan or sinking fund, and restrictions on the payment of dividends on any shares other than Preferred Shares or payment in respect of capital on any shares in the capital of the Corporation or creation or issue of debt or equity securities; the whole subject to filing with the Registrar (as defined in the Business Corporations Act (Alberta) or successor legislation thereto) of Articles of Amendment setting forth a description of such series including the designation, rights, privileges, restrictions and conditions attached to the shares of such series.

(b) Notwithstanding paragraph (a), the Directors of the Corporation may at any time or from time to time change the rights, privileges, restrictions and conditions attached to unissued shares of any series of Preferred Shares.

(c) Notwithstanding paragraph (a), other than in the case of a failure to declare or pay dividends specified in any series of the Preferred Shares, the voting rights attached to the Preferred Shares shall be limited to one vote per Preferred Share at any meeting where the Preferred Shares and Common Shares vote together as a single class.

(d) The Preferred Shares of each series shall rank on a parity with the Preferred Shares of every other series with respect to accumulated dividends and return of capital. The Preferred Shares shall be entitled to a preference over the Common Shares and over any other shares of the Corporation ranking junior to the Preferred Shares with respect to priority in the payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs. If any cumulative dividends or amounts payable on a return of capital are not paid in full, the Preferred Shares of all series shall participate rateably in respect of such dividends, including accumulations, if any, in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of any repayment of capital in accordance with the sums that would be payable on such repayment of capital if all sums so payable were paid in full; provided, however, that in the event of there being insufficient assets to satisfy in full all such claims as aforesaid, the claims of the holders of the Preferred Shares with respect to repayment of capital shall first be paid and satisfied and any assets remaining thereafter shall be applied towards the payment in satisfaction of claims in respect

of dividends. The Preferred Shares of any series may also be given such other preferences not inconsistent with paragraphs (a) through (e) hereof over the Common Shares and any other shares ranking junior to the Preferred Shares as may be determined in the case of each such series of Preferred Shares.

(e) The rights, privileges, restrictions and conditions attaching to the Preferred Shares as a class as provided herein and as may be provided from time to time may be repealed, altered, modified, amended or amplified or otherwise varied only with the sanction of the holders of the Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution passed by the affirmative vote of a least two-thirds of the votes cast at a meeting of holders of Preferred Shares duly called for such purpose and held upon at least 21 days' notice at which a quorum is present comprising at least two persons present, holding or representing by proxy at least 20% of the outstanding Preferred Shares or by a resolution in writing of all holders of the outstanding Preferred Shares. If any such quorum is not present within half an hour after the time appointed for the meeting, then the meeting shall be adjourned to a date being not less than 15 days later and at such time and place as may be appointed by the chairman and at such meeting a quorum will consist of that number of shareholders present in person or represented by proxy. The formalities to be observed with respect to the giving of notice of any such meeting or adjourned meeting and the conduct thereof shall be those which may from time to time be prescribed in the by-laws of the Corporation with respect to meetings of shareholders. On every vote taken at every such meeting or adjourned meeting each holder of a Preferred Share shall be entitled to one vote in respect of each one dollar of stated value of Preferred Shares held.
