CALGARY, January 16, 2017 (ARX - TSX) ARC Resources Ltd. ("ARC") confirms that an eligible dividend of \$0.05 per share will be paid on February 15, 2017 to shareholders of record on January 31, 2017. The ex-dividend date is January 27, 2017. As at January 16, 2017 the trailing 12-month payments to investors, including the January 16, 2017 payment, total \$0.65 per share.

ARC offers a Dividend Reinvestment Plan ("DRIP") and Stock Dividend Program ("SDP") as optional plans for its shareholders. The DRIP provides the option for Canadian holders of ARC common shares to have their cash dividends reinvested into additional common shares of ARC. The SDP provides the option for shareholders to receive dividends in the form of common shares of ARC in lieu of receiving a cash dividend on the dividend payment date. As previously disclosed on November 17, 2016, the discount associated with common shares issued under the DRIP and SDP was eliminated, effective January 1, 2017. Participation in the DRIP and/or SDP is optional; shareholders who do not wish to participate in either plan will continue to receive cash dividends. Additional information on the DRIP and SDP including the Dividend Reinvestment/Stock Dividend Enrollment Form can be found on the company's website at www.arcresources.com or by contacting your financial institution or investment advisor. The availability of the DRIP and SDP and the respective terms and conditions are subject to the discretion of ARC's management and the Board of Directors.

ARC is one of Canada's largest conventional oil and gas companies with an enterprise value of approximately \$8.7 billion. ARC's common shares trade on the TSX under the symbol ARX.
