
CHORUS AVIATION HONoured WITH BOMBARDIER'S TOP RELIABILITY AWARDS

*Jazz Aviation recipient of Airline Reliability Performance Awards
for fifth consecutive year*

HALIFAX, April 25, 2018 – Chorus Aviation Inc. ('Chorus') (TSX: CHR) announced today that its subsidiary, Jazz Aviation LP ('Jazz'), has once again been recognized for achieving superior reliability performance in 2017 at Bombardier's annual award ceremony for commercial aircraft operators held in Orlando, Florida on April 23, 2018.

"We are honoured to be the North American award winner in two categories of exceptional reliability performance," said Colin Copp, President, Jazz. "This recognition can be attributed to the exceptional expertise of Jazz Technical Services and Maintenance and Engineering teams, and their unrivalled experience with Bombardier regional aircraft as an Authorized Service Facility (ASF)."

Jazz is the North American recipient of Bombardier's 2017 Airline Reliability Performance Awards in two categories:

- CRJ100/200 aircraft programs for North America
- CRJ700/900/1000 aircraft programs for North America

"As the only operator in the world of all four Bombardier Commercial Regional aircraft programs, we pride ourselves on superior reliability. This achievement is a credit to the calibre of our employees and their ongoing commitment to excellence," added Kal Rebin, Vice President of Maintenance and Engineering, Jazz.

Bombardier's reliability awards are bestowed on aircraft operators of Q-Series turboprops and CRJ Series regional jets who achieve the highest rate of dispatch reliability. Jazz was previously honoured with top performance in the North American region for the Q400, CRJ100/200, and CRJ700/900/1000 aircraft program categories in 2016 and 2015; the Q100/200/300, CRJ100/200, and CRJ700/900/1000 aircraft programs in 2014; and the Q400 and CRJ100/200 aircraft programs in 2013.

About Jazz

Jazz Aviation LP has a strong history in Canadian aviation with its roots going back to the 1930s. Jazz is owned by Chorus Aviation Inc. (TSX: CHR). Chorus's vision is to deliver regional aviation to the world.

As the largest regional carrier in Canada, Jazz has a proven track record of industry leadership and exceptional customer service, and has leveraged that strength to deliver value to all its stakeholders. Jazz operates more flights and flies to more Canadian destinations than any other airline, and has a workforce of approximately 4,500 professionals, highly experienced in the challenging and complex nature of regional operations.

There are three divisions operated by Jazz Aviation LP: Air Canada Express, Jazz Technical Services and Jazz.

Air Canada Express: Under a capacity purchase agreement with Air Canada, using the Air Canada Express brand, Jazz provides service to and from lower-density markets as well as higher-density markets at off-peak times throughout North America, with a fleet of 116 Canadian-made Bombardier aircraft.

Jazz Technical Services: Established in May 2016 as a separate division, Jazz Technical Services ('JTS') is dedicated to heavy maintenance, repair and overhaul (MRO) of Bombardier aircraft. JTS provides MRO services to third parties while maintaining the dedication and commitment to its primary customer, Air Canada.

Jazz: Under the Jazz brand, the airline offers charters throughout North America for corporate clients, governments, special interest groups and individuals seeking more convenience. Jazz also has the ability to offer airline operators services such as ground handling, dispatching, flight load planning, training and consulting.
