

Notice of Availability of Management Proxy Circular for the 2022 Annual Meeting of Shareholders

Chorus Aviation Inc. (“**Chorus**” or the “**Corporation**”) has adopted the notice-and-access method of delivering the management proxy circular (the “**circular**”) for its 2022 annual meeting of shareholders (the “**meeting**”) to both registered and non-registered shareholders. This means that the circular is being posted online for you to access at www.chorusaviation.com, on www.meetingdocuments.com/TSXT/chr or under Chorus’ profile on SEDAR at www.sedar.com. The circular will remain available at the websites indicated above for a period of at least one year following the meeting. Notice-and-access is permitted by Canadian securities regulators and aligns with the Corporation’s efforts to minimize its environmental impact through a reduction in paper use, while also reducing printing and mailing costs.

You will find enclosed with this notice a form of proxy or a voting instruction form that you can use to vote your shares of Chorus (see “How to Vote” on the reverse page). **It is very important that you read the circular carefully before voting your shares.**

HOW TO OBTAIN A PAPER COPY OF THE CIRCULAR

All Chorus shareholders may request that a paper copy of the circular be sent to them at no cost by contacting TSX Trust Company. Requests may be made up to one year from the date the circular was filed on SEDAR by:

1. calling 1-888-433-6443 (toll free) or 416-682-3801 outside Canada and the United States (for services in English or French),

A paper copy of the circular will be mailed to you within three business days of receiving your request, if the request is made at any time prior to the meeting. If the request is made on or after June 27, 2022, the circular will be sent to you within 10 calendar days of receiving your request.

Please note that you will not receive another form of proxy or voting instruction form; please retain your current one to vote your shares.

In addition, paper copies of the circular will be provided to shareholders who have previously requested to receive paper copies of the circular.
