

Jazz wins Award of Excellence at Canada's Safest Employers awards

HALIFAX, NS, Oct. 20, 2023 – Chorus Aviation Inc. ('Chorus') (TSX: CHR) is proud to announce that subsidiary Jazz Aviation LP ('Jazz') was named among Canada's Safest Employers 2023, as an Award of Excellence winner in the Public Transportation category. Canada's Safest Employers awards were announced at a gala event in Toronto last evening.

"Safety is and always will be our top priority," said Randolph deGooyer, President, Jazz. "We are honoured to be recognized for this commitment and we're proud to demonstrate growth in our safety programs with a seventh consecutive award."

"Congratulations to the Jazz team on this safety excellence recognition," said Colin Copp, President and Chief Executive Officer, Chorus. "This latest award reflects their sustained focus on a culture with safety at its core."

The ease of mobile reporting has led to strong engagement among employees who are the true leaders of Jazz's safety culture. Since introducing mobile reporting several years ago, its performance as a primary safety tool continues to grow. Employees and management see value in the reporting process through continuous improvement to the safety of Jazz's operation and workplaces as a result of employee feedback.

This is Jazz's seventh consecutive year accepting awards at the Canada's Safest Employers event. Launched in 2011, Canada's Safest Employers awards recognize organizations with outstanding accomplishments in promoting the health and safety of their employees. Companies are evaluated on a wide range of occupational safety and health ('OSH') elements, including employee training, OSH management systems, incident investigation, emergency preparedness, and innovative health and safety initiatives.
