Bravada Grants Stock Options

Bravada Gold Corporation (“Bravada” or the “Company”) reports that the Company has granted incentive stock options to directors, officers and consultants to purchase 1,325,000 common shares. The options are exercisable at a price of \$0.25 per share for a period of five years in accordance with Bravada’s stock option plan. The granting of the stock options is subject to the policies of the TSX Venture Exchange.

About Bravada

Bravada is an exploration company with a portfolio of high-quality properties in Nevada, one of the best mining jurisdictions in the world. During the past 12 years, the Company has successfully identified and advanced properties that have the potential to host high-margin deposits while successfully attracting partners to fund later stages of project development. Currently, five of its Nevada properties are being funded by partners, which in aggregate include earn-in work expenditures of up to \$6.5 million and payments to Bravada of up to +\$3.0 million in cash and shares, with Bravada retaining residual working or royalty interests.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release may contain forward-looking statements including but not limited to comments regarding the timing and content of upcoming work programs, geological interpretations, receipt of property titles, potential mineral recovery processes, etc. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements. These statements are based on a number of assumptions, including, but not limited to, assumptions regarding general economic conditions, interest rates, commodity markets, regulatory and governmental approvals for the company’s projects, and the availability of financing for the company’s development projects on reasonable terms. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploitation and exploration successes, the timing and receipt of government and regulatory approvals, and continued availability of capital and financing and general economic, market or business conditions. Bravada Gold Corporation does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent required by applicable law.
