SWISS WATER DECAFFEINATED COFFEE INC CHANGES TSX TICKER TO SWP

Vancouver, BC, October 22, 2018 / Globe Newswire / Swiss Water Decaffeinated Coffee Inc. (“Swiss Water” or “the company”) (TSX – SWP), (formerly TSX – TPK), today announced that, as of market opening on Monday, October 22, 2018, its shares now trade on the Toronto Stock Exchange under the new ticker symbol “SWP”.

As announced earlier this month, the company amalgamated and concurrently changed its corporate name from Ten Peaks Coffee Company Inc. to Swiss Water Decaffeinated Coffee Inc. The change of name and new ticker symbol are intended to better leverage the considerable brand equity in the “Swiss Water” name, along with the related trademarks and intellectual property of the company’s proprietary, chemical free SWISS WATER® Process.

Company Profile

Swiss Water Decaffeinated Coffee Inc. is a publicly traded company and a global industry leader in the decaffeination of premium green coffee located in Burnaby, BC. It also owns and operates Seaforth Supply Chain Solutions Inc., a green coffee handling and storage business located in Metro Vancouver.
