

## Appendix C

### Author's Statement of Qualifications

I, Randy Clarkson, of 71 Fireweed Drive, Whitehorse, Yukon, Canada do hereby certify that:

- a) I am a graduate of the University of British Columbia (1979) with a Bachelor of Applied Science (Mining Engineering);
- b) I am a graduate of the British Columbia Institute of Technology (1974) with a diploma in Mining Technology;
- c) I am a registered Professional Engineer in the Province of British Columbia and the Yukon Territory;
- d) I have over 30 years of experience in mining engineering, mineral exploration and hydraulics throughout the world;
- e) From 1985 to the present I have worked as an engineering consultant for my company NEW ERA Engineering Corporation, mainly in gold mining and exploration, where I have conducted research, exploration programs, drilling, sampling, property valuations, and various technical studies;
- f) I inspected and sampled the Topacio concession between the 26th and the 29th of July, 2012 and from the 16th to the 20th of October, 2012 and have reviewed information regarding the Topacio concession including the reports shown in the reference section of this report;
- h) I authored this report; and
- i) I have no financial interest and do not expect to receive any financial interest in the future with FDG Mining Inc. or the Topacio Concession.

RR  
Randy Clarkson P. Eng.

A circular blue ink seal for a Professional Engineer in the Province of British Columbia. The seal contains the text "PROFESSIONAL ENGINEER" around the perimeter, "PROVINCE OF BRITISH COLUMBIA" in the center, and "R. CLARKSON" at the bottom. A signature is written across the seal.
