DEAR SHAREHOLDER

ANNUAL GENERAL MEETING 2015

I am writing to inform you that the 2015 Annual General Meeting of the Company (the "AGM") will be held at 10.30am on 20 May 2015 at Church House Conference Centre, Dean's Yard, Westminster, London SW1P 3NZ. The formal notice of the AGM and resolutions to be proposed are set out on pages 7 to 10.

The resolutions to be put to the AGM will address the following matters:

ANNUAL REPORT AND FINANCIAL STATEMENTS (RESOLUTION 1)

Shareholders will be asked to receive and adopt the Annual Report and Financial Statements (the "Annual Report") of the Company for the year ended 31 December 2014, together with the Directors' and Auditors' Reports thereon. The financial statements contained in the Annual Report comply with International Financial Reporting Standards.

REMUNERATION REPORT (RESOLUTION 2)

This resolution is to approve the Directors' Remuneration Report, which sets out how the Company's remuneration policy (which was approved by shareholders at the 2014 annual general meeting) was applied during the year. The Directors' Remuneration Report is included on pages 86 to 99 of the Annual Report and has been prepared in accordance with the requirements of section 421 of the Companies Act 2006 (and regulations made under that section) and the UK Corporate Governance Code.

The vote upon this resolution is advisory. It is not specific to individual levels of remuneration and the Directors' entitlement to remuneration is not conditional on it.

Included on page 87 of the Annual Report is a summary table of the Company's remuneration policy. The table does not formally form part of the Remuneration Report and is provided for information only. The full remuneration policy approved by shareholders at the 2014 annual general meeting can be found in the 2013 annual report at www.antofagasta.co.uk.

DECLARATION OF A FINAL DIVIDEND (RESOLUTION 3)

The Company requires shareholder consent to pay a final dividend. If approved, a final dividend of 9.8 cents per ordinary share will be paid on 22 May 2015 to shareholders on the register at close of business on 24 April 2015. An interim dividend of 11.7 cents per ordinary share was paid on 9 October 2014. This gives total dividends per ordinary share proposed in relation to 2014 of 21.5 cents per share. The total amount of dividends to ordinary shareholders proposed in relation to 2014 will be US\$212 million.

Dividends are paid gross without deduction of United Kingdom income tax. As at the date of this notice, Antofagasta plc is not resident in the United Kingdom for tax purposes. However, Antofagasta plc is expected to become resident in the United Kingdom for tax purposes before the final dividend of 9.8 cents per ordinary share is paid on 22 May 2015 (if approved at the AGM). Accordingly, that dividend and all subsequent dividends will be treated in the same way as dividends received from any other company that is tax resident in the United Kingdom.

RE-ELECTION OF ALL DIRECTORS (RESOLUTIONS 4 TO 14)

In accordance with Principle B.7 of the UK Corporate Governance Code, all the Directors will retire and, being eligible, will offer themselves for re-election. The Board has confirmed, following individual performance reviews of all the Directors (other than Jorge Bande, who was only appointed on 17 December 2014), that all of them continue to perform effectively and demonstrate commitment to their roles. Further details of the performance evaluation are set out on page 78 of the Annual Report.

Brief biographical details of all Directors are set out on pages 2 to 4 below.

Resolutions 5, 10, 11, 13 and 14 relate to the re-election of William Hayes, Tim Baker, Ollie Oliveira, Vivianne Blanlot and Jorge Bande who are the Directors that the Board has determined are independent directors for the purposes of the UK Corporate Governance Code (the "Independent Directors").

The Company is, for the first time at the AGM, required to comply with new provisions of the Listing Rules which provide that, as the Company has a controlling shareholder, the re-election of the Independent Directors must be approved by a majority vote of both:

- (1) the shareholders of the Company; and
- (2) the independent shareholders of the Company (that is, each shareholder of the Company entitled to vote on the election of directors who is not a controlling shareholder of the Company).

Resolutions 5, 10, 11, 13 and 14 are therefore being proposed as ordinary resolutions on which all shareholders may vote. In addition, however, the Company will separately count the number of votes cast by independent shareholders in favour of the resolution (as a proportion of the total votes of independent shareholders cast on the resolution) to determine whether the threshold referred to in (2) above has been met. The Company will announce the results of the resolutions on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

For these purposes, the votes controlled by the E. Abaroa Foundation (which is a controlling shareholder of the Company as it controls more than 30% of the voting rights in the Company) and of the other shareholders with whom it is acting in concert will therefore be excluded when calculating the votes of the independent shareholders as referred to in (2) above.

Under the Listing Rules, if a resolution to re-elect an Independent Director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of resolutions 5, 10, 11, 13 and 14 is not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant Director(s) will be treated as having been re-elected only for the period from the date of the AGM until the earlier of (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM, to propose a further resolution to re-elect him or her; (ii) the date which is 120 days after the AGM; and (iii) the date of any announcement by the Board that it does not intend to hold a second vote. In the event that the Director's re-election is approved by a majority vote of all shareholders at a second meeting, the Director will then be re-elected until the next AGM.

The Company is also required to provide details of (i) any previous or existing relationship, transaction or arrangement between an Independent Director and the Company, its Directors, any controlling shareholder or any associate of a controlling shareholder; (ii) why the Company considers the proposed Independent Director will be an effective director; (iii) how the Company has determined that the proposed Director is an independent director; and (iv) the process by which the Company has selected each Independent Director. All applicable details are provided for the Independent Directors as part of their respective biographies below.

The Company has received confirmation from each of the Independent Directors that, except as disclosed below, he or she has (or has had) no existing or previous relationship, transaction or arrangement with the Company, its Directors, any controlling shareholder or any associate of a controlling shareholder.

Independence

During the year, the Board considered Jorge Bande's independence by reference to the relevant provisions of the UK Corporate Governance Code. The Board is satisfied that Jorge Bande continues to be independent in character and judgement and that there are no relationships or circumstances which are likely to affect, or could appear to affect, his judgement.

The Nomination and Governance Committee recommended the appointment of Jorge Bande to the Board and he became a Non-Executive Director on 17 December 2014.

At various stages from 1995 to 2006, Jorge Bande was a director of EQM and El Tesoro (as an EQM representative), and President and General Manager of CCM Leonor.

APPOINTMENT OF AUDITORS AND AUDITORS' REMUNERATION (RESOLUTIONS 15 AND 16)

The Company is required at each general meeting at which financial statements are presented to appoint auditors to hold office until the next such meeting. The Company conducted a tender process in 2014 for external audit services to be carried out following the 2015 AGM. The Audit and Risk Committee recommended to the Board that PricewaterhouseCoopers LLP ("PwC") be recommended to shareholders for appointment at the 2015 AGM. Further details in relation to the tender process can be found on page 81 of the Annual Report. PwC has indicated its willingness to be appointed to this office. Accordingly, Resolution 15 appoints PwC as auditors to the Company and Resolution 16 authorises the Directors to fix the remuneration of the auditors.

AUTHORITY TO ALLOT (RESOLUTION 17)

The Companies Act 2006 prevents the Directors from allotting unissued shares of the Company unless they are authorised to do so by the shareholders in a general meeting or by the Articles of Association. At the 2014 annual general meeting, in line with guidance issued by the Association of British Insurers (the "ABI") in force at the time, a resolution was passed granting the Directors authority to allot ordinary shares:

- (A) up to an aggregate nominal amount equal to £16,430,945 (representing 328,618,900 ordinary shares of 5p each), which represented approximately one-third of the issued ordinary share capital of the Company as at 26 March 2014; and
- (B) up to an aggregate nominal amount equal to £32,861,890 (representing 657,237,800 ordinary shares of 5p each), as reduced by the nominal amount of any shares issued under the paragraph of the resolution described in (A) above, which amount (before any reduction) represented approximately two-thirds of the issued ordinary share capital of the Company as at 26 March 2014.

On 30 June 2014, the Investment Affairs division of the ABI merged with the Investment Management Association to form The Investment Association. The Investment Association has assumed responsibility for guidance previously issued by the ABI and in July 2014 issued new 'Share Capital Management Guidelines' setting out the expectations of members of the Investment Association as institutional investors on various aspects of share capital management including directors' authority to allot shares. As with the previous ABI guidelines, guidelines of the Investment Association on directors' authority to allot shares state that the Investment Association's members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital. The guidelines provide that the extra routine authority (that is the authority to allot shares representing the additional one-third of the Company's issued share capital) should only be used to allot shares pursuant to a fully pre-emptive rights issue.

In light of these guidelines, in Resolution 17, the Directors are seeking to replace the authorities granted at the 2014 annual general meeting with new authorities on the same terms. The new authorities will last until the earlier of 30 June 2016 (the last date by which the Company must hold an AGM in 2016) and the conclusion of the annual general meeting of the Company to be held in 2016. The Directors have no present intention to exercise either of the authorities sought under this resolution.

As at 13 March 2015 (being the last business day prior to the date of this notice), no ordinary shares are held by the Company in treasury and the issued ordinary share capital of the Company has not changed since 26 March 2014.

POWER OF THE COMPANY TO ISSUE SHARES OTHER THAN PRO RATA TO ITS EXISTING SHAREHOLDERS (RESOLUTION 18)

The Companies Act 2006 prevents the Directors from issuing equity securities of the Company for cash other than pro rata to ordinary shareholders unless they are empowered to do so by special resolution or by the Articles of Association. This resolution, which is proposed as a special resolution, would give the Directors the authority to allot ordinary shares (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

Except as provided in the next paragraph, this authority would be similar to previous authorities, limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary, or otherwise up to an aggregate nominal amount of £2,464,641 (representing 49,292,820 ordinary shares). This aggregate nominal amount represents slightly less than 5% of the issued ordinary share capital of the Company as at 13 March 2015 (being the last business day prior to the date of this notice).

Allotments made under the authorisation in paragraph (B) of Resolution 17 (as described in paragraph (B) above) would be limited to allotments by way of a rights issue only (subject to the right of the Board to impose necessary or appropriate limitations to deal with, for example, fractional entitlements and regulatory matters).

The authority will expire at the earlier of 30 June 2016 (the last date by which the Company must hold an AGM in 2016) and the conclusion of the annual general meeting of the Company to be held in 2016.

POWER OF THE COMPANY TO PURCHASE ITS OWN SHARES (RESOLUTION 19)

At the annual general meeting held on 21 May 2014, the Company was granted authority to purchase up to 98,585,669 of its own ordinary shares (which represented 10% of the issued ordinary share capital of the Company).

The Directors now propose that this authority should be renewed.

The Directors believe that it is in the best interests of the shareholders that the Company has the flexibility to make market purchases of ordinary shares. The Directors intend to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and is in the best interests of shareholders generally. Any ordinary shares purchased in this way will either be cancelled or held in treasury. The resolution, which is proposed as a special resolution, specifies not only the maximum number of ordinary shares that the Company may acquire, but also the maximum and minimum prices at which they may be bought. The authority is intended to last until the earlier of 30 June 2016 (the last date by which the Company must hold an annual general meeting in 2016) and the conclusion of the annual general meeting of the Company to be held in 2016. It is the Directors' intention to renew such authority at each further annual general meeting of the Company.

NOTICE OF GENERAL MEETINGS (RESOLUTION 20)

The Shareholder Rights Directive was implemented in the United Kingdom in August 2009 by the Shareholder Rights Regulations. One of the requirements of the Regulations is that all general meetings must be held on 21 days' notice unless shareholders agree on an annual basis to a shorter notice period. Prior to August 2009, the Company was able to hold general meetings (other than annual general meetings) on 14 days' notice under its Articles of Association. A resolution to preserve that flexibility was passed at the annual general meeting held in 2009, and at each annual general meeting held since. This resolution, which is proposed as a special resolution, will renew the approval of the shorter notice period.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The approval will be effective until the annual general meeting to be held in 2016, when it is intended that a similar resolution will be proposed.

In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting in accordance with the Companies Act 2006.

NOTES – GENERAL INFORMATION

- (1) A shareholder of the Company is entitled to appoint a proxy to exercise all or any of his/her rights to attend, speak and vote on their behalf at the meeting of the Company. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to different shares held by that shareholder. A proxy form which may be used to make such an appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the registrars of the Company, Computershare Investor Services PLC on +44 87 0702 0159.
 - (2) To be valid, the purple-striped (or, for preference shareholders, blue-striped) form of proxy and the Power of Attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited (or submitted electronically at www.investorcentre.co.uk/eproxy) with the registrars of the Company, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, no later than 10.30am on 18 May 2015. Completion and return of the form of proxy (or any CREST Proxy Instructions (as described in Note 5 below)) will not preclude a shareholder from attending and voting in person at the meeting if he/she wishes to do so. A proxy form lodged electronically will be invalid unless it is lodged at the electronic address specified in this Note 2.
 - (3) Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
 - (4) The statement of rights of shareholders in relation to the appointment of proxies in Notes 1 and 2 above does not apply to Nominated Persons. The rights described in these notes can only be exercised by a shareholder of the Company.
 - (5) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- (6) To be entitled to attend and vote at the meeting (and for the purposes of determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 10.30am on 18 May 2015 (or, in the event of an adjournment, on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline will be disregarded in determining the rights of any person to attend or vote at the meeting.
 - (7) All resolutions at the AGM will again be decided by a poll this year instead of on a show of hands. On a poll, shareholders' votes are counted according to the number of shares held, ensuring an exact result.

-
- (8) Under section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or section 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
- (9) Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:
- (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- (10) A copy of this notice, and other information required by section 311A of the Companies Act 2006, can be found at **www.antofagasta.co.uk**.
- (11) Under section 338 and section 338A of the Companies Act 2006, shareholders meeting the threshold requirements in those sections have the right to require the Company (i) to give, to shareholders of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 6 April 2015, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
- (12) At 13 March 2015 (being the last business day prior to the date of this notice), the issued share capital of the Company consisted of 985,856,695 ordinary shares carrying one vote each and 2,000,000 5% cumulative preference shares carrying 100 votes each on a poll. Therefore, the total voting rights in the Company as at 13 March 2015 were 1,185,856,695.
