

## AURANIA PROVIDES UPDATE ON PAYMENT OF MINERAL PROPERTIES IN ECUADOR

**Toronto, Ontario, April 12, 2024 – Aurania Resources Ltd. (TSXV: ARU; OTCQB: AUIAF; Frankfurt: 20Q) (“Aurania” or the “Company”)** reports an update regarding a request to enter into an agreement for payment of its annual mineral concession fees in Ecuador as announced on [March 27, 2024](#).

While this process is ongoing, the Company maintains its property in Ecuador in good standing and is able to further its exploration projects, dependent on funding availability. As previously reported, the Company filed the appropriate documentation to renew its 42 mineral exploration concessions in Ecuador prior to the March 31<sup>st</sup> deadline.

Aurania’s request to enter into an agreement has been accepted and a further meeting is expected to commence in the coming weeks. This process may take a couple of months to complete.

Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this release.

This news release contains forward-looking information as such term is defined in applicable securities laws, which relate to future events or future performance and reflect management’s current expectations and assumptions. The forward-looking information includes statements regarding Aurania’s objectives, goals or future plans, statements, exploration results, potential mineralization, the corporation’s portfolio, treasury, management team and enhanced capital markets profile, the estimation of mineral resources,

exploration, timing of the commencement of operations, and estimates of market conditions. Such forward-looking statements reflect management's current beliefs and are based on assumptions made by and information currently available to Aurania, including the assumption that, there will be no material adverse change in metal prices, all necessary consents, licenses, permits and approvals will be obtained, including various local government licenses and the market. Investors are cautioned that these forward-looking statements are neither promises nor guarantees and are subject to risks and uncertainties that may cause future results to differ materially from those expected. Risk factors that could cause actual results to differ materially from the results expressed or implied by the forward-looking information include, among other things, an inability to settle a schedule for the payment of annual concession fees on terms which are satisfactory or all with the result that the mineral concession renewals may be of no effect and the property interests are jeopardized, a failure to obtain or delays in obtaining the required regulatory licenses, permits, approvals and consents, an inability to access financing as needed, a general economic downturn, a volatile stock price, labour strikes, political unrest, changes in the mining regulatory regime governing Aurania, a failure to comply with environmental regulations, a weakening of market and industry reliance on precious metals and copper and the additional risks identified in our filings with Canadian securities regulators on SEDAR+ (available at [www.sedarplus.ca](http://www.sedarplus.ca)). Aurania cautions the reader that the above list of risk factors is not exhaustive. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated, described, or intended. Investors are cautioned against undue reliance on forward-looking statements or information. These forward-looking statements are made as of the date hereof and, except as required by applicable securities regulations, the Company does not intend, and does not assume any obligation, to update the forward-looking information.
