Corporate Update

VANCOUVER, BC – July 31, 2026 – Clean Seed Capital Group Ltd. (TSX.V: CSX) (the "Company") has granted a total of 7,000,000 restricted share units ("RSU") pursuant to the Company's Equity Incentive Compensation Plan. Each RSU entitles the holder to one common share of the Company on vesting. The RSUs will vest one year from the date of grant.

The RSUs have been awarded to a select group of long-standing employees, officers and advisors in recognition of their loyalty, dedication and significant contributions to Clean Seed. The majority of the recipients have been with the Company for more than a decade and have played an important role in developing its technology, intellectual property and commercial opportunities.

These awards recognize both the contributions of these individuals to date and their continued commitment to Clean Seed's future. The recipients remain actively engaged with the Company and are committed to seeing its vision brought to fruition and creating long-term value for shareholders.

An aggregate of 2,000,000 RSUs have been issued to two officers of the Company, with the remaining RSUs issued to other long-standing employees and advisors. The grants align the interests of these key individuals with those of Clean Seed's shareholders as the Company moves into its next phase of growth.

ON BEHALF OF THE BOARD
"Graeme Lempriere"
Chairman & Chief Executive Officer

About Clean Seed Capital Group Ltd.

Clean Seed is an agricultural technology company commercializing its award-winning, internationally patented, SMART Seeder™ technologies. Designed for real-world conditions these tools can significantly reduce fertilizer usage while supporting higher crop performance and overall farm profitability.

At the heart of Clean Seed's offering is the SMART Seeder™ system—a breakthrough in precision seeding that combines advanced electronic metering with intuitive software control. Its ability to row-by-row variable rate agricultural inputs facilitates sustainable farming.

Clean Seed is partnered with Mahindra and Mahindra Limited, one of the world's largest farm equipment manufacturer's, supporting the Company's global commercialization strategy and path to large-scale market adoption.
