Dear Sirs/Mesdames:

**RE: NATURALLY SPLENDID ENTERPRISES LTD.  
- Re-filing Material Change Report**

---

On today's date we inadvertently filed a Material Change Report on SEDAR under Filing Subtype/Document Type **News Release** (Project #03460173) instead of filing as Subtype/Document Type **Material Change Report**. We are re-filing under this project to correct the error by filing under the correct Filing Subtype/Document Type.

If you have any questions on this matter, please do not hesitate to contact the undersigned via telephone at (604) 687-5792 or via email at [ado@stockslaw.com](mailto:ado@stockslaw.com).

Yours truly,

*"Angela O'Neill"*
