Letter from the Chairman

19 December 2022

DEAR SHAREHOLDER

The next Annual General Meeting of the Company is to be held at the registered office of Grainger plc, Citygate, St. James' Boulevard, Newcastle upon Tyne NE1 4JE, on 8 February 2023. You will see from the Notice of Annual General Meeting, which is set out on page 6 of this document, that there are 19 resolutions which are proposed for approval, 13 of which relate to the ordinary business of the Annual General Meeting and 6 of which relate to special business.

Details of these resolutions are set out below and in the Notice. Resolutions 1 to 14 and 19 will be proposed as ordinary resolutions. Resolutions 15 to 18 will be proposed as special resolutions.

At the time of publication of this document, the Company expects that physical attendance at the Annual General Meeting will be possible and shareholders will be able to attend in person. In addition, as was the case for last year's annual general meeting, the Company will provide facilities so that shareholders can ask questions of the board remotely which will be answered and published on the Company's website in advance of the Annual General Meeting.

ORDINARY BUSINESS

Resolution 1 seeks approval of the Directors' report and the audited financial statements for the year ended 30 September 2022 which have been circulated to shareholders at the same time as this letter.

Resolution 2 seeks approval (on an advisory basis) of the Remuneration Committee Chairman's introductory letter (set out on pages 83 to 85 of the Annual Report and Accounts) and the Directors' Remuneration report (set out on pages 83 to 102 of the Annual Report and Accounts).

Resolution 3 seeks approval of the Directors' Remuneration Policy (the "Policy"). Following a review of the Directors' Remuneration Policy approved at the 2020 annual general meeting, a new Policy is being proposed to be applied for the current financial year onwards and is being put to a binding shareholder vote. The Policy is described on pages 86 to 91 of the Annual Report and Accounts and has been developed taking into account the principles of the UK Corporate Governance Code and the views of our major shareholders. If approved, the Policy will take formal effect from the date of the Annual General Meeting and shall be in place for the next three-year period unless a new policy is presented to shareholders before then.

Resolution 4 relates to the proposed payment of a dividend of 3.89p per share to be paid on 14 February 2023 to all holders of 5p Shares on the register of members of the Company at the close of business on 30 December 2022 in respect of all Shares then registered in their names.

Resolutions 5 to 11 relate to the re-election and election of the Directors of the Company.

In accordance with the UK Corporate Governance Code, all of the Directors other than Rob Wilkinson are offering themselves for re-election or election at this Annual General Meeting. Rob Wilkinson will be retiring as a Director at the Annual General Meeting and I would very much like to thank Rob for his valuable contribution as a member of the Board. It is considered by the Board that all of the Directors bring valuable skills and experience to the Board.

Biographies of all of the Directors standing for re-election or election can be found on pages 62 to 63 of the Annual Report and Accounts and the Company's website together with reasons why their contributions are, and continue to be, important to the Company's long-term sustainable success. Michael Brodtman is standing for election as Director for the first time at the Annual General Meeting, as he will be appointed to the Board following last year's annual general meeting.

Resolutions 12 and 13 relate to the auditors of the Company. Ordinary resolutions are being proposed at this Annual General Meeting for their re-appointment as auditors and to authorise the Directors to approve their remuneration. An assessment of the effectiveness, independence and objectivity of the auditors has been undertaken by the audit committee which has recommended to the Board that the auditors of the Company be re-appointed as such.

SPECIAL BUSINESS

Resolution 14

This resolution, which will be proposed as an ordinary resolution, seeks shareholder approval for the Directors to be authorised to allot Shares.

Under the provisions of section 551 of the Act, the Directors are not permitted to allot shares unless authorised to do so by the shareholders. The Act provides for such authority to be granted either by the Company in general meeting or by the Articles of Association and, in both cases, such authority can only last for five years. Notwithstanding the statutory provisions, institutional best practice indicates that this authority should be renewed annually. Accordingly, all unexercised previous authorities (including that obtained at the Company's previous annual general meeting) are revoked by this new authority and this authority will expire at the conclusion of the next annual general meeting of the Company or, if earlier, 15 months after the passing of the resolution except insofar as commitments to allot Shares have been entered into before that date.

In accordance with institutional guidelines, the Board considers it appropriate that the Directors be granted authority to allot Shares in the capital of the Company up to a maximum nominal amount of £24,715,949 representing the guideline limit of approximately two-thirds (ie 66.6%) of the Company's issued ordinary share capital (excluding treasury shares) as at 5 December 2022 (being the latest practicable date prior to publication of this circular). Of this amount, £12,357,974 (representing approximately one-third (ie 33.3%) of the Company's issued ordinary share capital (excluding treasury shares) can only be allotted pursuant to a fully pre-emptive

Letter from the Chairman continued

rights issue. The Board has no present intention of exercising this authority.

As at the date of this circular, the Company holds 1,506,300 treasury shares, being approximately 0.20% of the issued share capital of the Company (excluding treasury shares) as at 5 December 2022 (being the latest practicable date prior to publication of this circular).

Resolutions 15 and 16

These resolutions, which will be proposed as special resolutions, supplement the Directors' authority to allot Shares in the Company proposed by resolution 14, and will disapply statutory pre-emption rights in relation to allotment of a limited number of Shares in the Company.

Section 561 of the Act requires a company proposing to allot equity securities to offer them first to existing shareholders in proportion to their existing shareholdings. The allotment of equity securities includes Shares (the only class of share capital the Company has at present) and selling Shares held in treasury, but the requirement does not apply to Shares issued under employee share schemes. If these resolutions are passed, the requirement imposed by section 561 will not apply to allotments by the Directors in two cases:

1. in connection with a rights (or similar) issue, where application of the principle in section 561 could (for example) either result in fractional entitlements to Shares arising or require the issue of Shares where this would be impractical because of legal or regulatory requirements in any given overseas jurisdiction;
2. allotments of Shares for cash up to a total nominal value of £7,414,784 (representing approximately 20% of the Company's issued share capital (excluding treasury shares) as at 5 December 2022 (being the latest practicable date prior to publication of this circular)). This gives the Directors flexibility to take advantage of business opportunities as they arise, whilst the 20% limit ensures that existing shareholders' interests are protected in accordance with guidelines issued by institutional investors' bodies; and
3. allotment of Shares for up to a nominal amount equal to 20% of any allotment of Shares from time to time under paragraph 2 above, such authority to be used only for the purposes of making a follow-on offer which the Board or the Company determines to be of a kind contemplated by paragraph 3 of section 2B of the PEG Principles.

The authority to issue up to 20% of the Company's issued share capital (excluding treasury shares) and the further authority to be used for the purposes of making a follow-on offer are in accordance with the PEG Principles as revised in 2022. These provide greater flexibility to undertake non-pre-emptive issuances in connection with acquisitions and specified capital investments. The Board confirms that it will only allot Shares with a nominal value of over £3,707,392 (representing 10% of its issued share capital (excluding treasury shares)) for cash if such allotment is in connection with either an acquisition or specified capital investment, in line with the PEG Principles, which will be

announced at the same time as the allotment or will have taken place in the preceding 12 month period and will be disclosed in the announcement of the allotment. The Company may use this authority for the purposes of funding one or more specified capital investments in its development pipeline, meaning that the specific project funded by the allotment may be one (or more) of a number of projects that have been identified and disclosed by the Company at the time of the relevant capital raising.

This authority will expire at the conclusion of the next annual general meeting or, if earlier, 15 months after the passing of the resolutions except in so far as commitments to allot Shares have been entered into before that date and resolutions to renew the authority will be produced at each future annual general meeting.

Resolution 17

This resolution, which will be proposed as a special resolution, seeks to renew the authority for the Company to purchase its own Shares in the market up to a maximum of 74,147,847 Shares (being approximately 10% of the Company's issued ordinary share capital as at 5 December 2022 (excluding treasury shares), being the last practicable date prior to the publication of this circular).

The proposed resolution sets out the maximum and minimum prices which the Company may pay for its Shares.

This authority will expire at the conclusion of next year's annual general meeting or, if earlier, 15 months after the passing of the resolution.

The Directors continually assess the Company's capital management position in accordance with its capital management framework. This authority gives the Company greater flexibility in managing its capital resources. The Board does not currently intend to exercise this authority during the year ahead. However, should it do so, it will only be following careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, the overall position of the Company, the effects on earnings per share and the benefits for shareholders. Any purchase of Shares would be by means of market purchases. Any Shares purchased under the authority may be cancelled (and the number of the Shares in issue will be reduced accordingly) or may be held in treasury so as to be available to be sold at a later date, subject to the restrictions set out in resolution 14 or its equivalent in force at the time.

The extent of the authority sought is calculated in accordance with current governance practice.

In the 12 months prior to 5 December 2022, being the last practicable date prior to the publication of this circular, the Company had not exercised its right under its existing authority.

The total number of options or warrants to subscribe for Shares that were outstanding as at 5 December 2022, being the latest practicable date prior to publication of this circular, was 673,371, representing 0.09% of the issued ordinary share capital of the Company excluding treasury shares (0.10% of the issued

share capital of the Company if the Company's full authority to purchase Shares, both existing and being sought, is used).

Resolution 18

The Companies (Shareholders' Rights) Regulations 2009 increased the notice period for all general meetings (including Annual General Meetings) of the Company, subject to any restrictions in its Articles of Association, to 21 days' notice. For general meetings other than Annual General Meetings, a company quoted on the Official List is allowed to hold such general meetings (but not Annual General Meetings) on 14 days' notice provided that two conditions are met.

The first condition is that the company offers facilities for shareholders to vote by electronic means. This condition is met if there is a facility offered by the company and accessible to all members to appoint a proxy by means of a website.

The second condition is that there is an annual resolution of shareholders approving the reduction in the minimum notice period from 21 days to 14 days. The Board is therefore proposing this resolution as a special resolution to approve 14 days as the minimum notice period for all general meetings of the Company other than annual general meetings. The approval will be effective until the Company's next annual general meeting, when it is intended that permission for the approval to be renewed will be sought. It is intended that the shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole.

Resolution 19

The Company has a policy that it does not make donations or incur expenditure on behalf of political parties. However, the Act contains restrictions on companies making political donations or incurring political expenditure and it defines these terms very widely, such that activities that form part of the normal relationship between the Company and bodies concerned with policy review may be included.

Such activities are not designed to support a particular political party.

The Company believes that the authority proposed under this resolution, which will be proposed as an ordinary resolution, is necessary to ensure that it does not commit any technical or inadvertent breach of the Act when carrying out activities in furtherance of its legitimate business interests.

The authority will lapse on the conclusion of the Company's next annual general meeting and will be limited to an aggregate amount of £50,000.

The Company neither made political donations nor incurred political expenditure in the financial year ended 30 September 2022.

WHETHER OR NOT YOU DECIDE TO ATTEND THE ANNUAL GENERAL MEETING, WE STRONGLY ENCOURAGE YOU TO CAST YOUR VOTE BY PROXY IN ADVANCE OF THE GENERAL MEETING. ALL VOTES WILL BE HELD BY POLL SO THAT ALL PROXY VOTES ARE INCLUDED.

RECOMMENDATION

The Directors believe that all the proposals referred to above are in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company for the benefit of its shareholders as a whole. The Directors unanimously recommend that you vote in favour of all the proposed resolutions, as they intend to do in respect of their own beneficial shareholdings.

Yours sincerely

Mark Clare
Chairman

General notes

Entitlement to attend and vote

The Company specifies that only those shareholders registered in the register of members of the Company as at close of business on 6 February 2023 (or, if the meeting is adjourned, close of business on the day two days prior to the adjourned meeting) shall be entitled to attend or vote at the Annual General Meeting in respect of the number of Shares registered in their name at that time. Changes to entries on the relevant register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

A member entitled to attend and vote at the Annual General Meeting may appoint one or more proxies (who need not be a member of the Company) to attend and to speak and to vote on his or her behalf whether by show of hands or on a poll. Members are strongly encouraged to appoint the chairman of the meeting as their proxy. A member can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. A member can appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attaching to different Shares held by him. In order to be valid, an appointment of proxy (together with any authority under which it is executed or a duly certified copy of the authority) must be returned by one of the following methods and in each case must be received by the Company's registrars not less than 48 hours before the time of the meeting:

- a) in hard copy form by post, by courier or by hand to the Company's registrars, Link Group, Central Square, 10th Floor, 29 Wellington Street, Leeds, LS1 4DL;
- b) via www.signalshares.com. If you have not previously registered for electronic communications you will first be asked to register as a new user for which you will require your investor code (which can be found on your share certificate or dividend tax voucher), family name and postcode to log in. Once registered, a proxy voting link will be provided. You do not need to wait for an activation code; or
- c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

Completion and return of the form of proxy, or completion of the online voting process, will not preclude shareholders from attending and voting at the meeting, subject to any Covid-19 related restrictions in place at the time of the meeting. The form of proxy includes a vote withheld option. Please note that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of the votes for and against any particular resolution.

Each shareholder entitled to attend the Annual General Meeting as above, and each proxy appointed in accordance with the above, has one vote for each resolution voted on by a show of hands. If a proxy has been appointed by more than one member entitled to vote, and one of those members has instructed the proxy to vote for the resolution and one or more other of those members has instructed the proxy to vote against it, the proxy has one vote for and one vote against the resolution on a show of hands. In the event of a poll the proxy can exercise the respective voting rights of each appointing member.

Under section 324A of the Act, a proxy must vote in accordance with any instructions given by the member by whom they are appointed.

A copy of this Notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Act (each a "**Nominated Person**"). The rights to appoint a proxy cannot be exercised by a Nominated Person; they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Shareholders entitled to attend and vote as above, have a right to ask questions related to the business put to the meeting as set out in this document. The Directors will endeavour to answer all such questions as fully as possible, however, they are not required to answer if:

- i) to do so would interfere unduly with the preparation for the meeting;
- ii) to answer would involve the disclosure of confidential information;
- iii) the answer has already been given on a website in the form of an answer to a question; or
- iv) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

General notes continued

Corporate representatives

A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited’s (“**EUI**”) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
