Upon completion of the Qualifying Transaction and the Private Placement, the Company will have 65,620,811 Common Shares issued and outstanding on an undiluted basis (including an aggregate of 1,199,374 Common Shares issued for finder’s and agent fees in connection with the Company’s previously completed brokered and non-brokered offering of subscription receipts and short form offering document financing). The principals of the Company collectively hold 10,001,188 Common Shares and 14,065,285 non-voting special shares, which are subject to a Tier 2 Value Security Escrow Agreement dated December 8, 2016 among the Company, Computershare Investor Services Inc. and certain securityholders of the Company (the “**Escrow Agreement**”), pursuant to the policies of the Exchange. In addition, 1,544,904 Common Shares held by non-principals of the Company are subject to the Escrow Agreement.

It is expected that the Common Shares will resume trading on the Exchange on December 12, 2016 under the new ticker symbol “EMC” once the Exchange issues its final exchange bulletin confirming the completion of the Qualifying Transaction.
