Liberty Gold Closes C\$23 Million Bought Deal Public Offering

VANCOUVER, B.C. – Liberty Gold Corp. (TSX:LGD; OTCQX: LGDTF) (“**Liberty Gold**” or the “**Company**”) is pleased to announce that it has closed its previously announced “bought deal” public offering of 69,699,200 units of the Company (the “**Units**”) at a price of C\$0.33 per Unit for gross proceeds of C\$23,000,736, which included the exercise, in full, of the Underwriters’ over-allotment option (the “**Offering**”). The Offering was conducted by Canaccord Genuity Corp. (“**Canaccord Genuity**”), as sole bookrunner, and BMO Capital Markets, as co-lead underwriter with Canaccord Genuity, and included Paradigm Capital Inc., Desjardins Securities Inc. and Ventum Financial Corp. (collectively, the “**Underwriters**”).

Each Unit consists of one common share of the Company and one-half of one common share purchase warrant of the Company (each whole common share purchase warrant, a “**Warrant**”). Each Warrant entitles the holder thereof to acquire one common share of the Company at a price of C\$0.45 until April 22, 2027.

The Units were offered in Canada by way of a prospectus supplement of the Company dated April 16, 2025 (the “**Prospectus Supplement**”) to the Company’s existing short form base shelf prospectus dated June 21, 2023 (the “**Base Shelf Prospectus**”). The Units were also offered in the United States on a private placement basis pursuant to an exemption from the registration requirements of the *United States Securities Act of 1933*, as amended (the “**U.S. Securities Act**”), and in offshore jurisdictions on a private placement basis as agreed upon by the Company and the Underwriters, in each case in accordance with all applicable laws. Copies of the Prospectus Supplement, Base Shelf Prospectus and documents incorporated by reference therein are available electronically on SEDAR+ (www.sedarplus.ca) under the Company’s issuer profile.

The net proceeds of the Offering will be used to advance the Company’s Black Pine Oxide Gold Project, as well as for working capital and general corporate purposes, as set out in the Prospectus Supplement.

The Offering remains subject to the final approval of the Toronto Stock Exchange.

The securities offered pursuant to the Offering have not been, and will not be, registered under the U.S. Securities Act or any U.S. state securities laws, and may not be offered or sold in the United States absent registration or any applicable exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws.

This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

ABOUT LIBERTY GOLD

Liberty Gold is focused on exploring for and developing open pit oxide deposits in the Great Basin of the United States, home to large-scale gold projects that are ideal for open-pit mining. This region is one of the most prolific gold-producing regions in the world and stretches across Nevada and into Idaho and Utah. The Company is advancing the Black Pine Project in southeastern Idaho, a past-producing, Carlin-style gold system with a large, growing resource and strong economic potential.

All statements in this press release, other than statements of historical fact, are "forward-looking information" with respect to Liberty Gold within the meaning of applicable securities laws. Forward-looking information is often, but not always, identified by the use of words such as "intends", "seek", "anticipate", "plan", "continue", "planned", "expect", "project", "predict", "potential", "targeting", "intends", "believe", "potential", and similar expressions, or describes a "goal", or variation of such words and phrases or state that certain actions, events or results "may", "should", "could", "would", "might" or "will" be taken, occur or be achieved. Forward-looking information is not a guarantee of future performance and is based upon a number of estimates and assumptions of management at the date the statements are made including, among others, assumptions about future prices of gold and other metal prices, currency exchange rates and interest rates, favourable operating conditions, political stability, obtaining governmental approvals and financing on time, obtaining renewals for existing licenses and permits and obtaining required licenses and permits, labour stability, stability in market conditions, the timing and success of future plans and objectives in the areas of sustainable development, health, safety, environment, community development; successful resolution of disputes and anticipated costs and expenditures and the timing of regulatory approvals. Many assumptions are based on factors and events that are not within the control of Liberty Gold and there is no assurance they will prove to be correct.

Such forward-looking information, involves known and unknown risks, which may cause the actual results to be materially different from any future results expressed or implied by such forward-looking information, including, risks that the Offering will not close on the anticipated timeline and terms, risks that the Company will not use the net proceeds of the Offering as anticipated, and risks related to the interpretation of results and/or the reliance on technical information provided by third parties as related to the Company's mineral property interests; changes in project parameters as plans continue to be refined; current economic conditions; future prices of commodities; possible variations in grade or recovery rates; the costs and timing of the development of new deposits; failure of equipment or processes to operate as anticipated; the failure of contracted parties to perform; the timing and success of exploration activities generally; delays in permitting; possible claims against the Company; labour disputes and other risks of the mining industry; delays in obtaining governmental approvals, the completion of exploration as well as those factors discussed in the Annual Information Form of the Company dated March 25, 2025 in the section entitled "Risk Factors", and under the Prospectus Supplement and Base Shelf Prospectus, available under Liberty Gold's SEDAR+ profile at www.sedarplus.ca.

Although Liberty Gold has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results, and future events could differ materially from those anticipated in such statements. Liberty Gold disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable laws.
