Item 3. – Press Release:

A news release with respect to the material change referred to in this report was issued through newswire services on October 15, 2019 and filed on the system for electronic document analysis and retrieval (SEDAR).

Item 4. – Summary of Material Change:

PJX Resources Inc. announced, subject to TSX Venture Exchange approval, a non-brokered private placement of up to ten million units through the issuance of Flow Through ("Flow Through Unit") and Non-flow Through Units ("Unit") at a price of \$0.17 per Flow Through Unit and \$0.15 per Unit.

Item 5. – Full Description of Material Change:

PJX Resources announced a non-brokered private placement of up to ten million units through the issuance of Flow Through ("Flow Through Unit") and Non-flow Through Units ("Unit") at a price of \$0.17 per Flow Through Unit and \$0.15 per Unit.

Each Flow-through Unit will consist of one common share to be issued as a "flow-through share" within the meaning of the *Income Tax Act* (Canada) (the "Flow-through Shares") and one common share purchase warrant. Each Unit will consist of one common share and one common share purchase warrant. Each warrant, whether acquired as part of a Flow-through Unit or Unit, will entitle the holder to purchase one common share at an exercise price of \$0.25 for 36 months following completion of the Offering.

The Offering, and any modifications to it, is subject to compliance with applicable securities laws and to receipt of the approval of the TSX Venture Exchange. The Company may pay finders' fees in accordance with the policies of the TSX Venture Exchange. The Company reserves the right to increase the size of the Offering or to modify the type, nature and/or price of the units for any reason. The securities issuable in connection with this Offering will be subject to a hold period in Canada which will run for four months from the date of the closing of the Offering.

The Offering is expected to close on or before November 29, 2019. Closing of the Offering is subject to certain conditions customary for financings of this kind, including, but not limited to, the receipt of all necessary approvals including approval and acceptance by the TSX Venture Exchange.

The Company intends to use the net proceeds of the Offering for expenditures on its properties located in Cranbrook, British Columbia and for general working capital. The gross proceeds from the issuance of the Flow-through Shares shall be used to fund exploration expenditures on the Cranbrook Properties and will qualify as Canadian exploration expenses (as defined in the “*Income Tax Act* (Canada)”).
