Enclosed with this document is a form of proxy for use in connection with all the resolutions to be proposed at the AGM.

Whether or not you plan to attend the AGM, the Directors request that either you: (i) complete and return the enclosed form of proxy to the Company's Registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; (ii) submit votes electronically following the instructions contained in the form of proxy; or (iii) if you are a CREST member lodge the CREST Proxy Instruction, using the CREST Proxy Voting Service, in all cases so as to arrive no later than 10.30 a.m. on Monday, 11 April 2016.

3 March 2016

To holders of the Company's Ordinary shares

Dear Shareholder,

I am pleased to invite you to the Company's Annual General Meeting ("AGM") which will be held at The Royal Automobile Club in London on Wednesday, 13 April 2016 at 10.30 a.m. The formal Notice of AGM is set out on pages 5 and 6 of this document.

The purpose of this letter is to explain the business of the AGM in more detail. Resolutions 1 to 12 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 13 to 15 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Voting on all resolutions at the AGM will be on a poll rather than a "show of hands" as adopted historically. The Directors believe that this will result in a more accurate reflection of the views of all shareholders and ensure that their votes are recognised, whether or not they are able to attend the meeting. On a poll, each shareholder has one vote for every share held.

If you are attending the meeting you will be provided with a poll card on entry and will be asked to complete and return it at the conclusion of the meeting. The results of the poll and proxy votes cast prior to the meeting will be released, shortly after the meeting, to the London Stock Exchange and published on the Company's website www.huntingplc.com.

If you would like to vote on the resolutions but cannot come to the AGM, please fill in the form of proxy sent to you with this document and return it to our Registrars as soon as possible. They must receive it by no later than 10.30 a.m. on Monday, 11 April 2016.

Resolution 1 – Presentation of Accounts

The Directors are required by the Companies Act 2006 to present to the shareholders of the Company at a general meeting the Company's audited accounts for the year ended 31 December 2015, together with the Directors' reports (including the strategic report) and the auditors' report on those accounts.

Resolution 2 – Annual Report on Remuneration

The Companies Act 2006 requires the Company to seek shareholder approval on an annual basis at its AGM for the Annual Report on Remuneration for the prior financial year and the accompanying letter from the Remuneration Committee Chairman. The vote on this Report and letter is "advisory" which means that payments to the Directors are not conditional on this resolution being approved.

The Annual Report on Remuneration is set out on pages 65 to 72 of the Company's 2015 Annual Report and Accounts and the letter from the Remuneration Committee Chairman can be found on pages 59 and 60.

Resolution 3 – Final dividend

Shareholders are asked to approve a recommended final dividend of 4.0 cents for each Ordinary share for payment on 6 July 2016 to those shareholders who are on the register of members at close of business on 10 June 2016. This is in addition to the interim dividend of 4.0 cents for each Ordinary share that was paid on 28 October 2015, making a total of 8.0 cents for the year for each Ordinary share.

Resolutions 4 to 10 – Re-election of Directors

In accordance with the recommendations of the UK Corporate Governance Code, all current Directors will stand for re-election at the AGM.

Biographical details of each of the Directors standing for re-election can be found on pages 48 and 49 of the Company's 2015 Annual Report and Accounts and also on the Company's website www.huntingplc.com.

The Board is confident that each non-executive Director has the necessary skills and expertise required for the Hunting group, including significant energy industry experience and/or knowledge of the legal and regulatory environment to which Hunting is required to comply. The Board is also satisfied that each non-executive Director remains independent in character and judgement and is free from any relationship or circumstance which is likely to affect, or could appear to affect, his or her judgement.

Resolution 11 – Auditors’ reappointment and remuneration

The resolution seeks shareholder approval for the reappointment of PricewaterhouseCoopers LLP as auditors and also gives the Audit Committee the authority to determine their remuneration. The performance and effectiveness of the auditors was evaluated by the Company’s Audit Committee which recommended to the Board that PricewaterhouseCoopers LLP be reappointed. PricewaterhouseCoopers LLP has also indicated its willingness to continue as the Company’s auditors for another year.

Resolution 12 – Authority to the Directors to allot shares

The Companies Act 2006 provides that the Directors may only allot shares if authorised by shareholders to do so. Resolution 12 will, if passed, authorise the Directors to allot new shares up to a maximum nominal amount of £24,806,918 which represents an amount which is approximately two-thirds of the issued share capital of the Company as at 3 March 2016, being the latest practicable date prior to the publication of this document.

As provided in paragraph (a) of the resolution, up to half of this authority (equal to one-third of the issued share capital of the Company) will enable the Directors to allot and issue new shares in whatever manner (subject to pre-emption rights) they see fit. Paragraph (b) of the resolution provides that the remainder of the authority (equal to a further one-third of the issued share capital of the Company) may only be used in connection with a rights issue in favour of Ordinary shareholders. As paragraph (a) imposes no restrictions on the way the authority may be exercised, it could be used in conjunction with paragraph (b) so as to enable the whole two-thirds authority to be used in connection with a rights issue.

The authority will expire at the earlier of the date that is 15 months after the date of the passing of the resolution or the conclusion of the next AGM of the Company.

Passing resolution 12 will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares. There are no current plans to issue new shares except in connection with employee share schemes.

As at 3 March 2016, the Company had 148,841,508 Ordinary shares of 25 pence each in issue.

Resolution 13 – Partial disapplication of statutory pre-emption rights

The Companies Act 2006 requires that if the Company issues new shares for cash or sells any treasury shares, it must first offer them to existing shareholders in proportion to their current holdings.

This resolution proposes that the Directors be authorised to issue shares non-pre-emptively for cash and/or sell shares from treasury (if they are so held) without offering the shares to shareholders first up to an aggregate nominal amount of £3,721,038, which represents an amount which is approximately 10% of the issued share capital of the Company as at 3 March 2016.

Under this authority the Directors will have the ability to issue (a) no more than 5% of the issued share capital in any one year, whether or not in connection with an acquisition or specified capital investment; and (b) issue no more than an additional 5% of the issued share capital in any one year provided it is used only in connection with an acquisition or specified capital investment (within the meaning given in the Pre-Emption Group’s Statement of Principles) which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and which is disclosed in the announcement of the issue.

In respect of the authority referred to in (b), the Directors also confirm its intention to follow the provisions of the Pre-Emption Group’s Statement of Principles regarding cumulative usage of authorities within a rolling three year period where the Principles provide that usage in excess of 7.5% of the issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

This authority will expire at the same time as the authority to allot shares given pursuant to resolution 12.

The Directors consider this authority necessary in order to give them the flexibility to deal with opportunities as they arise, subject to the restrictions contained within the resolution.

Resolution 14 – Purchase of own shares by the Company

If passed, this resolution will grant the Company authority for a period of up to 15 months after the date of passing of the resolution to buy its own shares in the market. The resolution limits the number of shares that may be purchased to 14.99% of the Company’s issued share capital as at 3 March 2016, being the latest practicable date prior to the publication of this document. The price per Ordinary share that the Company may pay is set at a minimum amount (excluding expenses) of 25 pence per Ordinary share and a maximum amount (excluding expenses) of the higher of:

- (i) 5% above the average of the previous five days’ middle market prices; and
- (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out.

This authority will only be exercised if market conditions make it advantageous to do so.

The Directors' present intention is that shares purchased pursuant to this authority will be cancelled immediately on purchase. Alternatively, the shares may be held in treasury, sold for cash or (provided Listing Rule requirements are met) transferred for the purposes of or pursuant to an employee share scheme. The effect of any cancellation would be to reduce the number of shares in issue. For most purposes, while held in treasury, shares are treated as if they have been cancelled (for example, they carry no voting rights and do not qualify for dividends). The Directors will only make purchases under this authority if they believe that the effect of such purchases (where such shares are purchased for cancellation) would result in increased earnings per share and would be in the interests of shareholders generally.

As at 3 March 2016, there were outstanding options and awards to subscribe for 4,337,764 Ordinary shares representing in total approximately 2.91% of the Company's issued share capital at that date. If the authority to purchase shares was exercised in full, and those shares were cancelled (but the Company's issued share capital otherwise remained unaltered), outstanding options and awards to subscribe for Ordinary shares would, as at that date, represent approximately 3.43% of the Company's issued share capital.

Resolution 15 – Notice of General Meetings

To enable the Company to preserve the ability to call general meetings (other than an AGM) on 14 clear days' notice, the Company must offer all shareholders the opportunity to appoint a proxy electronically (via the website of the Company or its Registrars) and must obtain the approval of its shareholders by means of a special resolution passed each year. Resolution 15 seeks such approval which, if granted, will be effective until the Company's next AGM when it is intended that a similar resolution will be proposed. The Company is in compliance with the requirement to make electronic voting available to all shareholders. It is intended that the flexibility to call general meetings on 14 clear days' notice will only be used for non-routine business and where merited in the interests of shareholders as a whole.

Recommendation

The Directors consider that all the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. The Board will be voting in favour of them and unanimously recommends that you do so as well.

Yours sincerely,

RICHARD HUNTING C.B.E.
CHAIRMAN

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING (“AGM”)

Proxies and Corporate Representatives

1. A member who is an individual is entitled to attend, speak and vote at the meeting or to appoint one or more other persons as their proxy to exercise all or any of their rights on their behalf. Further details of how to appoint a proxy, and the rights of proxies, are given in the paragraphs below. A member that is a company can appoint one or more corporate representatives (such as a Director or employee of the company) whose attendance at the meeting is treated as if the company were attending in person, or it can appoint one or more persons as its proxy to exercise all or any of its rights on its behalf. In each case, a person attending the meeting will need to provide the Company or its Registrars, Equiniti Limited, with evidence of their identity and, if applicable, their appointment as a proxy or corporate representative with authority to vote on behalf of a member.
2. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. To appoint a proxy or proxies, shareholders must: (a) complete a form of proxy, sign it and return it, together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such authority, to the Company's Registrars, Equiniti Limited; or (b) transmit a CREST Proxy Instruction (as set out in note 11 below); or (c) submit a proxy electronically at www.sharevote.co.uk, in all cases so that it is received no later than 10.30 a.m. on Monday, 11 April 2016. To appoint more than one proxy, you will need to complete a separate form of proxy in relation to each appointment. A form of proxy for use in connection with the AGM is enclosed with this document. Full details of the procedure to submit a proxy electronically are given on the website at www.sharevote.co.uk. To use this service, you will need your Voting ID, Task ID and Shareholder Reference Number printed on the form of proxy. If you do not have a form of proxy and believe that you should, please contact the Company's Registrars, Equiniti Limited, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or call on 0371 384 2173. Overseas shareholders should call on +44 (0)121 415 7047. Lines are open 8.30 a.m. to 5.30 p.m. Monday to Friday (excluding UK public holidays).
3. If you are appointing more than one proxy you will need to state clearly on each form of proxy the number of shares in relation to which the proxy is appointed and ensure that, taken together, the number of shares stated on the forms of proxy do not exceed your holding.
4. The appointment of a proxy will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
5. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Nominated Persons

6. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a “Nominated Person”) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of the rights of shareholders in relation to the appointment of proxies in notes 1, 2 and 3 above does not apply to Nominated Persons. The rights described in these notes can only be exercised by shareholders of the Company.

Entitlement to attend and vote

8. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company gives notice that only those shareholders included in the register of members of the Company at 6.00 p.m. on Monday, 11 April 2016 or, if the meeting is adjourned, in the register of members at 6.00 p.m. on the day which is two days before the day of any adjourned meeting, will be entitled to attend and to vote at the AGM in respect of the number of shares registered in their names at that time. Changes to entries in the register of members after 6.00 p.m. on 11 April 2016, or, if the meeting is adjourned, after 6.00 p.m. on the day which is two days before the day of the adjourned meeting, will be disregarded in determining the rights of any person to attend or vote at the AGM.

Total Voting Rights

9. As at 9.00 a.m. on 3 March 2016, the Company's issued share capital comprised 148,841,508 Ordinary shares of 25 pence each. Each Ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 9.00 a.m. on 3 March 2016 is 148,841,508.

Crest Members

10. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of the meeting by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made by means of the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (“EUI”) specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA19), by the latest time for receipt of proxy appointments set out in note 2 above.

For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

12. CREST members and, where applicable, their CREST sponsors or voting service providers, should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Audit Statements

13. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with the auditors of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

Members' rights to ask questions

14. Any member attending the meeting has the right to ask questions. The Company must answer any such question relating to the business being dealt with at the meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Members' rights to requisition a resolution or matter to be discussed

15. Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (i) to give to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless: (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise); (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than six weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

Communication with the Company

16. You may not use any electronic address provided in this Notice, or any related documents including the form of proxy, to communicate with the Company for any purposes other than those expressly stated.

Electronic Publication

17. A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found at www.huntingplc.com.
