NORTHERN LIGHTS RESOURCES COMMENCES TRADING ON THE FRANKFURT STOCK EXCHANGE

Vancouver, British Columbia – (March 27, 2026) – Northern Lights Resources Corp. (CSE: NLR) (OTC: NLRCF) (FSE: 0ZH0) (the "Company" or "Northern Lights") is pleased to announce that its common shares are now listed and trading on the Frankfurt Stock Exchange ("FSE") under the ticker symbol 0ZH0.

As one of the world's leading stock exchanges, the FSE offers the Company exposure to a significant pool of European institutional and retail investors. The listing is intended to broaden Northern Lights' investor base, increase trading liquidity, and raise the Company's profile across European capital markets.

"Securing a listing on the Frankfurt Stock Exchange marks an important step in our growth strategy," said Luka Capin, Chief Executive Officer of Northern Lights Resources. *"With a diversified portfolio that includes our Horetzky copper project in the prolific Babine porphyry belt of British Columbia, the Pup copper project in Yukon, and the Secret Pass gold project in Arizona, we believe there is a compelling opportunity to connect with European investors who have a strong track record of backing mineral exploration and development companies worldwide."*

The Company also announces that, pursuant to its Stock Option Plan, it has granted stock options to directors, officers, employees and consultants to purchase an aggregate of 1,755,000 common shares at an exercise price of $0.075 per share, expiring on March 26, 2028. The stock options vest one-third on the date of grant, one-third six months from the date of grant, and one-third twelve months from the date of grant. The stock option grant is subject to acceptance by the Canadian Securities Exchange (the "CSE").
