

# Rokmaster Starts 2023 Drill Program on Revel Ridge

VANCOUVER, BC, June 1, 2023 /CNW/ - Rokmaster Resources Corp. (TSXV: RKR) (OTCQB: RKMSF) (FSE: 1RR1) ("Rokmaster" or "the Company") is pleased to announce the commencement of diamond surface drilling on the Revel Ridge Project ("Revel Ridge").

The crews have eagerly begun drilling on the first drill pad which will target down-dip of the 2022 channel sampling on the southeastern extension of the Revel Ridge Main Zone ("RRMZ"). The next targets will be on the northwestern extension of the RRMZ to potentially add to the strike length of the RRMZ (see press release dated April 12, 2023).

John Mirko, President and CEO, comments:

*"Conditions are perfect for the Rokmaster team and contractors to continue exploring the Revel Ridge Project. This drill program is designed to continue our consistent course of adding tonnes to the already significant resource base."*

The technical information in this news release has been prepared in accordance with Canadian regulatory requirements as set out in National Instrument 43-101 and reviewed and approved by Eric Titley, P.Geo., who is independent of Rokmaster and who acts as Rokmaster's Qualified Person.

On Behalf of the Board of Directors of

**Rokmaster Resources Corp.**

John Mirko,  
President & Chief Executive Officer.

**CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS:** This news release may contain forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company's properties; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from Rokmaster's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any

forward-looking statement, whether as a result of new information, future vents or results or otherwise.
