# Datametrex AI Announces New Advisory Board Member Spiros Margaris

TORONTO, Jan. 02, 2018 -- Datametrex AI Limited (the **"Company"** or "**Datametrex**") (TSXV:DM) (FSE:D4G) is pleased to announce its appointment of internationally recognized FinTech, InsurTech, and Artificial Intelligence (AI) influencer and venture capitalist Spiros Margaris to its advisory board.

Spiros Margaris is ranked the No. 1 global FinTech influencer and the No. 2 InsurTech influencer by Onalytica. He regularly appears in the top three positions of established global industry influencer rankings. He is also ranked worldwide the No. 11 AI influencer by Jay Palter Social Advisory and the No. 10 blockchain influencer by Right Relevance. He is a speaker at international FinTech and InsurTech conferences, and he publishes articles on his innovation proposals and thought leadership. Recently, he published an AI white paper, "Machine learning in financial services: Changing the rules of the game," for the enterprise software vendor SAP.

New advisory board member Spiros Margaris says, "I could not resist this fantastic opportunity to be part of the success story of the growth company Datametrex and its very exciting future prospect. While on an advisory board of another very successful Canadian company called Glance Technologies Inc., I discovered the fantastic potential Canadian technology companies have to offer the world. Datametrex won me over with its exceptional management and advisory board team that know how to execute successfully Datametrex's vision. Furthermore, I was impressed by Datametrex's blockchain and AI technology capabilities and its future global business opportunities."

As a member of the advisory board, Spiros Margaris will advise and support Datametrex's management and advisory board on the company's ambitious global FinTech, AI, Blockchain and Crypto Mining growth strategy.

"We are thrilled to have Spiros join our advisory board and to be able to tap into his vast knowledge base, contact base and international following. He is world renowned as an expert in the key areas that Datametrex is focused, making his appointment strategic to the company's growth." says Andrew Ryu, Chairman and CEO of the Company.

**About the Company**
Datametrex AI Limited is focused on the collection of retail sales data, providing Government Agencies and Fortune 500 corporations with Artificial Intelligence solutions and implementing Blockchain technology for secure Data Transfers and Cryptocurrency Mining.

**Forward-Looking Statements**

This news release includes certain forward-looking statements within the meaning of Canadian securities laws. Such forward-looking information and statements are not representative of historical facts or information or current condition, but instead represent only the Company`s belief regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control.

Generally, such forward-looking information or statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved".

The forward-looking information contained herein includes, but is not limited to, information with respect to prospective financial performance, anticipated capital funding and sources, proposed or potential acquisitions, estimated operating and sales costs, estimated market drivers and demand, business prospects and strategy, new markets for growth and financial position. By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements.

Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. Accordingly, readers should not place undue reliance on any forward-looking information or statements contained in this press release.

The forward-looking information contained in this press release is made as of the date hereof, and the Company does not undertake to update any forward-looking information that is contained or referenced herein, whether as a result of new information, future events or otherwise, except in accordance with applicable securities laws. All subsequent written and oral forward looking information and statements attributable to the Company or persons acting on its behalf are expressly qualified in its entirety by this notice.
