DATAMETREX AI LIMITED ANNOUNCES CHANGE IN DIRECTORS

TORONTO, ONTARIO– July 11, 2018 Datametrex AI Limited (the "**Company**" or "**Datametrex**") (**TSXV: DM, FSE: D4G**) announces that Mr. Andrew Male and Mr. Cory Taylor have tendered their resignations as Directors of the Company, effective as of July 3rd, 2018, but will continue to work with the Company in an advisory capacity. The Company would like to thank Mr. Male and Mr. Taylor for their services to the Company and look forward to working with them in this new role as the Company continues to develop its business.

"I would like to thank both Andrew and Cory for their time and commitment to Datametrex. Each of them brought unique skills to the board, adding depth and experience which was key in positioning the Company to succeed", says Andrew Ryu, Chairman and CEO of the Company.

Concurrent with these resignations, the Company is pleased to announce that Mr. Pankaj Varma and Mrs. Janeen Stodulski have been appointed as Directors of the Company, effective July 3rd, 2018.

The appointments of the new board members are subject to the final approval of the TSX Venture Exchange.

Mr. Pankaj Varma

After completing his BA in Economics and Business from York University, Pankaj worked as the Legislative Advisor to the Minster of Health, the Honorable Elinor Caplan. After three years at Queen's Park, he left to pursue his MBA at York University.

Since 1992, Pankaj has been successfully managing his family's business interests including investments in real estate, stocks, bonds, and currencies.

Currently, he is president of Brook Capital Corporation - an independent boutique investment firm that connects high net worth investors, family offices, and foundations with best in class alternative investment products.

Pankaj currently serves as a Director of ADYA Inc., which trades on the TSX Venture Exchange. He is also on the Board of the Toronto chapter of TiE (a global mentoring organization for entrepreneurs) as well as the Bayview Golf and Country Club.

Mrs. Janeen Stodulski

A graduate of Brock University, Janeen received her CPA designation in 1999 and her MBA from Queen's University in 2002 and most recently completed her In-Depth taxation with CPA Canada.

Janeen brings more than 28 years in diverse tax, financial, and business consulting experience to the table. She has gained extensive accounting experience through her senior roles in public practice as well as several C-suite roles in a variety of companies. Janeen extensive expertise allows her to provide outside the box strategies and solutions in addition to comprehensive accounting services.

With a love for technology, she brings a special focus to cloud accounting solutions. She is the innovator of the Grant Thornton Cloud Accounting solution and is currently working as the Client Service Director for Grant Thornton.

Ms. Stodulski has received numerous awards and appointments during her career, including an appointment to the Prime Minister's Task Force on Women Entrepreneurs, Ontario and Chapter Distinguished Service awards with CGA, Royal Bank Women Entrepreneurs finalist and Oakville Community Environmental Award.

"We are thrilled to have both Janeen and Pankaj join our board as we embark on our second year as a public company. Each of them brings tremendous experience and contacts that will no doubt benefit the Company as we continue to expand in our areas of focus including: Artificial Intelligence, Blockchain and Crypto Currency", says Jeff Stevens, President and COO of the Company.
