

IMAGINE HEALTH WELCOMES NEW PHYSICIANS AND RESUMES ACCEPTING NEW PATIENTS

Toronto, Ontario, October 30, 2024 – DatametreX AI Limited (the “Company” or “DatametreX”) (TSXV: DM, FSE: D4G, OTC: DTMXF) is pleased to announce that its Imagine Health Centres (“Imagine Health” or “IHC”) clinics in Calgary and Edmonton resumed accepting new patients, supported by the addition of several new physicians across both locations. For new patients interested in accessing care, the Company encourages patients to contact each clinic directly. The Calgary clinic can be reached at +1 (403) 775-9669 and for those in Edmonton, please contact the clinic at +1 (780) 468-5999. Both clinics can be reached via email at info@imaginehealthcentres.com. IHC team is ready to assist you in finding the right physician to meet your healthcare needs, and look forward to welcoming you to Imagine Health Centres.

IHC Calgary Downtown:

The Calgary clinic has welcomed an expanded team of physicians to meet the needs of the community. Dr. Matthew Kerslake, a walk-in physician and Certified PrEP (Pre-Exposure Prophylaxis) Prescriber, is available Monday through Thursday from 9:00 AM to 5:00 PM, providing consistent walk-in care throughout the week. Dr. John Haddad and Dr. Ingrid Cheung offer additional walk-in support, with Dr. Haddad available on Tuesdays and Fridays and Dr. Cheung on Mondays, Tuesdays, and Thursdays. Family Physician Dr. Elham Rezaeisarlak is accepting new patients and is available Monday through Thursday, delivering dedicated, personalized family care. Dr. Rachel Han, who is fluent in Korean, is available for walk-in patients on Wednesdays and Fridays, broadening access for diverse patient needs.

IHC Edmonton:

In Edmonton, Imagine Health welcomes Dr. Renata Mishra, a Family Physician with a specialization in women’s health. Dr. Mishra is available Monday, Tuesday, and Thursday and accepts referrals for women’s health concerns, including IUD insertions.

“We are excited to welcome these dedicated physicians to Imagine Health and to expand our ability to meet the healthcare needs of patients in Calgary and Edmonton,” said Paul Haber, CEO of DatametreX. *“With a strong commitment to accessible and comprehensive*

care, we look forward to continuing to grow Imagine Health and to serving our communities with the highest standard of medical care."

Patients seeking walk-in services, specialized care, or a new family physician are invited to visit Imagine Health and experience the expanded range of healthcare offerings. For more information or to book an appointment, please contact the respective clinic.

Commitment to Healthcare Accessibility

By expanding its medical team, Datametrex reaffirms its commitment to improving healthcare accessibility and enhancing patient outcomes. The Company remains focused on providing comprehensive healthcare solutions that respond to the evolving needs of Canadians.

Forward-Looking Statements

This news release contains "forward-looking statements," which involve risks, uncertainties, and factors that could cause actual results to differ materially from those anticipated. These statements are not historical facts and are generally identified by words such as "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," and similar expressions. Such statements include expectations related to game development and other Company plans.

While Datametrex believes the forward-looking information is reasonable as of the date of this release, these statements involve assumptions, risks, and uncertainties that could cause actual outcomes to differ. Key factors include general economic conditions, legislative and regulatory developments, access to capital, industry competition, and the Company's ability to execute its strategies. The Company does not undertake to update these statements, except as required by law. Readers are advised not to place undue reliance on forward-looking information.

Factors that could cause actual results to differ materially are detailed under "Risk Factors" in Datametrex's management's discussion and analysis for the year ended December 31, 2023, available on the Company's profile at www.sedarplus.ca.

This release does not constitute an offer to sell or a solicitation to buy, nor shall it constitute an offer, solicitation, or sale in any jurisdiction where such would be unlawful prior to registration or qualification under applicable securities laws. We seek Safe Harbor.
