

EXO U Joins the Cisco Solution Partner Program

PALO ALTO, CA - March 19, 2015 - EXO U (TSXV:EXO), a provider of an innovative software suite that empowers Educators and IT Administrators to manage their digital footprint, improve engagement and efficiency, and securely deliver applications to their students and businesses today announced that it has joined the Cisco® Solution Partner Program as a Solution Partner. The Internet of Everything (IoE) continues to bring together people, processes, data and things to enhance the relevancy of network connections. As a member of the Cisco Solution Partner Program, EXO U is able to quickly create and deploy solutions to enhance the capabilities, performance and management of the network to capture value in the IoE.

“We are pleased to join Cisco’s Solution Partner Program,” said Shan Ahdoot, EXO U’s Chief Executive Officer and Co-Founder. “We look forward to working with Cisco around the world to help students from all backgrounds gain access to the myriad of educational resources that are now available online and via mobile applications through the implementation of EXO U and Cisco’s joint Education solution.”

The Cisco Solution Partner Program, part of the Cisco Partner Ecosystem, unites Cisco with third-party independent hardware and software vendors to deliver integrated solutions to joint customers. For more information on EXO U, go to <https://marketplace.cisco.com/catalog/companies/exo-u-inc>. As a Solution Partner, EXO U offers a complementary product offering and has started to collaborate with Cisco to meet the needs of joint customers.

About EXO U

EXO U focuses on the new digital learning landscape in education. From delivering a range of instructional content to any student device to providing tools for one-touch content management, personalization and organization, we make the 1:1 and BYOD vision for learning an achievable, affordable reality. With both offline and online flexibility, **EXO U** levels the playing field for every learner with access to a device. Founded in 2010, EXO U (TSX-V: [EXO](#)) EXO U is located in Palo Alto, CA and Montréal, QC. For more information, visit <http://www.exou.com> and follow us on Twitter http://twitter.com/exo_u.
