

Organigram Global Announces Update to CEO Succession Plan

TORONTO--(BUSINESS WIRE)--October 21, 2025--Organigram Global Inc. (“Organigram” or the “Company”) announces that Ms. Beena Goldenberg will extend her tenure as Chief Executive Officer until November 30, 2025 to support the completion of the Company’s ongoing CEO search process.

The Board’s search has attracted strong interest and they are pleased with the progress as they focus on identifying a leader aligned with Organigram’s strategic vision and growth objectives. Beena will continue to lead day-to-day operations, ensuring continuity of execution and momentum across all business lines. The Company remains focused on delivering against its key priorities and creating long-term value for shareholders.

About Organigram

Organigram Global Inc. is a NASDAQ Global Select Market and TSX listed company whose wholly owned subsidiaries include Organigram Inc., a licensed cultivator and processor of cannabis and manufacturer of cannabis-derived goods in Canada. Through its recent acquisition of Collective Project Limited, Organigram Global participates in the US and Canadian cannabinoid beverages markets.

Organigram is focused on producing high-quality cannabis for adult recreational consumers, as well as developing international business partnerships to extend the Company's global footprint. Organigram has also developed and acquired a portfolio of legal adult-use recreational cannabis brands, including Edison, Holy Mountain, Big Bag O’ Buds, SHRED, SHRED’ems, Monjour, Tremblant Cannabis, Trailblazer, Collective Project, BOXHOT and DEBUNK. Organigram operates facilities in Moncton, New Brunswick and Lac-Supérieur, Quebec, with a dedicated edibles manufacturing facility in Winnipeg, Manitoba. The Company also operates two additional cannabis processing facilities in Southwestern Ontario; one in Aylmer and the other in London. The facility in Aylmer houses best-in-class CO2 and Hydrocarbon extraction capabilities, and is optimized for formulation refinement, post-processing of minor cannabinoids, and pre-roll production. The facility in London will be optimized for labelling, packaging, and national fulfillment. The Company is regulated by the Cannabis Act and the Cannabis Regulations (Canada).
