

Patriot One Ranks Number 2 in Tech Sector on 2019 TSX Venture 50®

TORONTO, ON (GLOBE NEWSWIRE – February 21, 2019) – Patriot One Technologies Inc. (TSXV: PAT) (OTCQX: PTOTF) (FRANKFURT: OPL) (“Patriot One” or the “Company”), is pleased to announce it has ranked 2nd best performing technology stock on the 2019 TSX-Venture 50 for its 2018 performance.

The TSX Venture 50 is an annual ranking of the top 50 Canadian and international companies traded on the TSX Venture Exchange (TSXV). The 2019 TSX Venture 50 winners were selected based on three equally weighted market performance criteria: market capitalization growth, share price appreciation and trading volume for the year ended December 31, 2018.

“Ranking 2nd as a technology stock on the 2019 TSX Ventures 50 is really a tribute to our staff and investors,” shared Martin Cronin, President and CEO of Patriot One Technologies. “2018 was an incredible year for Patriot One, as this ranking denotes. We are working hard to continue the upward climb, as we move from paid trials to commercial rollout of our PATSCAN solutions during 2019. Our vision has always been to create a world safer from acts of violence on our global citizens while we deliver greater shareholder value.”

On Behalf of the Board,

“Martin Cronin”

Martin Cronin, Chief Executive Officer

About Patriot One Technologies, Inc. (TSX.V:PAT) (OTCQX: PTOTF) (FRA: OPL):

Patriot One has developed the PATSCAN™ next generation software and sensor solution for the covert detection of weapons threats. Designed as an innovative and effective platform to combat active shooter threats before they occur, the system features the award-winning PATSCAN™ CMR cognitive microwave radar system. Built for cost-effective deployment in weapon-restricted buildings and facilities, the Patriot One software solution and related hardware systems can be installed at key access points to covertly identify weapons and to alert security for the intervention of active threat events before they commence. Owner/operators of private and public facilities can now prominently post anti-weapons policies with compliance assured. The Company’s motto Deter, Detect and Defend is based on the belief that widespread use of its technology will act as an effective deterrent, thereby diminishing the epidemic phenomena of active shooters across the globe. For more information, visit: www.patriot1tech.com. Patriot One Technologies are proud winners of the 2017 Anti-Terrorism / Force Protection category of the [Security Industry Association’s](#) New Product Showcase at [ISC West](#).

CAUTIONARY DISCLAIMER STATEMENT:

No Securities Exchange has reviewed nor accepts responsibility for the adequacy or accuracy of the content of this news release. This news release contains forward-looking statements relating to product development, licensing, commercialization and regulatory compliance issues and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects", "believes", and similar expressions. All statements other than statements of historical fact, included in this release are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include the failure to satisfy the conditions of the relevant securities exchange(s) and other risks detailed from time to time in the filings made by the Company with securities regulations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company will update or revise publicly any of the included forward-looking statements as expressly required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
