About Xtract One

[Xtract One Technologies](https://www.xtractone.com) is a leading technology-driven threat detection and security solution leveraging AI to provide seamless and secure patron access control experiences. The Company makes unobtrusive threat detection systems that enable venue building operators to prioritize and deliver improved patron experiences while providing unprecedented safety. Xtract One's innovative Gateway product enables companies to covertly screen for weapons at points of entry without disrupting the flow of traffic. Its AI-based Video Recognition Software allows venue and building operators to identify weapons and other threats inside and outside of facilities, and receive valuable intelligence for optimizing operations.
