

Xtract One Announces Fiscal 2026 Second Quarter Conference Call

TORONTO, Feb. 17, 2026 -- Xtract One Technologies Inc. (TSX: XTRA) (OTCQX: XTRAF) (FRA: OPL) ("Xtract One" or the "Company"), a leading technology-driven threat detection and security solution that prioritizes the patron access experience by leveraging AI, today announced that it will release fiscal 2026 second quarter results after the close of trading on March 4, 2026. Peter Evans, Xtract One CEO and Director, and Karen Hersh, CFO and Corporate Secretary, will host a webcast and conference call at 10:00 a.m. Eastern Time the following day, March 5, 2026, to review financial results for the three months ended January 31, 2026.

The webcast and presentation will be accessible on the Company's website, and the telephone number for the conference call is 844-481-3016 (412-317-1881 for international callers). Management will provide an overview of the annual financial results along with management's outlook for the business, followed by a question-and-answer period.

About Xtract One Technologies

[Xtract One Technologies](#) is a leading technology-driven threat detection and security solution leveraging AI to provide seamless and secure patron access control experiences. The Company makes unobtrusive weapons and threat detection systems that are designed to assist facility operators in prioritizing- and delivering improved "Walk-right-In" experiences while enhancing safety. Xtract One's innovative portfolio of AI-powered Gateway solutions excels at allowing facilities to discreetly screen and identify weapons and other threats at points of entry and exit without disrupting the flow of traffic. With solutions built to serve the unique market needs for schools, hospitals, arenas, stadiums, manufacturing, distribution, and other customers, Xtract One is recognized as a market leader delivering the highest security in combination with the best individual experience. About Threat Detection and Security Solutions

Xtract One solutions, when properly configured, deployed, and utilized, are designed to help enhance safety and reduce threats. Given the wide range of potential threats in today's world, no threat detection system is 100% effective. Xtract One solutions should be utilized as one element in a multilayered approach to physical security.
