Kesselrun Resources Announces Private Placement Financing

THUNDER BAY, ON, June 30, 2015 – Kesselrun Resources Ltd. (TSXV:KES) ("Kesselrun" or the "Company") is pleased to announce that it has arranged an Offering of up to $400,000 consisting of flow-through shares (the "FT Shares") at a price of $0.05 per FT Share and non-flow-through units (the "NFT Units") at a price of $0.05 per NFT Unit. The NFT Units will consist of one common share and one half of one common share purchase warrant (a "Warrant"). Each whole Warrant will entitle the holder to purchase one common share at a price of $0.10 for two years from the closing date.

In connection with the private placement, the Company may pay finder's fees in cash or securities or a combination of both, as permitted by the policies of the TSX Venture Exchange.

All securities issued above are subject to a hold period of 4 months and one day from the date of closing. The proceeds from the non flow-through portion of the private placement will be used for general working capital and the proceeds from the flow-through portion of the private placement will be used to conduct exploration on the Company's properties.
