Dear Shareholder

AGM

I am delighted to invite you to my first AGM as Chair, having been appointed to the role in early March 2022. The Board recognises that the AGM provides an invaluable opportunity to engage directly with shareholders and to respond to any questions you may have on the business of the meeting.

I am therefore pleased to confirm that the 2022 AGM of Clarkson PLC (the 'Company' or 'Clarksons'), will be held at 12 noon on Wednesday 11 May 2022. In view of the continued uncertainty, and to encourage shareholder participation, we have decided to hold the meeting electronically. On the video webcast, you will be able to participate online using your smartphone, tablet or computer; hear and see the Directors; see the AGM presentation slides; engage in the Q&A session; and vote during the meeting in respect of your holding. Full details on how to access the video webcast can be found on pages 9 and 10 of this Notice of Meeting.

Board of Directors

The Company announced in December 2021 that Sir Bill Thomas intended to step down as Chair and from the Board and that an independent selection process to appoint his successor would be commenced. Following this process, Sir Bill stepped down on my appointment as Chair. On behalf of the Board, I would like to thank Sir Bill for his valuable contribution and wish him continued success in the future.

We were pleased to welcome Martine Bond to the Board as a Non-Executive Director in March 2021. Martine brings a wealth of knowledge in electronic trading, risk management and technology solutions together with financial services and international experience. Full biographical details for Martine can be found on page 7 of this Notice of Meeting.

Recommendation

The Board considers that all the proposed resolutions set out in this Notice of Meeting are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of each resolution, as the Directors intend to do so in respect of their own beneficial holdings.

Special resolutions

Disapplication of pre-emption rights

17. That, subject to the passing of resolution 15 above, and in place of all existing powers given to them, the Directors be generally empowered pursuant to sections 570 and 573 of the Companies Act 2006 to allot equity securities (as defined in the Companies Act 2006) for cash pursuant to the authority conferred by resolution 15 above, as if section 561(1) of the Companies Act 2006 did not apply to any such allotment. This power:

(a) expires (unless previously renewed, varied or revoked by the Company in general meeting) at the end of the next annual general meeting of the Company after the date on which this resolution is passed (or, if earlier, at the close of business on the date which falls 15 months after the date of this resolution), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the Directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act 2006 as if in the first paragraph of this resolution the words 'pursuant to the authority conferred by resolution 15 above' were omitted.

Authority to purchase own shares

18. That the Company be generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 to make market purchases (within the meaning of section 693(4) of the Companies Act 2006) of its ordinary shares of 25 pence each, provided that:

(a) the maximum number of ordinary shares of 25 pence each that may be purchased is 3,048,819;

(b) the minimum price (exclusive of expenses) which may be paid for each ordinary share is 25 pence;

(c) the maximum price (exclusive of expenses) which may be paid for each ordinary share shall be the higher of:

(d) unless previously renewed, revoked or varied, this authority shall expire on the conclusion of the Company's next annual general meeting or 18 months from the date of passing this resolution, whichever is earlier; and

(e) the Company may make a contract or contracts to purchase ordinary shares before the expiry of this authority, and conclude such contract or contracts in whole or in part after the expiry of this authority.

Explanatory notes to the Notice of Annual General Meeting

At the AGM there are 19 resolutions which shareholders will be asked to consider and, if thought fit, approve. An explanation of each resolution is given below. Resolutions 1 to 16 (inclusive) are proposed as ordinary resolutions. An ordinary resolution requires more than 50% of votes cast to be in favour of it for the resolution to be passed. Resolutions 17 to 19 (inclusive) are proposed as special resolutions. A special resolution requires at least 75% of votes cast to be in favour of it for the resolution to be passed.

Ordinary resolutions

Resolution 1: Annual Report

The Directors present the Strategic Report, Directors' Report, audited accounts and the independent external Auditor's Report in respect of the year ended 31 December 2021 to the AGM. These documents are included in the 2021 Annual Report, which is available on the Company's website at www.clarksons.com.

Resolution 2: Remuneration Report

All UK-listed companies are required to put their Directors' Remuneration Report (excluding the Directors' Remuneration Policy) to shareholders on an annual basis. This is set out on pages 126 to 142 of the 2021 Annual Report and includes:

- A statement by Dr Tim Miller, the Chair of the Remuneration Committee (pages 126 and 127);
- The Remuneration Committee report (page 128); and
- The Annual Report on Remuneration (pages 129 to 142).

The Annual Report on Remuneration sets out details of the implementation of the Company's Directors' Remuneration Policy (the 'Policy'). This includes the terms of payments and share awards made to the Directors in connection with their performance and that of the Company in respect of the year ended 31 December 2021.

The resolution to approve these items is an advisory vote only and does not impact on the actual remuneration paid to any Director.

The full Policy, as approved by shareholders at the 2020 AGM, can be found on pages 119 to 125 of the 2019 Annual Report on the Company's website at www.clarksons.com.

Resolution 3: Dividend

A final dividend can only be paid if approved by members at a general meeting. If approved, the dividend will be paid on 27 May 2022 to members on the register as at the close of business on 13 May 2022 and, with the interim dividend of 27 pence per ordinary share, will result in a total dividend for the year ended 31 December 2021 of 84 pence per ordinary share.

Resolutions 4 to 12 (inclusive): Election and re-election of Directors

In accordance with the UK Corporate Governance Code (the 'Code') and the Company's Articles of Association, Directors appointed by the Board are subject to election by shareholders at the first AGM following their appointment, and subject to annual re-election thereafter. Martine Bond was appointed as an independent Non-Executive Director on 26 March 2021 and will be standing for election by shareholders. All other Directors are offering themselves for re-election. The biography of each Director proposed for election or re-election is set out at appendix 1. The biographies demonstrate the specific reasons why their contribution is, and continues to be, important to the Company's long-term sustainable success.

Prior to confirming that each Director should be proposed for election or re-election, the following factors were considered by the Nomination Committee:

- At the end of 2021, the Board formally reviewed the performance of each Director and determined that they each continue to perform effectively and make a valuable contribution to the Board.
- In early 2022, the Nomination Committee reviewed the time commitment demonstrated by each Non-Executive Director (including attendance at Board meetings) and was satisfied that this was in line with the requirement set out in their letters of appointment, and sufficient to discharge their duties. The external directorships and other commitments of the Non-Executive Directors were also taken into account when making this assessment.
- The independence of the Non-Executive Directors was reviewed by the Nomination Committee in early 2022, taking into account the circumstances which are likely to impair or could impair their independence as set out in Provision 10 of the Code. The Nomination Committee concluded that the Directors proposed for election or re-election at resolutions 4 and 7 to 12 (inclusive) are and remain independent.
- The Board is cognisant that Peter Backhouse, our Senior Independent Director, will have served nine years on the Board in September 2022. In light of the recent change in the Chair, Peter has agreed to offer himself for re-election at the AGM and remain on the Board for a period in order to ensure continuity whilst the new Chair settles into his role. Consideration will be given to the appropriate timing for the appointment of a new Senior Independent Director in due course.

Taking account of each of these factors, as well as the balance of skills, knowledge and experience on the Board as a whole, the Board approved the Nomination Committee's recommendation that each Director should be proposed for election or re-election by shareholders at the AGM.

Explanatory notes to the Notice of Annual General Meeting continued

Resolutions 13 to 14: Reappointment and remuneration of Auditor

The Company is required to appoint an independent auditor at each general meeting at which accounts are laid, to hold office until the conclusion of the next such general meeting. Following the recommendation from the Audit and Risk Committee, resolution 13 proposes the reappointment of the Company's existing Auditor, PricewaterhouseCoopers LLP, whilst resolution 14 seeks authorisation for the Board to set the external Auditor's remuneration. This authority will be delegated to the Audit and Risk Committee.

Resolution 15: Authority to allot shares

Under section 551 of the Companies Act 2006, the Directors may only allot shares or grant rights to subscribe for, or convert any securities into, shares if authorised to do so by the shareholders. The section 551 authority conferred on the Directors at last year's AGM expires on the date of the 2022 AGM. Resolution 15 gives the Directors a new section 551 authority.

If the resolution is passed, the authority will expire at the conclusion of the Company's next AGM in 2023 or, if earlier, at the close of business on the date which falls 15 months after the date of this resolution.

Paragraph (A) of this resolution would provide the Directors with authority to allot ordinary shares, and grant rights to subscribe for, or convert any security into, shares, up to a maximum nominal amount of £2,540,682 which represents approximately one-third of the Company's issued share capital (excluding treasury shares) as at 1 April 2022, being the latest practicable date prior to the publication of this Notice of AGM.

In line with the Share Capital Management Guidelines published by the Investment Association, paragraph (B) would give the Directors authority to allot ordinary shares, and grant rights to subscribe for, or convert any security into, shares, in connection with a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems) up to a maximum nominal amount of £5,081,365, which represents approximately two-thirds of the Company's issued share capital as at 1 April 2022, being the latest practicable date prior to the publication of this Notice of AGM.

Other than in connection with the Company's various share-based plans for employees, the Board has no present intention to exercise this authority. However, it is considered prudent to maintain the flexibility that this authority provides. The Directors intend to seek renewal of this authority annually.

Resolution 16: Political donations

The Companies Act 2006 requires companies to seek shareholder approval for donations to political parties, independent candidates and other political organisations, and for other political expenditure that exceeds £5,000 in aggregate in any 12-month period.

Whilst the Company does not make, or intend to make, political donations and/or incur political expenditure, these terms are defined very widely in the Companies Act 2006 and could inadvertently catch activities such as sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling certain public duties, and support for bodies representing the business community in policy review or reform. Therefore, to avoid inadvertently breaching legislation, shareholder approval is being sought as a precautionary measure to allow the Company and its subsidiaries to incur political expenditure up to a maximum aggregate amount of £10,000 over the period set out in the resolution. Political donations made or political expenditure incurred will be disclosed in the Company's 2022 Annual Report, as required by the Companies Act 2006.

There were no political donations made nor political expenditure incurred in 2021.

Special resolutions

Resolution 17: Disapplication of pre-emption rights

If the Directors wish to allot shares, or grant rights to subscribe for, or convert securities into, shares, or sell treasury shares for cash (other than pursuant to an employee share scheme), they must first offer them to existing shareholders in proportion to their holdings. There may be occasions when the Directors need the flexibility to finance business opportunities by allotting shares without a pre-emptive offer to existing shareholders, and this can be done if the shareholders have first given a limited waiver of their pre-emption rights.

Resolution 17 asks shareholders to grant this limited waiver.

The resolution contains a two-part waiver. The first is limited to the allotment of shares for cash up to an aggregate nominal value of £381,102 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents approximately 5% of the issued ordinary share capital as at 1 April 2022 (the latest practicable date before publication of this Notice of AGM). The second is limited to the allotment of shares for cash in connection with a rights issue to allow the Directors to make appropriate exclusions and other arrangements to resolve legal or practical problems which, for example, might arise in relation to overseas shareholders.

If the resolution is passed, this waiver will expire at the conclusion of the Company's next AGM in 2023 or, if earlier, at the close of business on the date which falls 15 months after the date of passing this resolution. Renewal of this authority is sought at the AGM annually.

The Directors confirm their intention to adhere to the Pre-Emption Group's Statement of Principles, and therefore do not intend to allot shares representing more than 7.5% of the issued share capital (excluding treasury shares) for cash on a non-pre-emptive basis in any three-year rolling period.

Resolution 18: Purchase of own shares

The resolution would give the Company authority to purchase its own shares in the market, as permitted by the Companies Act 2006. The authority limits the number of shares that could be purchased to a maximum of 3,048,819 ordinary shares of 25 pence each, being 10% of the Company's issued share capital as at 1 April 2022, the latest practicable date prior to the publication of this Notice of AGM.

The Board has no current intention to exercise this authority, but the authority provides the flexibility to allow them to do so in the future. The authority would only be exercised by the Board when, taking into account the overall financial position of the Company and prevailing market conditions, to do so would be in the best interests of the Company, and of its shareholders as a whole, and could be expected to result in an increase in earnings per share.

The resolution specifies the minimum and maximum prices at which shares may be purchased. Any shares purchased under this authority may be cancelled or held as treasury shares. Treasury shares may be subsequently cancelled, sold for cash or used to satisfy options issued to employees pursuant to a share scheme.

If given, this authority will expire at the Company's next AGM in 2023 or 18 months from the date of passing this resolution, whichever is earlier. The Company intends to seek renewal of this authority annually.

As at 1 April 2022, the latest practicable date prior to the publication of this Notice of AGM, the total number of options outstanding to subscribe for ordinary shares was 762,052. This figure includes both options and restricted stock units (being a conditional right to acquire shares) issued under the Company's share plans. The total number of options (including restricted stock units) outstanding represents approximately 2.50% of the Company's issued share capital (excluding treasury shares), and approximately 2.78% of the Company's issued share capital (excluding treasury shares) if the full authority proposed under this resolution 18 was used and the shares purchased were cancelled.

Resolution 19: Notice of general meetings

Under the Companies Act 2006, the notice period required for general meetings is 21 clear days, however, shareholders can approve a shorter notice period (other than for AGMs), as long as this is not less than 14 clear days' notice.

In order to maintain flexibility for the Company, resolution 19 proposes that this shorter notice period be approved by shareholders. The shorter notice period would not be used as a matter of routine for general meetings, only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. A full explanation will be provided if it is deemed necessary to call a meeting on 14 clear days' notice in the future, and the Company undertakes to meet the requirements for electronic voting under the Companies (Shareholders' Rights) Regulations 2009 before calling a general meeting on 14 clear days' notice. If given, the approval will be effective until the Company's next AGM when it is intended that a similar resolution will be proposed.

Entitlement to attend, participate and vote

1. Only those members registered on the Company's register of members at 6pm on Monday 9 May 2022 (or in the event of any adjournment, 6pm on the date which is two working days prior to the adjourned meeting) shall be entitled to attend electronically, ask questions online in written form and vote at the AGM. Changes to the register of members after this time will be disregarded in determining the rights of any person to attend electronically, ask questions online in written form and vote at the AGM.
2. In the case of joint holders, the vote of the senior joint holder who tenders a vote, whether during the video webcast or in proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which the names of the holders appear in the Company's register of members (the first-named being the most senior).

Appointment of proxies

3. If you cannot join the AGM, you can appoint the chair of the meeting, or any other person, to join the video webcast, ask questions online in written form and vote on your behalf. This person is called your proxy. Your proxy does not need to be a shareholder. Please see appendix 2 (paragraph 6) for how to obtain the details that your proxy will need to be able to join the meeting.
4. Where no specific instruction is given, your proxy may vote at his/her own discretion or refrain from voting as he/she sees fit. You can appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by you. Details on how to appoint the chair of the meeting, another person as your proxy, or appoint multiple proxies using the Form of Proxy are set out in the notes to the Form of Proxy.
5. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact the registrar's helpline on +44 (0)370 707 1055. Lines are open 8.30am to 5.30pm Monday to Friday (excluding public holidays in England and Wales).
6. To be valid, any Form of Proxy or other instrument appointing a proxy (together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power or authority) must be received by the registrar at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 12 noon on Monday 9 May 2022.
7. If you would like to submit your Form of Proxy electronically, you may do so by going to www.investorcentre.co.uk/eproxy. You will need your Control Number, SRN and PIN which can be found on your Form of Proxy.
8. The submission of a Form of Proxy does not prevent you from joining and voting during the video webcast. If you have appointed a proxy and join the video webcast, your proxy appointment will be automatically terminated.

Appointment of proxy by joint members

9. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. For this purpose, seniority shall be determined by the order in which the names of the holders appear in the Company's register of members (the first-named being the most senior).

Appointment of proxies through CREST

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy instruction service may do so for the AGM to be held on 11 May 2022 and any adjournment(s) of it by using the procedures described in the CREST Manual (available at www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service providers, should refer to their CREST sponsors or voting service providers, who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID number 3RA50) by 12 noon on Monday 9 May 2022. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
12. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

Notes continued

Appointment of proxies through Proxymity

14. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12 noon on 9 May 2022 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

Changing proxy instructions

15. To change your proxy instructions, simply submit a new proxy appointment using the methods set out above.
- If you have appointed a proxy using the hard-copy Form of Proxy and would like to change the instructions using another hard-copy form, please contact the registrar's helpline on +44 (0)370 707 1055. Lines are open 8.30am to 5.30pm Monday to Friday (excluding public holidays in England and Wales).
16. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Nominated persons

17. Any persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ('Nominated Persons') may have a right under an agreement with the registered shareholder who holds shares on their behalf to be appointed (or to have someone else appointed) as a proxy.
- Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the registered holder of the shares as to the exercise of voting rights.
18. The statement of the rights of shareholders in relation to the appointment of proxies set out above does not apply to Nominated Persons. The rights described in these Notes can only be exercised by shareholders of the Company.

Corporate representatives

19. Any corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all of its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Voting by way of a poll

20. Voting on each resolution will be conducted by way of a poll. The Company believes that a poll is more representative of shareholders' voting intentions because shareholder votes are counted according to the number of votes held and all votes tendered are taken into account. The results of the poll will be announced to the London Stock Exchange and will be made available on the Company's website at www.clarksons.com as soon as practicable following the conclusion of the AGM.

Shareholder requisition rights

21. Under section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
- (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or
 - (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006.

The Company may not require the shareholder requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

22. Under sections 338 and 338A of the Companies Act 2006, a member or members meeting the qualification criteria in those sections have the right to require the Company:
- (i) To give to members of the Company entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the AGM; and/or
 - (ii) To include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless:
 - a. (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment of the Company's constitution or otherwise); or
 - b. it is defamatory of any person; or
 - c. it is frivolous or vexatious.

The Company will give notice of such a resolution or of such other business if sufficient requests have been received in accordance with section 338 and 338A of the Companies Act 2006.

Questions at the AGM

23. Any member attending the meeting has the right to ask questions. As the meeting is being conducted electronically by video webcast, members will be asked to submit written questions through the messaging facility. The Company must answer any question relating to the business of the meeting, except in certain circumstances, including: (i) if to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
24. It may not be possible for all questions to be answered during the time set aside for questions at the meeting. If this is the case, your question will be answered by email or post following the meeting.
25. Shareholders may submit questions relating to the business of the meeting in advance by emailing the Group Company Secretary at Company.Secretary@clarksons.com.

Documents for inspection

26. Copies of the following documents are available on request from the Group Company Secretary by emailing Company.Secretary@clarksons.com:
- (i) copies of the service contracts of the Executive Directors of the Company; and
 - (ii) copies of the letters of appointment of the Non-Executive Directors of the Company.

In addition, copies will be made available at www.clarksons.com from at least 15 minutes prior to the start of the AGM and up until the end of the AGM.
