

Braille Energy Systems Inc. Announces Commercial Launch of Electrafy Home Back-Up Power System with Enercare Home Solutions

Ottawa, Ontario--(Newsfile Corp. - November 24, 2025) - Braille Energy Systems Inc. (TSXV: BES) (the "Company"), a leader in advanced energy storage and intelligent electrification solutions, is pleased to confirm the **commercial launch of the Electrafy Home Back-up Power System** in partnership with **Enercare Home Solutions**, one of Canada's leading home services providers. This milestone aligns with Enercare's **Black Friday Promotion**, offering homeowners a timely opportunity to secure reliable, clean backup power.

Electrafy will be available to Enercare customers in **5kWh and 10kWh battery capacities**, delivering a **quiet, automatic, and fossil-fuel-free** solution for home energy security. Designed for seamless operation during power outages, Electrafy is especially suited for urban homes where traditional gas-powered generators are not practical.

Electrafy delivers the most seamless, cost-effective, and UL9540 approved critical circuit Backup Power System on the market, combining safety, performance, and affordability in one innovative solution.

For more information about purchasing the Electrafy system through Enercare Home Solutions, please visit <https://www.enercare.ca/ontario/plumbing-electrical/battery-storage>

Forward-Looking Statement

This News Release contains "forward-looking information" within the meaning of Canadian securities legislation. All information contained herein that is not clearly historical in nature may constitute forward-looking information. Generally, such forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects"

"anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance, or achievements of the Company to be materially different from those expressed or implied by such forward-looking information. Forward-looking information is based on assumptions management believes to be reasonable at the time such statements are made, including but not limited to, completion of the Transaction, completion of a private placement, receipt of required regulatory approvals, and such other assumptions and factors as set out herein. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such forward-looking information. Such forward-looking information has been provided for the purpose of assisting investors in understanding the Company's business and operations and may not be appropriate for other purposes. Accordingly, readers should not place undue reliance on forward-looking information. Forward-looking information is made as of the date of this News Release, and the Company does not undertake to update such forward-looking information except in accordance with applicable securities laws.
