INSURAGUEST TECHNOLOGIES ADOPTS SEMI-ANNUAL REPORTING

VANCOUVER, British Columbia (May 20, 2026) **–** InsuraGuest Technologies, Inc.® (TSX-V: ISGI) (OTCQB: ISGIF) ("InsuraGuest" or the "Company") announces that the Company is adopting semi-annual financial reporting in place of quarterly reporting, effective for the nine-month period ending March 31, 2026 (the "Q3"). This news release is being filed pursuant to Coordinated Blanket Order 51 **–** 933 - *Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers* (the "Exemption").

The Exemption permits certain venture issuers to report financial statements semi-annually instead of quarterly. The Company meets the conditions of the Exemption and will no longer file an interim financial report and related management discussion and analysis ("MD&A") for the Q3 and future three and nine-month interim periods of its financial years. The Company will continue to file audited annual financial statements and related MD&A and six-month financial reports and related MD&A.

The Company will continue to report all material changes and significant developments as required under National Instrument 51-102 **–** *Continuous Disclosure Obligations* and under all applicable securities laws and regulations.

InsuraGuest Technologies Inc.

Harnessing the Power of Technology to Reinvent Insurance

InsuraGuest Technologies (TSX.V: ISGI) (OTCQB: ISGIF) is an insurtech (insurance+technology) company that is disrupting the insurance landscape by utilizing its proprietary software platform to deliver digital insurance to multiple sectors. We are transforming the way insurance is delivered with the revolutionary idea that insurance should be bought, not sold.

Forward-Looking Statements

This news release includes certain statements and information that may contain forward-looking information within the meaning of applicable Canadian securities laws. All statements in this news release, other than statements of historical facts, are forward-looking statements and contain forward-looking information.

Generally, forward-looking information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including the risks normally associated with mineral exploration. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company does not undertake to update any forward-looking statements or forward-looking information that are incorporated by reference herein, except in accordance with applicable securities laws.
