

## Copper North Mining Resignation of Director

**February 7, 2020, Vancouver, B.C. - Copper North Mining Corp. (TSX.V: COL) ("Copper North") announces:**

### Resignation of Director

Ms. Sue Craig has resigned as a director of Copper North effective February 6, 2020. Ms. Craig served as a director since June 2019. The directors thank Ms. Craig for her contribution to Copper North and wish her the best in her future endeavors.

### About Copper North Mining

Copper North Mining Corp. is a Canadian exploration and development company focused on the 100%-owned Carmacks Cu-Au-Ag project located in the Carmacks copper district in the central Yukon Territory of Canada. The Carmacks district is a 180 km long by 60 km wide belt of intrusion related Cu-Au-Ag deposits including Pembridge Resources' Minto mine, Granite Creek's Stu project, and Copper North's Carmacks project. Learn more about the Company and our Carmacks Project at [www.coppernorthmining.com](http://www.coppernorthmining.com).

ON BEHALF OF THE BOARD

John Cumming, Director
